Fall 2020 Technology Needs and Requests

Please complete this brief four-question survey regarding Fall 2020 technology needs for your department by Friday, June 19th. This survey is intended to gather information regarding high-priority technology requests around categories such as software, audio/visual equipment and tech support. The deans of schools and colleges, the Road Map to Fall 2020 Implementation Teams, and the Office of Information Technology will use this information to offer scalable and supportable solutions to serve the campus as broadly, efficiently, and cost-effectively as possible. Once completed, a copy of your responses will be sent to you via email

1 If you have created a document that captures your technology needs and requests, please upload it here.

2 Please select the top three technology requests that are most important for instructors in your department this fall.

- [ ] additional audiovisual equipment in a departmentally-controlled classroom

- [ ] additional audiovisual equipment in a centrally-supported classroom

- [ ] audiovisual equipment to use at home by instructional personnel

- [ ] computing and data needs for instructional personnel

- [ ] additional hardware for instructional personnel who are using personally-owned computers

- [ ] additional software that is currently not provided

- [ ] additional software at no-cost or heavily subsidized

- [ ] tech support (e.g., a student who facilitates instruction and ensures technology isn't a barrier)

- [ ] other (please describe) _____

Page Break ——————————————————————————————————

2a You indicated that ${q://QID10/ChoiceGroup/SelectedChoices} are your top technology requests. Please provide specifics regarding your top three technology needs if possible (e.g., software title, audiovisual equipment list, etc.)

3b Please provide us with a list of courses and the approximate number of students per course, that support the above. For each course, provide the subject, course numbers and titles (e.g., LGTC 5020-570: Language Technology Foundation).

---

4 We're gathering information to prioritize requests. Please identify if your technology requests support:

☐ Courses that fulfill requirements for a large number of students or,

☐ Courses that support the first-year academic experience.

Please use this space to share any additional information about your technology needs.
