This *Schedule of Courses* was prepared on the basis of the best information available at the time. However, all information, including statements of fees, the calendar, course offerings, and admission and graduation requirements, is subject to change without notice or obligation. **Students will be held responsible for complying with all requirements and deadlines published in this *Schedule*.**

GRADUATE STUDENTS: Additional deadline information can be found in the Graduate School section on page 41 of this publication.

INTRODUCTION

The *Schedule of Courses* contains the current academic calendar, the course listings for a given semester, and Registration information. Much of the information in the *Schedule* helps answer questions on University policies and procedures, so it is important for students to keep a copy for the full semester.

The most current information is announced in the instruction booklet distributed at Registration. Always read *Registration Instructions* carefully before proceeding through Registration.

The requirements and policies of each college and school of the University are printed in the *1987-88 University of Colorado at Boulder Catalog*. Each student should have a copy of the *Catalog* for course descriptions and policies. All students are responsible for knowing and following the provisions set forth in the *Catalog*. Students should refer to a copy of the *Catalog* corresponding to their year of entry into CU-Boulder to find graduation requirements.

Because of the lead time required to publish the *Catalog*, changes in University and/or college or school rules and policies may occur in the interim. It is the student's responsibility to be aware of all such revisions. This can best be accomplished by consulting departmental advisors, checking departmental bulletin boards, and reading the *Schedule of Courses* sections preceding each college and school course listing.

REGISTRATION PROCEDURES

For further information, call (303) 492-6970.

Be sure to read the *Registration Instructions* available at every Registration. They contain the **most current** information and deadlines concerning Registration at CU-Boulder.

Registration Materials

A. Forms and Supplies You Will Need

Course Request Form—Request up to six courses on this form. If you need another, bring your original to the Information Table at Registration or to Regent 125.

Registration Deposit Form—Continuing Students only—\$100 in-state or \$300 out-of-state is printed on the form. The lower half of the form must be turned in when you pay your Registration Deposit.

Optional Fee Form—Optional services are described and may be selected on this form. Required at Final Check for all students whether or not optional services are selected.

Major Advising Form—May be required at Final Check for Continuing Student Registration in some colleges and schools. Pick up the form from your advisor or departmental office.

Course Request Form Receipt—Complete and have validated by Final Check Clerks. Bring your validated receipt to Schedule and Bill Pickup on Monday, August 24.

Pencil (number 2 or Mark-Sense)—Use this on all forms.

Schedule of Courses—Keep this copy for your reference throughout the semester.

CU-Boulder Photo ID—A CU-Boulder Photo ID is required of all students. A validation sticker will be provided at Schedule and Bill Pickup each semester.

B. Understanding the Schedule of Courses

After consulting an academic advisor, reading the advising instructions, and reviewing college and school requirements in this publication, you will be ready to select your courses.

The *Schedule of Courses* has a table of contents to help you locate the course listings for each college and school. At the top of each page you will find the abbreviations for the information supplied:

MARK HERE FOR NON CREDIT

A=DEPT NO—The department number is essential for filling out your Course Request Form. **Do NOT confuse this with your major code number.**

B=DEPT—The department name abbreviated to a maximum of 4 spaces.

C=CRS NO—The course number. Undergraduate courses are classified as lower division and upper division. Courses numbered 100-299 are lower-division courses that are introductory in nature and generally intended for first- and second-year undergraduate students. However, they are open to all undergraduates. Courses numbered 300-499 are upper-division courses, generally intended for third- and fourth-year students. To enroll for some upper-division courses, you must be a junior or senior. Courses numbered 500-599 are primarily intended for graduate students but may be open to qualified undergraduates under some circumstances (see individual professor). Normally, courses numbered 600, 700, and 800 are open to graduate students only; see college and school sections for special provisions. Courses numbered 900 or above are Independent Study courses.

D=CR—The number of credit hours the course offers: 3 means 3 credit hours, 2-4 indicates that credit is variable and you must indicate on your Course Request Form whether you are registering for 2, 3, or 4 credit hours.

E=TITLE OF COURSE—This is often abbreviated. Refer to the *University of Colorado at Boulder Catalog* for the complete title and a course description.

F=SEC—This is the section number; it means the same as the lecture number. When an L precedes the number (L004), it indicates a laboratory (lab) and is taken along

with the lecture. When an **R** precedes the number (R010), it indicates a recitation (rec) and is taken along with the lecture. Some classes have all three: lecture, lab, and recitation.

G=TIME—Meeting time of the class. See the 24-hour time conversion clock on page 46.

H=DAYS—Meeting days of the class (**T** is Tuesday and **TH** is Thursday).

I=BLDG—The building abbreviation. See the list opposite the Campus Map on page 47 of this *Schedule of Courses*.

J=ROOM—The room number.

K=INSTRUCTOR—Instructor's name is printed when available.

L=LIMIT—Approximate class size.

When selecting your courses and filling out your forms, remember the following:

Be aware that some classes may not be available due to college or school restrictions or class size limitations.

CREDIT HOUR LIMITS—Students are limited to a certain number of credit hours for which they can register. These limits do not necessarily indicate the ideal or recommended credit-hour load and can be changed once the Drop/Add period begins.

College or School	Maximum Credit Hours Allowed at Registration
Arts and Sciences	17
Business and Administration and Graduate Business (MBA)	17*
Education	19
Engineering and Applied Science	unlimited
Environmental Design	17
Graduate School	15**
Journalism and Mass Communication	17
Law	16
Music	19
Pharmacy	19

* also maximum per semester

**maximum number of credit hours that may count toward a degree each fall and spring semester.

Students in all colleges and schools should consult the *Catalog* or check with their dean's office for details on maximum number of credit hours allowed each semester.

CONTROLLED ENROLLMENT COURSES—For courses designated in the *Schedule of Courses* with an 800-series section number and the statement "Secure a Controlled Enrollment Form," the student must obtain an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the course.

Availability of these forms is determined in each department and will range from a week before Registration to the actual days of Registration.

A request for a Controlled Enrollment course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/Thesis Approval and Controlled Enrollment Form at Registration.

INDEPENDENT STUDY AND THESIS HOURS—Students registering for courses with sections numbered 900 or above (Independent Study, Thesis, Candidate for Degree, etc.) **MUST** pick up an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the course.

A request for an Independent Study/Thesis course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/Thesis Approval and Controlled Enrollment Form at Registration.

CANDIDATE FOR MASTER'S DEGREE—Students enrolled only as "candidate for master's degree" who plan to take the comprehensive examination for the master's degree, course number 999, will receive 3 hours of credit and a grade of either pass or fail for each semester the course is taken. This course will not fulfill the minimum credit-hour requirement for the master's degree. Only master's students who must be registered to take comprehensive examinations or to defend their thesis, and who have completed all necessary course work and thesis-hour requirements, should register as "candidate for master's degree." Students must register for this course during regular Registration dates. In-state students will pay for 3 credit hours at the in-state rate. Tuition charges for out-of-state students will equal 60 percent of the total charge for 3 credit hours at the out-of-state rate.

C. Filling Out and Submitting the Forms

The **Course Request Form** is the 8½" x 11" orange form. If your student name and number are printed on the Course Request Form, verify the information. If they are **not** printed, **use a number 2 or MARK-SENSE pencil** to enter your student number in the bubbles and to add the other information on the lines.

Enter one course in each course box. In the boxes and the bubbles, enter the department number, course number, credit hours, and section numbers.

A lecture section number is required; lab and recitation numbers are entered in the same course box when applicable. If there is no lab or recitation for a course, leave those areas blank.

Some laboratory classes are set up as separate courses (e.g., EPOB 123, 124). These courses must have a separate box filled in with the department, course, and section number (not lab number) indicated.

Be sure to mark the **NONCREDIT** bubble if you want NC for the course.

Be sure to include all zeros when filling in bubbles (as in section 001).

The **Registration Deposit Form** does not need to be filled out. (If you think you may qualify for a deposit waiver because of your particular scholarship or financial aid plan, you must inquire at the appropriate office for additional information. Be very sure to complete any steps that waiving a deposit may require. Waivers are not automatically processed; the Deposit Form must still be submitted by the appropriate office by the deposit deadline.)

The **Optional Fee Form** is the 8½" x 11" blue form. It must be turned in at Registration with student number,* name, and signature completed and any optional fees marked that the student wishes to select.

An **Independent Study/Thesis Approval and Controlled Enrollment Form** must be completed accurately. To use the form for **Independent Study**, indicate the appropriate term and year. Fill in your name and student number, the department number, the course number, the number of credit hours, and the instructor's full name, including middle initial. **Do not** bubble-in the section, lab, or recitation number. An approval signature is required from the instructor and/or department.

To use this form as a **Controlled Enrollment Form**, fill in your name and student number. If the course is for variable credit, indicate the credit hours. No signatures are required.

Priority in classes will be given to those students who complete their Registration **correctly and on time**. **Students must turn in materials, pay their deposits, and pick up their Class Schedules on these designated dates:**

Continuing Students	New and Returning Former Students
Registration April 22-24	Registration on or before August 19
Registration Deposit due by 4:00 p.m., July 10	
Schedule and Bill Pickup Monday, August 24	Schedule and Bill Pickup Monday, August 24

* New Arts and Sciences Freshman and Transfer Students will register separately at orientations held during the summer.

Failure to meet these deadlines may result in assessment of late fees or students not being allowed to register for Fall Semester 1987.

Don't wait for the movie.

No, the *Coloradan* will never become a major motion picture.

Why? 416 pages of technicolor photography, witty writing, and award-winning reproduction would run a bit long. Even with an intermission.

On the other hand, the yearbook will last much longer than a Springsteen concert, and cost less than his live album.

The \$17 price is lower than most concert tickets, or a couple of movies with popcorn.

So don't wait for the movie—read the book.

D. Faculty/Staff Registration

REGISTRATION PROCEDURES

Permanent faculty and staff may take 1-6 free credit hours per academic year (Summer Session 1987, Fall Semester 1987, and Spring Semester 1988). Faculty and staff registration for Fall Semester 1987 begins on Tuesday, August 25, and continues through September 11, 1987. Instructions and the Permit to Register must be picked up at Regent 125 between 9:00 a.m. and 4:30 p.m. Pick up Add Forms from the departments and **turn in Registration materials and Add Forms to the Student Accounts Receivable section of the Bursar's Office.** Any additional Drop and Add Forms must also be submitted directly to the Bursar's Office. All materials must be turned in no later than 4:00 p.m., Friday, September 11.

Students in CATEGORY b (see below) who have taken their free credit hours before Fall may register April 22-24 in the UMC Ballroom. Students in CATEGORY a or c who have taken their free credit hours may register on August 19 in the UMC Ballroom or by mail if they have applied, have been accepted, and have been confirmed. **Students will be charged tuition and fees for any courses for which they register before August 25.** Student Activity Fees will not be charged for those courses in which a student enrolls during Late Registration (Drop/Add Period).

All faculty/staff students on campus will be assessed a nonrefundable \$2.50 SIS (Student Information System) fee. This fee is **not** covered by the tuition waiver.

CATEGORIES

- Special Students are students who wish to take University courses but do not intend to work toward a degree at the University. They must not be currently enrolled in a degree program at the University.
- Continuing Students are those students enrolled in a degree program on the Boulder Campus for Spring Semester 1987 or Summer Session 1987 who are continuing to Fall Semester 1987.
- New Undergraduate and Graduate degree students (including Returning Former and Campus Change Students) are those who have applied and been accepted into a degree program on the Boulder Campus.

PROCEDURES FOR APPLYING FOR FACULTY/STAFF BENEFIT

All permanent faculty and staff who wish to enroll for Fall Semester 1987 must take a copy of their current Personnel Action Form (PAF) to the Student Accounts Receivable section of the Bursar's Office, Regent 150, by Friday, August 14, 1987. Office hours are 9:00 a.m. to 4:00 p.m. A copy of the current PAF can be secured from the department secretary.

Faculty/Staff Special Students must turn in a Special Student Application (Special Student Applications are available in Accounts Receivable) and a copy of their current PAF each semester in order to apply for their 1-6 free credit hours.

Faculty/Staff Students who are applying to a degree program should follow the regular application procedures from the Office of Admissions. However, in order to apply for the 1-6 free credit hours, they should submit their application form and current PAF to the Student Accounts Receivable section. After one semester, new degree students will become Continuing Students and will be set up automatically each semester to register, although application for any of the remaining 1-6 free credit hours must be made each semester.

Please apply for admission and benefits as soon as possible so that Registration materials can be prepared by August 14, 1987.

Continuing Students

Students who are currently enrolled must present a CU-Boulder Photo ID to receive Registration materials. Replacement IDs will be made for a charge of \$6. For your convenience, the Photo ID Office will be open between 11:00 a.m. and 6:00 p.m. on April 23.

New Freshman, New Transfer, New Graduate, and Returning Former Students New to the Boulder Campus for Fall 1987

You may obtain a Photo ID once you have confirmed your acceptance to CU-Boulder. The initial ID is free of charge. For your convenience, the Photo ID Office will be open between 8:30 a.m. and 4:30 p.m. on August 18-21 and 24-25.

DROP/ADD PROCEDURES

Special Note

The **Add** deadline will be in effect unless enrollment levels are reached before September 11.

1. Students will be allowed to Drop and Add through 4:00 p.m., Friday, September 11, with no signature required on the Drop/Add Form. A current, validated ID or a copy of your Class Schedule is required for students to drop or add. The Add deadline for Business students is 4:00 p.m., August 28.

2. No **ADD**, including Independent Study and Thesis, will be allowed after 4:00 p.m., September 11.

3. After September 11, instructors must sign **DROP** Forms. Students must be passing a course at the time it is dropped. A **W** will remain on the transcript for courses dropped at this time.

4. Students will be charged for any courses dropped after 4:00 p.m., September 11.

5. Starting Wednesday, October 7, courses may not be dropped unless there are circumstances clearly beyond the student's control (accident, illness, etc.); in addition to the instructor's approval (as in 3 above), students must obtain approval from their academic dean.

STUDY ABROAD?

"Sure, I'd love to. How do I go about it?"

You need to plan early. First, come to our office and talk about which program might be right for you. Then speak with your college and departmental advisors to see how study abroad fits into your degree plans. Study abroad on a CU program is granted credit as if the work were done on the Boulder campus. Scholarship money is available. Come see us today.

Get More Out Of College Through Community Volunteering

6. Validated receipts are provided for all students who turn in Drop/Add Forms at the Office of Registrations, Regent 125, between 9:00 a.m. and 4:00 p.m. It is the students' responsibility to retain this receipt. Acceptance of a Drop/Add Form by the Office of Registrations does not alleviate the student's responsibility to fill out forms correctly and completely and to be aware of college/school and departmental requirements.

7. It is not necessary for students to secure Drop Forms when they withdraw from the University. Students who are withdrawing should not drop their only or last class, because an **administrative withdrawal** will be processed with no refund. There are specific withdrawal procedures for students to follow—see below.

8. Students who turn in Drop or Add Forms that do not have the proper signatures will not have their forms processed.

PASS/FAIL OPTION

Before enrolling in courses on the Pass/Fail option, students should consult their college and school requirements and restrictions concerning Pass/Fail enrollment to ensure an approved Registration. Students may pick up Pass/Fail Forms from either the Registration Schedule and Bill Pickup clerks on August 24 or at the Office of Registrations, Regent 125.

Completed Pass/Fail Forms must be turned in at the Office of Registrations beginning August 24 until 4:00 p.m. on September 11. It is the student's responsibility to retain any receipts. After Friday, September 11, it will not be possible for a student to request Pass/Fail or to reverse the request.

The record of Pass/Fail registration is maintained by the Office of Registrations. Academic deans and faculty will not be aware of specific Pass/Fail registration status. All students who are registered on a Pass/Fail basis appear on the regular class roster and a letter grade is assigned on the final grade roster by the professor.

When grades are received in the Office of Registrations, those courses requiring a Pass/Fail designation are automatically converted by the grade application system. Grades of **D-** and above convert to a grade of **P**. Grades of **F** equal a letter grade of **F**.

Grade point average is only affected by an **F**. A grade of **P** is not calculated into a student's GPA.

GRADING SYSTEM

A = 4.0	B- = 2.7	D+ = 1.3
A- = 3.7	C+ = 2.3	D = 1.0
B+ = 3.3	C = 2.0	D- = 0.7
B = 3.0	C- = 1.7	F = 0.0

W = Withdrew/dropped
 P = Passed
 IF = Incomplete. Regarded as **F** if not completed within one year.
 IW = Incomplete. Regarded as **W** if not completed within one year.
 NC = No Credit
 IP = In Progress

Grade Reports

Fall Semester grade reports will be mailed to students at their local address, approximately three weeks after the end of finals. After that date, grade reports may also be picked up in Regent 125.

RESIDENCY STATUS

****NOTE**** The Colorado Commission on Higher Education is considering changing the qualifying date for Fall Semester 1987 to September 1, 1986. The previously published qualifying date is August 26, 1986. The "qualifying date" is the latest date on which domicile must have been established in Colorado to qualify as an in-state student for Fall Semester 1987.

Completed petitions for changing residency status should be submitted to the Office of Academic Records, Regent 125, by 4:30 p.m., August 3, 1987. Although petitions will continue to be accepted through August 28, 1987, students submitting petitions after August 3 may be subject to enrollment levels established by the legislature for in-state students and are unlikely to receive decisions by the tuition payment deadline. Refunds will be made if applicable. Students submitting completed petitions by June 1, 1987, will receive decisions by the deposit payment deadline. To facilitate timely and accurate processing of awards, financial aid recipients should submit petitions by June 1. Additional information regarding residency status is available from the Office of Academic Records, Regent Hall 125, telephone (303) 492-6868.

WITHDRAWAL POLICY AND REFUND SCHEDULE

1. Failure to withdraw officially makes students liable for the full amount of tuition and fees assessed for Fall Semester 1987 (in compliance with the Board of Regents ruling of August 18, 1971). Do not drop your only or last class, because an **administrative withdrawal** will be processed with no refund.

2. Failure to withdraw officially will result in a failing grade being recorded for every course you were registered for during Fall Semester 1987.

3. Official withdrawal is completed in the Office of Registrations, Regent 125. Before August 26, you may either fill out a Withdrawal Form at the Information Window in Regent 125 or send a letter stating your intent to withdraw to the Withdrawal Coordinator, Office of Registrations, Regent Administrative Center 125, Campus Box 7, University of Colorado at Boulder, Boulder, Colorado 80309-0007. Refer to the refund schedule below.

Beginning August 26 through December 9, 1987, an interview is required for all withdrawing students. (It is not necessary to secure Drop Forms if you are withdrawing.) Students must begin the process in the Office of Admissions, Regent 125, between 9:00 a.m. and 11:30 a.m. or 1:00 p.m. and 4:00 p.m.

4. **Undergraduate students who fail to pick up their Class Schedules by 4:00 p.m. Friday, August 28, will be automatically withdrawn from school and assessed their Registration/Confirmation Deposit.** See also #5.

5. Services selected on the Optional Fee Form at Registration are a financial obligation regardless of the withdrawal date. Students must inquire at the individual offices about possible refunds at the time of the withdrawal.

6. Withdrawals will not be permitted after the last day of classes. (Deadlines and rules for withdrawing may vary with each college or school.)

If a student withdraws from the Boulder Campus, **adjustments or refunds** to the total tuition and fees are made as follows:

Withdrawal Period	Refund or Assessment Schedule
April 22- July 10, 1987, 4:00 p.m. —Continuing Students Only	Full refund of Registration (not Confirmation) Deposit (\$100 in-state or \$300 out-of-state) with receipt of letter from student to Withdrawal Coordinator, Office of Registrations, Regent Administrative Center 125, University of Colorado at Boulder, Boulder, Colorado 80309-0007. Postmarks will not be honored.
July 11- September 11	Full amount of Registration/Confirmation Deposit is retained by the University.
September 12- September 25	Amount of Registration/Confirmation Deposit (\$100 in-state or \$300 out-of-state) retained OR 40 percent of full Tuition and Fees assessed, whichever is greater.
September 26- October 9	Amount of Registration/Confirmation Deposit (\$100 in-state or \$300 out-of-state) retained OR 60 percent of full Tuition and Fees assessed, whichever is greater.
October 10	No refund. 100 percent of Tuition and Fees due.

TIME OUT PROGRAM (TOP)

The Time Out Program is a planned leave program for University of Colorado at Boulder students who are currently enrolled in good standing in their college or school. The leaves, which run for a minimum of one semester and a maximum of one year and which are approved by an academic dean, give students the opportunity to pursue scholarly or nonacademic interests. Students may take courses at another campus of the University of Colorado or at another college or university while in TOP.

TOP will guarantee students a place in their current college or school and in their current major when they return to classes. In addition, Intrauniversity Transfer (IUT) is available to students in TOP. Certain restrictions do apply, however, for some colleges and schools. TOP participants may register for classes by mail, and reapplication to the University is not necessary. Students receiving financial aid should check with the Financial Aid Office before going on TOP. Additional information and TOP applications may be picked up from the Office of Registrations, Regent 125.

A nonrefundable \$20 program fee is required at the time of application to TOP. The TOP application must be submitted no later than the six-week drop deadline date for the semester the student begins TOP. Early application is recommended since enrollment levels for the student's returning semester of choice may be met before the six-week deadline.

TUITION AND FEES

For further information, call (303) 492-5381.

The Board of Regents reserves the right to change tuition and fees at any time. Tuition and fees can be expected to increase every year that the student is in school.

PLEASE NOTE: Tuition and fee rates for 1987-88 were not established at the time of this printing; these rates reflect 1986-87 costs.

*The fee schedule for students taking only one course (1-5 credit hours) is \$22.70 per semester, and for all other students is \$136.05 per semester, assessed by the University of Colorado Student Union (UCSU). In addition, all students will be assessed a nonrefundable \$2.50 Student Information System fee. Also, students registered for 4 or more credit hours are assessed a \$16.50 fee per semester for intercollegiate athletics (by the Board of Regents).

EXTRA TUITION SURCHARGE: For every credit hour over 17 for which a student registers and retains past September 11, 1987, there will be a tuition surcharge. See chart above.

Tuition and Fee Regulations

Fee rates for 1987-88 were not established at the time of this printing. Fees can be expected to increase for 1987-88.

1. **Student Responsibility for Payment:** Failure to receive an official University Tuition and Fee Bill will not relieve the student of responsibility for payment by the established date.

2. Students will be assessed tuition for the number of credit hours for which they are registered on September 11, 1987.

3. **No tuition adjustment will be made for courses dropped after September 11.** However, tuition for classes added will be assessed and billed. Students will be assessed a surcharge for each credit hour over 17.

4. **Tuition for a NO CREDIT course is the same as for a course taken for credit.**

5. Tuition for a zero (0) credit-hour course is charged at the rate of a one credit-hour class.

6. **ALL STUDENTS taking one course of 5 or fewer hours** will be assessed the base fee of \$22.70. These students will receive a NO FEES ID validation sticker and will not be allowed to use UCSU facilities or services without payment. Doctoral students taking thesis only, master's candidates for degree, Approved Doctoral candidates, and fifth-year pharmacy students will pay the base fee of \$22.70.

Effective Fall Semester 1986, all Boulder Campus students taking 6 or more semester hours or more than one course must be covered by a hospital-medical-surgical insurance plan as a condition of enrollment. Students who do not verify separate equivalent coverage or adequate personal financial resources on the Insurance Waiver Form available at Registration will automatically be enrolled in the student group insurance plan at a cost of \$99.70 in addition to the full \$136.05 in UCSU student fees.

7. For those students taking one course of 5 or fewer semester hours, supplemental health insurance is available at a cost of \$99.70. To become eligible to purchase the insurance, students must first pay full student fees of \$136.05. **EXCEPTION:** Approved Doctoral candidates requesting student group insurance will be charged \$99.70 for the insurance plus Wardenburg Student Health Center fees of \$69.31.

8. **FACULTY/STAFF TUITION RATES**—Permanent faculty and staff are entitled to 1-6 credit hours per academic year (Summer and Fall 1987 and Spring 1988) at no charge and **must** register beginning August 25, 1987 if these benefits will be used. **FEE REGULATION CHANGE:** Student fees will not be charged for those courses in which a faculty/staff student enrolls on August 25 or later. If a student registers early and pays tuition

for the course(s), student fees will be charged. See page 7 regarding the SIS fee.

9. **MATRICULATION FEE**—There is a one-time non-refundable matriculation fee of \$15 for new degree students. This fee will be assessed at the time of initial Registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. A Special Student who is admitted to degree status will be assessed a \$15 matriculation fee at the time of the student's first Registration after the change has been made.

10. Mandatory student fees (\$136.05) may be waived only under the most extraordinary circumstances, such as a physical absence from campus for the semester, living outside a 50-mile radius of Boulder, or an extreme physical handicap that renders it impossible to use the fee-supported services or facilities. If fees are waived, students must still pay the base fee of \$22.70. Students who wish to petition for a fee reimbursement must do so by 4:00 p.m. on September 4. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and should include documentation of the reasons for waiving the fees. In addition, any student covered by the Student Health Insurance must pay full student fees, except Approved Doctoral students who will pay only partial fees.

Deferred Tuition

The option of deferring one-half your total Tuition and Fee Bill until October 9, 1987, is available by completing an application on or before **September 4**. The first half of your bill will still be due by 4:00 p.m., September 4. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge. **If you have any doubt** at all about being able to pay your full Tuition and Fee Bill by September 4, please take advantage of this option. To qualify, your total bill at the time of application for deferred tuition must exceed \$100. The deferred amount will be calculated on the account balance at the time of deferment. Please refer to the *Schedule and Bill Pickup Instructions* for location of deferred tuition applications.

Failure to Make Payment in Full by the Tuition and Fee Bill Deadline

Failure to make the required payment on any due date will result in any or all of the following actions:

a. The student may be disenrolled from the University, becoming ineligible for all University services (see Disenrollment Policy).

b. No grades will be issued for courses in progress unless the student is reinstated within the prescribed deadlines.

c. No transcripts, diplomas, certification, or Registration materials will be issued for the student until the Tuition and Fee Bill is paid in full.

d. A late payment charge in addition to a service charge (1 percent per month) on the unpaid balance will be assessed according to the following schedule:

Balance Due	Late Charge
\$ 1—\$99.99	\$ 5
100—299.99	10
300—499.99	20
500—699.99	30
700—899.99	40
900 and over	50

e. A Late Registration Fee may be charged to students who are financially disenrolled (see Disenrollment Policy below).

* DISENROLLMENT POLICY *

When students fail to meet their entire Tuition and Fee Bill obligation by October 9, 1987, official notification of disenrollment will be mailed by the Office of Registrations to the student's local address of record. The letter will inform students of reinstatement procedures.

In order to reregister, students who are disenrolled must pay late and service charges as well as a **Late Registration Fee of \$20 to \$30**.

Students who are disenrolled and who fail to reregister remain liable for full payment of all unpaid charges, including tuition and fees.

INTERCAMPUS REGISTRATION PROCEDURES

Option 1—Boulder Campus students who wish to take course work on another campus of the University of Colorado may be able to register on that campus independent of Boulder Campus Registration. However, students must apply for admission to and follow the Registration procedures established by the other campus. Students should check with their dean's office for approval. Arts and Sciences students may not register at UCD or UCCS except in the summer.

Option 2—Boulder Campus students who are unable to obtain courses required for their degree programs on the Boulder Campus may exercise the Concurrent Registration option. Students enrolled for a minimum of one course on the Boulder Campus may be allowed to register for up to two courses or 6 credit hours, whichever is greater, on another University of Colorado campus. The course work must be required for their degree program, they must have their dean's permission, and enrollment

levels must not have been reached on the host campus.

Students taking required courses in the College of Business and Administration or in the Graduate School of Business Administration may only exercise the Concurrent Registration option if they are in their graduating semester; students who are two semesters from graduating and cannot obtain a course necessary to complete the prerequisite sequence may also be allowed to use this option. The course must be required for graduation and not be offered on the Boulder Campus, or the course must conflict with another required course in which the student is enrolled. Boulder Campus students from other colleges and schools who wish to take Business courses must have the approval of the Boulder Campus College of Business and Administration in addition to the approval of their own college or school before submitting the Concurrent Registration Form.

Boulder students exercising this option will pay tuition for their TOTAL credit hours at Boulder Campus rates. Concurrent Registration Forms and instructions are available at the Information Window of the Office of Registrations, Regent 125, between 9:00 a.m. and 4:30 p.m. **after the Drop/Add period has begun at the host campus.**

GENERAL INFORMATION

Academic Integrity

A university's intellectual reputation depends on maintaining the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado.

Breaches of academic honesty include plagiarism, cheating, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

Plagiarism. In all academic areas, it is imperative that work be original or that explicit acknowledgment be given for the use of another person's ideas or language. In a term paper, for example, failure to use quotation marks, even if a footnote source is provided, is plagiarism.

Students should consult with their instructors regarding specific standards or procedures appropriate in each given field.

Cheating. Cheating takes place in different ways; basically, it involves dishonest behavior, such as copying from another person or obtaining any form of unauthorized help or assistance from any person or source.

Sanctions. Breaches of academic honesty will result in disciplinary measures. These can include:

- A failing grade for a particular assignment
- A failing grade for a particular course
- Suspension for various lengths of time or permanent expulsion from the University

Breaches of academic honesty are under the purview of each college and school pursuant to the *Laws of the Regents*, Article V, Section C. For further information, consult your associate dean's office.

Student Conduct

The Standards of Conduct and the procedures for implementing them have been developed by the Student Conduct Advisory Committee composed of students, faculty, and staff. In establishing these standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community.

The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone shares in the commitment to protect the integrity and personal safety of each member of the University community.

The intent of these standards is not for use in incidents involving trivial or minor matters. Rather, they are intended for use in incidents threatening the basic functioning of the University or the personal safety of its members.

As members of the University community, students are held accountable not only for civil and criminal laws, but University Standards as well. University sanctions can be imposed when policies are violated; the sanctions include, but are not limited to, suspension and permanent expulsion.

Any time students have questions regarding the application of University Standards or feel that another person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to talk with the staff member closest to the situation. Further information is available from the Office of Student Conduct, (303) 492-5550.

Affirmative Action Statement

The University of Colorado at Boulder is an affirmative action/equal opportunity institution and does not discriminate on the basis of race, sex, religion, color, age, national origin, physical limitations, or veteran's status in any respect of admission or treatment of students. We strongly renew our commitment to the advancement of equal opportunity, affirmative action, and the value of diversity. We are especially interested in attracting minority students. The institution's educational programs, activities, and services offered to students and employees are administered on a nondiscriminatory basis subject to the provisions of Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1973, the Vietnam Era Veteran's Readjustment Act of 1974, and Section 504 of the Rehabilitation Act of 1973. For further information concerning these provisions, or information about issues of equity, discrimination, or fairness, write the Manager of Affirmative Action and Services, Campus Box 475, University of Colorado at Boulder, Boulder, Colorado 80309-0475, or call (303) 492-6706.

Ombudsman Office

The goal of the Ombudsman Office is to facilitate communication, understanding, and effective conflict management among the constituents of the University—faculty, administrators, staff, and students.

Ombudsman duties include hearing concerns, complaints, and grievances; investigating such concerns; referring individuals to other University resources when appropriate; mediating complaints if necessary; making findings of repeated or serious breakdowns in the University environment; and offering recommendations to University constituents regarding redesign of areas where breakdowns occur.

The Ombudsman Office maintains impartiality and confidentiality in working with individuals and operates independently of the usual administrative authorities. The staff is familiar with the organizational structure of the University and can provide current information about campus services, programs, policies, and procedures. Timely information about important dates and deadlines may be found in the Reminder Calendar published each year by the Ombudsman Office.

The office is located in Willard 302, Campus Box 112, telephone (303) 492-5077.

Rights and Privacy—Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory information." Such information may be released to anyone unless students inform the Office of Academic Records that they do not wish the information released.

"Directory information" includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, students must go to the Office of Academic Records before September 11 to request that directory information about them be withheld. A new request must be made each semester.

To prevent names and addresses from appearing in the 1987-88 *Directory*, students must request withholding of directory information between August 24 and September 11, 1987. (The *Directory* is published during the Fall Semester only.)

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and the Office of Academic Records, Regent 125, (303) 492-3066.

Final Examination Policy

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the *Schedule of Courses* each semester. While it may be appropriate not to give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students should assume that an examination will be given.

The following guidelines should be followed by all faculty members and administrators to assure fairness and the best possible educational experience for students:

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or for additional instruction.

2. The final examination in a course should be given as scheduled and not at other times even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

General Information

The Academic policies and rules are printed in the 1987-88 *University of Colorado at Boulder Catalog*. All students are responsible for knowing and following the provisions set forth in the *Catalog*. Any questions concerning those provisions are to be directed to the College Office, Old Main 1B-85. The College cannot assume responsibility for problems resulting from a student's failure to follow the policies stated in the *Catalog* or from misadvice given by someone other than a staff member of the College.

Administrative Drops

You are not guaranteed your place in a course if you do not attend regularly during the add/drop period or if you do not have the proper prerequisites. It is your responsibility to know whether or not you are still registered in each of your classes at the end of the add/drop period.

Graduation from the College of Arts and Sciences

Any student wishing to graduate from the College of Arts and Sciences at the end of a given semester must notify the dean's office, Old Main 1B-85, in the semester preceding. **The College of Arts and Sciences takes no responsibility for graduating a student when the student has not met the above deadline due to the student's own negligence.**

Area Requirements

As a liberal arts college, the College of Arts and Sciences has the responsibility of making available to its students a balanced program which will satisfy the legitimate claims of individual interest and aspirations and ensure that those who graduate have pursued a directed, coherent educational experience.

Candidates for the liberal arts degree are expected to be literate in their own language, to have at least a minimal acquaintance with a language other than their own, and to be familiar with the subject matter and methodology of the three broad areas of learning represented by the Humanities, the Natural Sciences, and the Social Sciences. These expectations generate the college area requirements.

Each student seeking the B.A., the B.F.A., or the B.S. degree in the College of Arts and Sciences must complete two 2-semester course combinations in each of the following areas: Humanities, Natural Science, and Social Science. See the description in the College List following.

In addition to the above, students seeking the B.A. or the B.F.A. degree must demonstrate in one of three ways a third-semester proficiency in a classical or modern foreign language: (a) by completion of a level-III high school foreign language course, (b) by completion of an appropriate third-semester college course, or (c) by a proficiency examination administered by one of our foreign language departments.

THE COLLEGE LIST

The College of Arts and Sciences College List consists of three divisions. Each division represents one of the area requirements: **Humanities, Natural Science, Social Science**. Within these divisions the courses are listed by departments in first- and second-year sequences. Courses joined by a hyphen are considered a sequence. Both courses must be completed in order to fulfill one-half an area requirement.

To fulfill the second half of the requirement, students who have successfully completed a first-year sequence in a given department may choose either to take a second-year sequence in the same department or to complete another first-year sequence in a different department listed in the same area requirement division.

Courses on the College List may not be taken Pass/Fail.

CAMPUS MAP

NIGHTWALK/NIGHTRIDE DON'T WALK HOME ALONE

The **NightRide** van will take any CU student with a valid CU Boulder ID home anywhere inside the Boulder city limits at no cost. You can catch the **NightRide** van at the following locations and times:

Every night

Norlin Library—East Lobby Doors
8:00 p.m.-Midnight

The van runs on the hour with extended hours during Finals.

NightWalk is an escort service that will accompany you anywhere on campus and within a two-block area on the Hill, from Sixteenth Street to University Avenue. Call **492-SAFE**.

NightWalk service is available:

at Norlin Library-East Lobby Doors

NightRide and **Nightwalk** are both volunteer programs funded through UCSU. If you would like to volunteer for **NightRide/NightWalk**, call the UCSU Student Safety Coordinator at 492-7473.

The Committee on Personal Safety urges you to avoid walking alone at night. Ask a friend to accompany you, use **NightRide/NightWalk**, or phone **492-SAFE** to be picked up by the **NightRide** van.
