This *Schedule of Courses* contains an up-to-date academic calendar, information on telephone registration, course listings for spring 1990, and policies and services to help you through the semester. All students receive one free copy of the schedule before registration. Additional copies must be purchased from the Book Center for \$1.00.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following those policies and for familiarizing yourself with the course listings. Please refer to the catalog edition corresponding to your year of entry into CU-Boulder for graduation requirements. When you declare or change your major, however, be sure to check with your new dean's office regarding applicable requirements.

Although this schedule was prepared on the basis of the best information available at the time, all information is subject to change. Because of the lead time required to publish both the schedule and the catalog, changes may occur in University, college, or school policies. It is your responsibility to be aware of such changes by consulting departmental advisers, checking departmental bulletin boards, and reading your registration instructions carefully.

## Guide to Confirmed Registration

All students will be able to use CU Connect to register for spring classes. Confirmed registration involves calling CU Connect from any touch-tone phone and receiving immediate confirmation of course enrollment. Whether you're a continuing student, a new freshman, a new transfer, a readmitted student, or a graduate student, you'll be able to register, list your classes, drop and add classes, and sign up for available class wait lists via CU Connect.

### Receiving Your Materials

Continuing students pick up the following materials:

- an invitation to register
- registration instructions
- registration deposit form and envelope
- special services form and envelope

Registration materials for new students include:

- an invitation to register
- registration instructions
- special services form and envelope
- Wardenburg student health insurance waiver

**Note:** Some colleges and schools have a mandatory orientation session for new students. If you are required to attend such a session, you will register at your orientation.

### Registering for Courses via CU Connect

With this schedule and your registration materials, you'll be able to call CU Connect and receive immediate enrollment confirmation for the classes you request. You may call from either an on-campus or off-campus touch-tone phone.

Please use the CU Connect registration form on page 5 of this schedule and the accompanying instructions ("Calling CU Connect") to prepare your schedule. The instructions include detailed information for using CU Connect.

You'll need to call CU Connect during your time assignment (indicated on your invitation to register) or any time thereafter. It's important for you to call as soon as possible, however, as confirmed registration is on a first-come, first-served basis. Classes will fill up throughout the registration process.

### Using a Wait List

Throughout registration, if you are eligible to take a course but find that it has been closed, you may be able to put your name on a computerized wait list. Each department determines if wait lists will be offered and what type of list will be used.

The first type of wait list is set up on first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

The second type of wait list uses priority coding to determine who gets enrolled in the course as spaces open up. The coding is established by the department, and is usually based on class standing and/or major.

Follow the instructions on page 4 to add your name to a wait list.

### Paying Your Registration Deposit

(Continuing Students Only)

To successfully complete registration, all continuing students must register for courses and pay or waive the spring registration deposit (\$100 for in-state students and \$300 for out-of-state students) by the December 8 deadline. If you do not pay the deposit, you will be removed from your confirmed classes and they will be available for other students to add. You will then have to re-register at a later date, if space in the University is still available. In addition, a late registration fee may be assessed.

**Graduate Students Please Note:** If you plan to attend the University next spring, you must register for courses this fall. Paying your deposit is only part of the process—it will not hold a place for you.

### Adjusting Your Schedule

Once you have registered, you'll be able to make adjustments to your schedule by calling CU Connect and dropping or adding classes. See page 4, "Calling CU Connect," for specific instructions. As always, you'll also be able to adjust your schedule once classes have begun (see page 6).

By calling CU Connect, listing your schedule, and making any needed changes, you should have the schedule you want when you arrive on campus in January.

### Receiving Your Schedule/Bill

Although you will know your schedule when you register, you must still pick up your schedule/bill at the beginning of the semester (times and locations are noted on page 6).

### A Few Final Words

Registration involves a bit more than last-minute thought. Pay attention to matters such as clearing any registration stops on your record, paying your deposit on time, getting advising, selecting your courses carefully, and reading all registration materials carefully. It helps to keep your registration information throughout the semester.

## Things to Know Before Registering

### Addresses—Important!

Please keep your addresses updated at all times. An incorrect mailing address, in particular, will keep important registration materials and information from reaching you (we may need to contact you regarding course changes or cancellations). There are also other addresses on your student record you will want to keep current, such as a permanent address.

You may update your addresses at the registrar's office in Regent 125, in UMC 165, or you may call (303) 492-6581. You can specify which address you are updating when you fill out the change of address form or when you call.

### Advising

Some colleges and schools require that students speak to an adviser before registering for courses. If you receive such a message when you call CU Connect, and you are an arts and sciences student, call your faculty adviser or your major department to make arrangements for advising. If you are a student in another college or school and you receive an advising message, you should call your dean's office. After you have been advised, the coding on the computer will be adjusted and you may call CU Connect to register.

### Credit Hour Limits

There are limits on the number of credit hours for which you may register (please see page 4). Your dean's office can fill you in on the maximum number of credit hours that may apply to your degree.

### Independent Study/Thesis Approval and Controlled Enrollment

If you are interested in taking a course with an 800- or 900-level section number, you'll need to contact the appropriate department for a course call number before you register. Please see the instructions on page 4 ("Calling CU Connect") for further information.

### No Credit

You can select classes on a no credit basis (an NC will appear on your transcript in place of a grade) during registration or schedule adjustment. However, tuition is the same, regardless of whether or not credit is received in a course. Please check with your college or school or the University catalog for policies on no credit status and how it may be used.

### Pass/Fail

You will be able to select classes on a pass/fail basis throughout registration and schedule adjustment. Please check with your college or school; there are restrictions on the number of courses and the types of courses that can be taken pass/fail.

Once you've signed up for a course pass/fail, your name (but not the pass/fail designation) will appear on the class roster. Your professor will assign you a grade for the class. A grade of D- or above is automatically converted by the registrar's office to a P; an F converts to an F. Only the F is calculated as part of your GPA; a grade of P is not counted.

### Stops on Your Registration

When you call CU Connect, you may get a message that you have a stop on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters. You will not be allowed to register until the stop has been cleared. Please check with the office imposing the stop on how to clear it, and get it taken care of so you may register for classes.

Most often, you will know about a stop before calling CU Connect, because your invitation to register will display a printed message about it. However, stops can occur at any time in the registration process, so you should make it a point to know the status of your student record.

**Note:** A stop on your record may have severe consequences. If you're a continuing student with unpaid University debts, for example, you may be withdrawn from your spring classes.

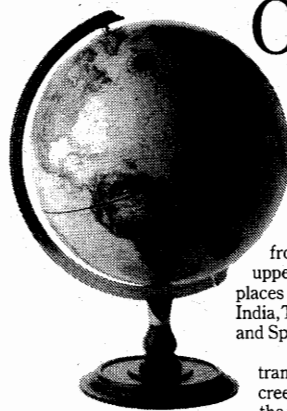

### Variable Credit

When requesting a variable credit course (one with a range of minimum and maximum credits), you need to decide with your professor how many credits you would like to receive in that course. Simply indicate this when you call CU Connect.

### Campus Hot Line

Recorded registration information and campus announcements are available on the campus hot line, (303) 492-9000.

## The World Is Still The Greatest Classroom Of All.

Applications are now being accepted for the University of Pittsburgh-sponsored Semester at Sea.

Each fall or spring 100-day odyssey aboard the American-built S.S. Universe literally offers you the world.

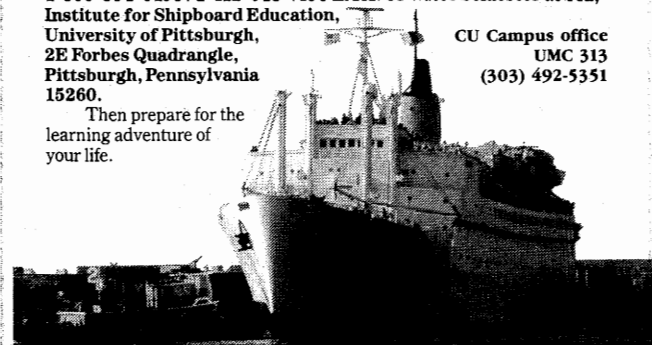

You can earn 12-15 transferable units from your choice of more than 50 lower and upper division courses, while calling upon places as culturally diverse as Japan, Hong Kong, India, Turkey, the Soviet Union, Yugoslavia and Spain.

It is a learning adventure designed to transform students of every color, race and creed into true citizens and scholars of the world.

For full information, including a catalog and application, call 1-800-854-0195 / 1-412-648-7490 in PA. Or write Semester at Sea, Institute for Shipboard Education, University of Pittsburgh, 2E Forbes Quadrangle, Pittsburgh, Pennsylvania 15260.

## CALLING CU CONNECT

Please read the instructions below and complete the registration form before calling CU Connect with your courses. A telephone voice will guide you through all the steps.

### REGISTERING FOR COURSES

To **add** a course, press 2\* before the course call number. For example: enter 2\* and the course call number, then press the # key. To **drop** a course, press 3\* before the course call number and then the # key.

### Pass/Fail

You may select the pass/fail grading option by pressing \*2 between the course call number and the # key. For example: enter 2\* and the course call number, then \*2#. Pass/fail grading regulations can be found in the catalog.

### No Credit

You may request a course for no credit by pressing \*1 between the course call number and the # key. For example: 2\* and the course call number, then \*1#. Information on the no credit designation can be found in the catalog.

### Independent Study and Controlled Enrollment

To add an independent study or controlled enrollment course, obtain permission and the five-digit course call number from the department office. You may then include this call number when you register by telephone.

### Variable Credit

When requesting a variable credit course, you need to decide how many credits you would like to receive in that course. Be prepared to provide this information when prompted by CU Connect.

### Wait Lists

If a course is closed and a wait list is available, you will be given the option of placing your name on a wait list for the course. When prompted by CU Connect, press 9#.

### OTHER INFORMATION

#### Maximum Credit Loads

The maximum credit load allowed at the time of registration (including wait lists) is 19 credit hours for most colleges and schools. Students should refer to their college and school sections of the catalog for individual credit limits.

#### MAPS Courses

Effective with students who graduated from high school in 1988 or later, CU expects new students to have completed minimum academic preparation standards (MAPS). MAPS for specific CU-Boulder colleges and schools can be found in the catalog.

#### Listing Your Schedule (Important!)

Once you have registered, you can use the list function to play back your schedule; just enter 5#. If CU Connect lists all of the courses you have added, you have entered them correctly. You may adjust your schedule by dropping or adding individual courses.

#### Help Line

If you are having difficulty with telephone registration, please call our special help line, (303) 492-1033, from 8:30 a.m. to noon and 1:00 p.m. to 4:00 p.m., Monday through Friday. Someone in our office will give you personal assistance.

- 8# **Exits** you from the system.
- 9# **Puts** your name on a **wait list** for a closed course, if a wait list is available.
- # **Required** at the end of each transaction.

### CU CONNECT REGISTRATION FORM

Call CU Connect from a touch-tone telephone, **938-8110** (303-938-8110 if calling long distance).

The telephone voice will request the information below.

- the action code 7003 #
- the spring term code 901 #
- your University student number \_\_\_\_\_ #
- your personal identification number (PIN) \_\_\_\_\_ #

When prompted, enter the courses you've listed below. Press star (\*) or pound (#) keys as indicated. **Whenever you press the # key, please wait for the telephone voice to respond before proceeding with the next entry.**

## Schedule/Bill Distribution

Combined schedule/bills will be available on Tuesday, January 16, between 8:30 a.m. and 4:30 p.m. at the following locations:

College or School	Building
Arts and Sciences	Balch Fieldhouse
Business and Administration	Events/Conference Center
Education	UMC Ballroom
Engineering and Applied Science	Events/Conference Center
Environmental Design	UMC Ballroom
Graduate School and MBA (all graduate students except law)	UMC Ballroom
Journalism and Mass Communication	UMC Ballroom
Law	UMC Ballroom
Music	Law School 104
Pharmacy	Music Lounge
	UMC Ballroom

You do not have to arrive at 8:30 a.m.—schedule/bills will be available all day. However, your schedule/bill will contain your drop/add time assignment, and will be necessary for purchasing a parking permit. You can avoid the crowds by picking up your schedule a bit later in the day.

Try to pick up your schedule/bill on January 16. If a University error has occurred with your schedule, it can best be corrected on that day. If you do not pick up your schedule/bill on January 16, it will be available from January 17 to January 19 at the UMC West Ballroom. After these dates, schedule/bills need to be picked up at the Office of the Registrar in Regent 125, between 9:00 a.m. and 4:00 p.m.

### Important!

This first schedule/bill will be the only one you'll receive before the tuition due date of January 26. Additional revised

bills may be mailed after that date if you have amounts still unpaid on your record.

### Parking Permits

From 8:00 a.m. to 3:00 p.m. on Tuesday, January 16, campus parking permits will be sold to residence hall students at the Events/Conference Center and to Williams Village residents at Darley Commons.

Parking permits for all other students will be sold on January 17 at the Events/Conference Center (at the law school for law students) from 8:00 a.m. to 3:00 p.m. On January 18, permits will be sold at the Events/Conference Center from 8:00 a.m. to 2:00 p.m. After that date, parking permits will be sold at the Parking Management Office (1511 University Avenue), 8:00 a.m. to 4:00 p.m.

You'll need to bring your schedule/bill and a photo ID with you, along with current motor vehicle registration. Permits sell for between \$24 and \$40, depending on location. Prices are subject to change.

### Photo IDs

Your validated photo ID is an important identification card to carry with you. It signifies that you are a currently registered student and allows you to use University services. To get an ID made, go to the Stadium, Room 129 (between gates 4 and 5), Monday through Friday, between 11:00 a.m. and 4:00 p.m. You'll need to take some other form of picture ID with you. Your initial ID is free; replacement cards cost \$7. (Continuing education and SAVE students must pay \$7; they do not receive an initial free ID.)

IDs may be validated for spring semester 1990 at schedule/bill distribution sites or at central schedule adjustment locations.

## Schedule Adjustment (Drop/Add)

You may call CU Connect during registration as well as during final schedule adjustment (the first three weeks of classes) to verify your registration and to maintain an up-to-date schedule. Your CU Connect instructions and registration form (pages 4 and 5) list the function codes you'll need to use when calling.

Once the semester begins, terminals will be set up throughout the campus, and you may drop or add any course or change sections at one that is convenient for you. You'll also be able to use CU Connect to make adjustments to your schedule. A drop/add time assignment will be provided on your schedule.

The calendar on the inside cover of this schedule lists important drop/add deadlines, and your *Spring 1990 Guide to Schedule Adjustment*, given out at schedule/bill distribution in January, will provide more detailed information about schedule adjustment procedures.

### Wait Lists

If you have placed yourself on a wait list during registration or schedule adjustment, it is your responsibility to call CU Connect to find out if you have been enrolled in the class.

As you place your name on a wait list, the total number of students already on the list is announced. As wait list positions constantly change during the registration and schedule adjustment periods, specific position information cannot be made available until the week of January 16, according to your time assignment.

If you choose not to remain on a wait list, please drop it as soon as possible. Other students will be waiting to enroll in the course.

Your *Spring 1990 Guide to Schedule Adjustment* will contain additional information about wait lists.

### Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks of classes, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

### Note on Dropping Courses

Any student who stops attending a course without officially dropping it will receive a grade of F in that course.

\*Note: Students seeking a double degree will be assessed tuition based on the higher rate.

### Student Fees

The student activity fee for students taking only one course (1-5 credit hours) is \$23.22 per semester. All other students pay \$140.05 per semester. Fees are assessed by the University of Colorado Student Union (UCSU). In addition, all students are assessed a nonrefundable \$4.00 Student Information System fee. Also, students registered for 4 or more credit hours are assessed an athletic fee of \$33.00 each semester by the Board of Regents.

### Extra Tuition Surcharge

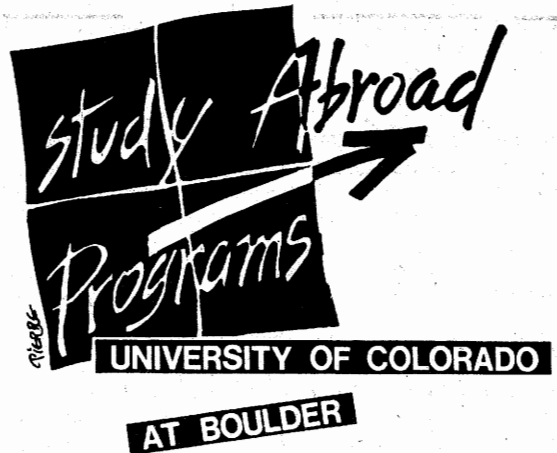

There will be a surcharge for every credit hour over 17 you register for and retain past February 2, 1990. See chart at left.

### Matriculation Fee

There is a one-time nonrefundable matriculation fee of \$15 for new degree students that is assessed at the time of initial registration. The matriculation fee covers processing charges for adding and dropping courses and for official transcripts. A nondegree student who is admitted to degree status will be assessed a \$15 matriculation fee at the time of the student's first registration after the change has been made.

### Faculty and Staff Tuition Benefit

Permanent faculty and staff are entitled to 1-6 free credit hours per academic year (summer through spring). Student fees will not be charged for those courses in which a faculty or staff member enrolls between January 17 and February 2, 1990. If a faculty or staff member registers early and pays tuition for the course(s), student fees will be charged. Please see page 9 for faculty and staff registration information.

## Paying Your Bill

Your schedule/bill will reflect the total number of credit hours in which you have been enrolled as well as tuition, fees, housing, and other charges. It is your responsibility to pay the bill by 4:00 p.m. on January 26 (postmarks are not honored) or to arrange to have one-half of it deferred. Even if the bill has been misplaced or you didn't receive a bill, you are responsible for paying the amount owed by the due date. Other things to keep in mind include:

- After February 2, there will be no tuition adjustment for courses dropped. However, tuition for classes added will be assessed and billed.
- Tuition for a no credit course is the same as for a course taken for credit.
- Tuition for a 0 credit-hour course is charged at the rate of a 1 credit-hour class.
- All students taking one course of 5 or fewer hours will be assessed a base fee of \$23.22 and will receive a no-fees sticker for their ID. These students will not be allowed to use Wardenburg services, unless they pay either a one-time user fee or the established ineligible user fee. They cannot use the Recreation Center and other services without payment. Doctoral students taking thesis hours only, master's candidates for degree, approved doctoral candidates, and fifth-year pharmacy students will pay only the base fee.
- Mandatory UCSU student fees of \$140.05 are considered as important as tuition and may only be waived due to extraordinary circumstances. If fees are waived, students must still pay the base fee of \$23.22. Students who wish to petition for a waiver must do so by 4:00 p.m. on January 26. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. In addition, students covered by the student health insurance cannot have their full student fees waived.
- All students enrolled for 6 credit hours or more will automatically be assessed \$273.00 per semester for student health insurance. Students who already have adequate health insurance coverage or personal finances to cover medical expenses may complete a waiver to remove this charge from their bill. Waivers must be received by February 2 to be honored. (Waivers submitted in fall 1989 will extend through spring semester 1990.)

Students are not required to have the insurance plan to use Wardenburg Student Health Service. However, the plan does provide first-dollar coverage for any eligible medical costs incurred at Wardenburg and provides 80 percent coverage after a \$200 deductible is satisfied at other medical facilities. Insurance is also available for spouses and children.

If you are taking one course of 5 or fewer semester hours, supplemental health insurance will be available at the same price full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. Exception: approved doctoral candidates requesting student group insurance will be charged full price for the insurance plus the Wardenburg Student Health Service fee of \$70.93.

### Deferred Tuition

You may defer payment of one-half your tuition and fee bill until March 9, 1990. To do so, you'll need to pay the first

half of the bill and complete a deferred tuition application on or before January 26. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge. If you have any doubt at all about being able to pay your full bill by the tuition due date, please take advantage of this option.

To qualify for deferred tuition, your total bill at the time of application must exceed \$100, and you must be able to pay at least one-half of the full amount by January 26. The deferred amount will be calculated on the account balance at the time of deferment. Deferred tuition applications will be available at the Events/Conference Center beginning January 16.

### Failure to Make Payment in Full by the Deadline

Failure to make the required payment on each due date may result in any or all of the following actions:

- a. You may be disenrolled from the University, and will be ineligible for all University services (see Disenrollment Policy below).
- b. No grades will be issued for courses in progress unless you are reinstated within the prescribed deadlines.
- c. No transcripts, diplomas, or certification materials will be issued for you until your bill is paid in full.
- d. A late payment charge in addition to a service charge on the unpaid balance (1 percent per month) will be assessed according to the following schedule:

Balance Due	Late Charge
\$ 1-\$99.99	\$ 5
100-299.99	10
300-499.99	20
500-699.99	30
700-899.99	40
900 and over	50

- e. A late registration fee may be charged if you have been financially disenrolled (see Disenrollment Policy below).

### Disenrollment Policy

When students fail to meet their entire tuition and fee obligations by March 9, 1990, official notification of disenrollment will be mailed by the Office of the Registrar. The letter will inform students of reinstatement procedures.

In order to be reinstated to the University, students who are disenrolled must pay late and service charges as well as a late registration fee of \$20 to \$30.

Students who are disenrolled and who fail to reinstate remain liable for full payment of all unpaid charges, including tuition and fees.

## Other Registrations

### Concurrent Registration

If you plan to take at least one course at Boulder in the spring but cannot obtain course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their adviser's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Business students may only exercise the concurrent registration option if they are in their graduating semester. Those business students who are two semesters from graduation and who cannot obtain a course necessary to complete a prerequisite sequence may also be allowed to use this option. The course must be required for graduation and must not be offered on the Boulder campus, or the course must conflict with another required course in which the student is already enrolled. Other students wishing to take a business course concurrently must obtain the signature of the dean of Boulder's College of Business and Administration.

Concurrent registration forms and instructions will be available at the registrar's office in Regent Administrative Center between 9:00 a.m. and 4:00 p.m., beginning January 8, but you cannot register concurrently until after drop/add has begun on the other campus. Boulder students will pay Boulder tuition rates for all classes.

### Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Please check with your dean's office for approval. (Arts and sciences students may not register at the Denver or Colorado Springs campus except in the summer.)

### On-Campus Registration

New freshman, new transfer, new graduate, and readmitted students who have not registered for fall before January 9 may pick up registration materials in the UMC Ballroom on January 10 and 11 between 8:30 a.m. and 5:00 p.m. Telephone registration must be completed by 5:00 p.m. on January 11.

**Note:** This registration does not apply to students who must attend a required orientation program.

### Registration for Faculty and Staff

All permanent faculty and staff members at the University may take 1 to 6 free credit hours each year. The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time status. Enrollment usually occurs on a space-available basis in conjunction with late registration, unless the faculty or staff member wishes to register early. In that event, registration takes place via CU Connect in November and December, and full tuition and fees are charged.

Faculty and staff members who wish to take a course as nondegree students will need to take a copy of their current personnel action form and a nondegree student application to the Bursar's Office, Regent 150, by December 8. Office hours are 9:00 a.m. to 4:00 p.m. (Faculty and staff who were enrolled as nondegree students on the Boulder campus during fall semester 1989 will be set up automatically for spring 1990, although application for free credit hours must be made separately each semester.)

Faculty and staff students applying to a degree program should follow the regular application procedures established by the Office of Admissions. However, in order to apply for the free credit hours, the application form and current PAF should be submitted to the Bursar's Office by December 8. After one semester as new degree students, faculty and staff become continuing students and are set up automatically each semester to register for courses, although application for any of the remaining free credit hours must be made separately each semester.

For those applying for the tuition benefit, instructions may be obtained from the Bursar's Office, Regent 150. Student activity fees will not be charged if registration takes place during final schedule adjustment, with the exception of the \$4.00 SIS fee that every student must pay.

Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department.

## Academic Matters

---

### Academic Integrity

A university's intellectual reputation depends on the maintenance of the highest standards of intellectual honesty. Commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado.

Breaches of academic honesty include cheating, plagiarism, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

**Cheating.** Cheating may be defined as using unauthorized materials or giving or receiving unauthorized assistance during an examination or other academic exercise.

**Plagiarism.** Plagiarism may be defined as the use of another's ideas or words without acknowledgment.

**Sanctions.** Breaches of academic honesty will result in disciplinary measures that may include a failing grade for a particular assignment, a failing grade for a particular course, and/or suspension for various lengths of time or permanent expulsion from the University.

Breaches of academic honesty are under the purview of each college and school pursuant to the Laws of the Regents, Article V, Section C. For further information and for individual college and school policies, students should consult with their dean's office.

### Academic Standing

Generally, to be in good undergraduate academic standing at CU-Boulder, you must maintain a 2.00 GPA (C average) or better. If you cannot maintain this average, a scholastic stop may be placed on your registration.

Graduate students are expected to maintain a 3.00 GPA (B average) or better.

Please check individual college and school policies in the University catalog for information on specific GPA requirements and on scholastic stops.

### Final Examination Policy

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the *Schedule of Courses* each semester. While it may be appropriate to not give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students should assume that an examination will be given.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible educational experience for students.

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or for additional instruction.

2. The final examination in a course should be given as scheduled and not at other times, even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

### Grade Reports

Your spring semester 1990 grades will be sent to your permanent mailing address approximately three weeks after the end of finals. They will also be available for pickup in Regent 125 during the first two weeks of summer classes.

### Graduating Students

If you're planning to graduate this coming year, please check with your college or school dean's office for graduation application deadlines and notification procedures. Some colleges and schools require consultation in the semester preceding the semester of graduation.

### Rights and Privacy—Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory information." Such information may be released to anyone unless students inform the Office of the Registrar that they do not wish the information released.

"Directory information" includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, students must go to the Office of the Registrar before February 2 to request that directory information about them be withheld. Once requested, nondisclosure of directory information will remain on their record until they are no longer enrolled at the University.

Students must have requested withholding of directory information before September 15, 1989 to prevent their name and address from appearing in the *1989-90 Directory*.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and at the Office of the Registrar, Regent 125, (303) 492-3066.

### Transcripts

If you would like a copy of your CU academic record for advising purposes, you may call 492-6907 to request that an unofficial transcript be sent to any department on campus.

An official transcript containing your complete academic record (with the embossed seal of the University) can be requested in writing from the Office of the Registrar. There is no charge, but it usually takes 5 to 8 days to process. Rush transcripts (processed within a day) cost \$3.

## Here to Serve You

### Continuing Education

Both credit and noncredit classes are offered through Boulder's Division of Continuing Education, and many credit classes may be used to supplement your degree program. Almost all classes are offered in the evenings or by correspondence study. There is a limit to the number of continuing education credits that may transfer to your degree program, and eligibility requirements vary among the different colleges and schools. Registration dates for SAVE (space-available voluntary education) will be announced at a later date. For information, call Continuing Education at (303) 492-5148. Tuition payment is due upon enrollment.

**Note:** Boulder evening class registration begins December 11.

### High School Enrollment Program

Local high school students with outstanding academic records can enroll at CU-Boulder, and the credit they earn can be applied to their high school graduation or to college-level transfer credit. Registration is carefully guided and must take place in person. Please call the Office of Admissions at (303) 492-6301 for further information.

### Nightwalk/Nightride

Please don't walk home alone at night! UCSU provides two volunteer services that will get you home safely. Nightwalk provides teams of walkers who will accompany you anywhere on campus and within a two-block radius of campus. Nightwalk operates 7:00 p.m. to midnight, Sunday through Thursday.

The Nightride van will take you anywhere within the Boulder city limits. Nightride operates 7:00 p.m. through midnight, seven nights a week.

To use Nightwalk or Nightride, come to the east lobby of Norlin Library, or call 492-SAFE to be picked up.

### Student Conduct

The standards of conduct and the procedures for implementing them have been developed by the Student Conduct Advisory Board composed of students, faculty, and staff.

In establishing these standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community. The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone share in the commitment to protect the integrity and personal safety of each member of the campus.

In most cases, if an individual is found in violation of one of the standards of conduct, the University's primary interest will be to help the individual avoid further inappropriate behavior and become a responsible member of the University community. However, if an individual fails to correct inappropriate behavior, or if the violation of the standards of conduct is serious, the University will consider taking disciplinary action that may include suspension or permanent expulsion. Behavior that threatens the safety or violates the basic purpose of the University community will not be accepted.

Any time students have questions regarding the application of the standards of conduct, or feel that another person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to contact the Office of Student Conduct, Willard 223, (303) 492-5601.

## A Few Last Things

### Changing Your Major

If you would like to change your major or declare a major, simply go to the appropriate department and inquire about their procedures. Your change will be entered on line into the system as soon as it has been approved by the department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT). Please see that section in this schedule or in the catalog.

### Double Degrees

Students who are working toward two degrees (for example, obtaining one degree from arts and sciences and one from business) should verify that both programs are entered on the student information system. Check with your dean's office; if you are not on the system, you may be closed out of required classes during registration. If you have questions concerning your double degree program, check with one of your deans.

### Intrauniversity Transfer (IUT)

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you are waiting to hear about the status of your IUT application, please check with your new college or school to find out how you should proceed with registration.

### Residency

If you're an out-of-state resident seeking in-state classification for spring 1990, you should turn in your residency petition by 4:30 p.m., December 29, 1989, to the Tuition Classification Office in Regent 4B (Campus Box 68, University of Colorado at Boulder, Boulder, CO 80309-0068).

Petitions will still be accepted through January 19, but you may be subject to enrollment levels and are unlikely to receive a decision by the tuition payment deadline. Adjustments will be made when applicable.

Students submitting a completed petition by November 1, 1989, will receive a decision by the deposit payment deadline. If you are a financial aid recipient seeking in-state classification, be sure to submit your petition by November 1 to make sure your award is processed in time for spring. Complete information regarding the requirements for in-state status is available from the Tuition Classification Office, Regent 4B, telephone (303) 492-6868.

### Time Out Program

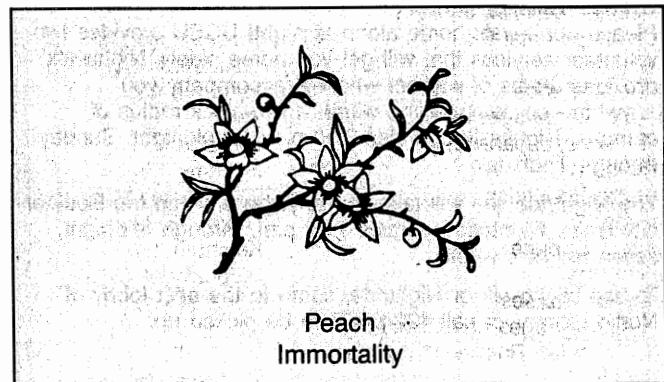

For those who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you return, providing you meet registration and deposit deadlines. An application fee of \$30 is charged. More information is available from the Office of the Registrar, (303) 492-8673.

### Withdrawal Procedures

If you anticipate withdrawing from CU-Boulder, please do so officially: it will save you time, money, and hassle. If you need to withdraw from spring semester 1990 before January 18, you can fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, University of Colorado at Boulder, Boulder, CO 80309-0007. You may also withdraw by dropping all of your courses via CU Connect before January 18.

Beginning January 18, you must complete a withdrawal interview. The interviewer will discuss the procedures for withdrawing, as well as your reasons for leaving. You won't need to drop your classes; that will be done for you. If you don't officially withdraw, a failing grade may be recorded for all of your classes. Remember, deadlines and rules for withdrawing may vary with each college and school.

Withdrawal	Refund or Assessment Schedule
<b>November 13– December 29 4:00 p.m. (continuing students only)</b>	Full refund of registration (not confirmation) deposit (\$100 in-state or \$300 out-of-state).
<b>December 30– February 2</b>	Full amount of registration or confirmation deposit, even if waived, retained by the University.
<b>February 3– February 16</b>	Amount of registration or confirmation deposit retained <b>or</b> 40 percent of full tuition and fees assessed, whichever is greater.
<b>February 17– March 2</b>	Amount of registration or confirmation deposit retained <b>or</b> 60 percent of full tuition and fees assessed, whichever is greater.
<b>March 3– May 7</b>	No refund. 100 percent of tuition and fees due.

# Course Listings

## Understanding Course Listings

Due to electronic typesetting limitations, the following course listings do not run across two pages. Instead, they are meant to be read one page at a time, first the left column and then the right column. Page and column markers have been added to help you follow the listings.

page 24, column A

page 24, column B

Please note the following abbreviations at the top of each page of courses:

- Call No.** The **five-digit number** used for requesting a certain class or a specific section of a course via CU Connect
- Subj.** The department name abbreviated to four letters
- Course #/  
Credits** The course number and credit hours for the class
- Course Title** This is often abbreviated. Refer to the catalog for the complete title and course description.
- Sec. No.** The section number; it means the same as the lecture number. When an L or R precedes the number (L004 or R010), it indicates a laboratory (lab) or a recitation (rec); either is taken along with the lecture. Some classes have all three: lecture, lab, and recitation.
- Time/Days** Meeting time and days of the class (T is Tuesday, R is Thursday, and U is Sunday)
- Bldg./Rm.** The building name and room number (see the list on page 14 for building abbreviations)

**Instructor** The instructor's name, when available

**Max. Enroll.** The approximate class size

When selecting your courses, remember that some may not be available due to college or school restrictions or class size limitations.

Course notes (including prerequisites and/or corequisites) are included when needed at the very beginning of a course listing, just under the first line.

## Understanding Course Numbers

Courses are numbered according to the following guidelines:

- |           |  |
|-----------|--|
| 1000-2999 | Lower-division courses generally appropriate for freshmen and sophomores   |
| 3000-4999 | Upper-division courses primarily for juniors and seniors   |
| 5000-5999 | Courses primarily intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual professors) |
| 6000-8999 | Courses open to graduate students only; see individual department offices for special provisions   |

If you used the previous three-digit course numbering system, you can find a translation table of old numbers and their four-digit equivalents in the *University of Colorado at Boulder Catalog*.

## Mathematics

GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS, PLEASE CONSULT THE DEPARTMENT FOR FURTHER INFORMATION.

### I. Module Courses

MATHEMATICS COURSES NUMBERED 1000-1100 ARE ONE CREDIT FLEXIBLY PACED MINI COURSES, OR MODULES. SEVERAL MODULES MAY BE GROUPED TOGETHER TO FORM COMPLETE COURSES OF INSTRUCTION IN COLLEGE ALGEBRA, TRIGONOMETRY, AND MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES. STUDENTS WILL NORMALLY REGISTER FOR A COMPLETE GROUP OF MODULES IN THE DESIRED SUBJECT AREA. IN THE MODULE PROGRAM, LEARNING IS INDIVIDUALLY PACED, WITH MULTIMEDIA INSTRUCTIONAL SUPPORT; NO MEETING PLACES OR TIMES ARE SCHEDULED.

COMPLETE DETAILS OF THE MATHEMATICS MODULE PROGRAM ARE AVAILABLE AT THE MATH MODULE OFFICE, ECST 0-03. PHONE NUMBER IS 492-2317.

MATH 1000, 1010, AND 1020 ARE SELF-PACED MODULES IN COLLEGE ALGEBRA. THESE THREE COURSES TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (3 CREDIT HOUR) COURSE IN COLLEGE ALGEBRA.

57017	MATH	1000 1	FUNDAMENTAL/COLL ALGEBRA	001	TBA			1500
54619	MATH	1010 1	TECHNIQUES/COL ALGEBRA	001	TBA			1500
54622	MATH	1020 1	LOGARITH/EXPONENT FUNCTS	001	TBA			1500

MATH 1030 AND 1040 ARE SELF-PACED MODULES IN COLLEGE TRIGONOMETRY. THESE TWO COURSES TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (2 CREDIT HOUR) COURSE IN COLLEGE TRIGONOMETRY.

57010	MATH	1030 1	NUMERICAL TRIGONOMETRY	001	TBA			1500
57011	MATH	1040 1	ANALYTICAL TRIGONOMETRY	001	TBA			1500

MATH 1050 THROUGH 1100 ARE SELF-PACED MODULES ESPECIALLY FOR STUDENTS MAJORING IN BUSINESS OR SOCIAL SCIENCES. MATH 1050, 1060, AND 1070 TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (3 CREDIT HOUR) COURSE IN FINITE MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES. MATH 1080, 1090, AND 1100 TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (3 CREDIT HOUR) COURSE IN CALCULUS FOR BUSINESS AND SOCIAL SCIENCES.

**University Writing Program**

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 1000-LEVEL, YOU SHOULD ENROLL IN A SECTION OF UWRP 1150 WHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY WRITING PROGRAM. SHORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER DIRECTED WRITING (UWRP 1050), EXPOSITORY WRITING (UWRP 1150), OR ARGUMENTATIVE WRITING (UWRP 1250) ACCORDING TO THE FOLLOWING GUIDELINES:

- IF YOU HAVE PREVIOUSLY TAKEN AND PASSED, WITH AT LEAST A C, A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN THE NEXT HIGHER COURSE. (FOR EXAMPLE, IF YOU HAVE TAKEN AND PASSED UWRP 1150, YOU WILL BE PLACED IN UWRP 1250.) HOWEVER, FOR THE PURPOSE OF ADVISING, YOU WILL BE REQUIRED, DURING THE FIRST DAY OF CLASS, TO WRITE DIAGNOSTIC ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL.
- IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN A COURSE APPROPRIATE TO YOUR SKILL LEVEL, AS DETERMINED BY TWO DIAGNOSTIC ESSAYS THAT YOU WILL BE REQUIRED TO WRITE DURING THE FIRST DAYS OF CLASS. PLACEMENT WILL BE COMPLETED BEFORE THE END OF THE DROP/ADD PERIOD. IF YOU DO NOT WRITE BOTH DIAGNOSTIC ESSAYS, YOU WILL BE ADMINISTRATIVELY DROPPED FROM THE COURSE.

NOTES:  
 \* YOU WILL NOT BE ALLOWED TO ADD UWRP COURSES AFTER FRIDAY, JANUARY 19, UNLESS YOU HAVE DEPARTMENTAL APPROVAL.  
 \* UNIVERSITY WRITING PROGRAM COURSES DO NOT FULFILL THE HUMANITIES REQUIREMENT ON THE COLLEGE LIST, UNLESS YOU TOOK A S 100 DURING OR BEFORE THE FALL SEMESTER OF 1985.
