What's Special about Boulder in Summer

Life at the University of Colorado at Boulder takes on a special quality in the summer. The pace is more relaxed; classes are smaller and allow for a closer learning community than during the regular academic year. The summer weather is dry and sunny, and recreation abounds in the mountains and plains of the Colorado Front Range. Also, two of the most famous summer festivals—the Colorado Shakespeare Festival and the Lyric Theatre Festival—provide opportunities for study as well as summer entertainment.

Special classes are offered this summer to pique your interest in women studies; world cultures; dance and theatre; in European and Japanese languages; and in international business. Descriptions of these special classes begin on page 7. You can also choose from more than 500 other summer courses, earning credit toward a degree in almost every area of study. For days, times, and credit hours of these special and regular summer courses, see the schedule of courses beginning on page 61.

If you're from out of state, you'll be able to discover Boulder during the summer—its recreational and cultural activities, along with opportunities for study and personal growth. If you're from CU-Boulder, you'll be able to fulfill core curriculum requirements in an atmosphere that's comfortable. If it's more than summer, it's Boulder!

Colorado Shakespeare Festival

Now entering its 38th season, the Colorado Shakespeare Festival has become synonymous with summer in Boulder. Running from June 23 to August 13, the festival presents four Shakespearean plays in repertory. The 1995 season presents Hamlet, Coriolanus,

As You Like It, and
Rosencrantz and
Guildenstern Are Dead.

SUMMER SESSION AT CU-BOULDER takes place on our 600-acre campus, in the heart of Boulder. Our scenic location is dominated by the Flatirons, dramatic rock formations along the foothills of the Rocky Mountains that have become our most famous landmark. Summer session is an integral part of the year-round program at CU-Boulder, and we welcome your application.

The University operates on a semester system, with two 16-week academic semesters during the fall and spring. The 10-week summer session is composed of 5-, 8-, and 10-week terms, as well as a few intensive classes of 1 to 4 weeks. Dates of the various 1995 summer terms are listed in the calendar on pages 2-3 of this catalog.

Summer students at CU-Boulder display a tremendous variety of interests that can enrich your own experience. Health and fitness are important aspects of the Colorado lifestyle, and whether you're interested in good nutrition or mountain biking, you can find others on campus and in town who are like-minded. If you enjoy the arts, you will find other students painting, performing, and sharing their knowledge in these areas, including the Colorado Shakespeare Festival, the Lyric Theatre Festival, and the Colorado Dance Festival. And with more than 500 courses to choose from, life at CU-Boulder in the summer is full, rich, and diverse.

ABOUT THE UNIVERSITY

A major research university campus with an enrollment of approximately 25,000 students, CU-Boulder offers a broad curriculum in a variety of fields from the baccalaureate through postdoctoral levels. Most faculty, including full professors, teach both undergraduate and graduate courses. During the academic year, the following colleges and professional schools offer more than 2,500 courses in over 105 fields of study:

- College of Architecture and Planning
- College of Arts and Sciences
- College of Business and Administration
- College of Engineering and Applied Science
- College of Music
- School of Education
- School of Journalism and Mass Communication
- School of Law
- Graduate School
- Graduate School of Business Administration

Other Resources

Many teaching and research programs on campus are closely integrated with other facilities in the Boulder area, including the National Institute of Standards and Technology (NIST), the National Center for Atmospheric Research (NCAR), and the National Oceanic and Atmospheric Administration (NOAA), among others. Through government grants, scientists from these institutions collaborate formally and informally on research with professors from CU-Boulder, and Boulder students are hired in work-study and student assistant positions. Some employees of these organizations also hold adjunct positions and teach classes at the University.

For More Information

For more information about academic programs, degree requirements, college and school regulations, course offerings, and campus services and facilities, consult the *University of Colorado at Boulder Catalog*. Admitted students receive a free copy of the catalog; others may call (303) 492-7344 to order a copy.

ABOUT BOULDER

An engaging community of approximately 93,000 people, Boulder combines a cosmopolitan atmosphere with the flavor of a small mountain town. A walk down the open-air Pearl Street Mall reveals many of the town's numerous restaurants and outdoor cafes, specialty shops, street musicians, and bright flower beds. Chautauqua Park, located in the foothills overlooking Boulder, offers a summer concert series, miles of hiking trails with dramatic views of the mountains and plains, and is host to an annual Fourth of July outdoor musical celebration.

Peaks and Prairies

Boulder, 5,400 feet in elevation, has wonderful views of both snow-capped peaks and expansive prairies. Boulder County encompasses five ecological zones, from plains and grassland to alpine tundra. Within and near the city limits of Boulder are miles of hiking trails that wind among pines and under the steep faces of the Flatirons. And the mountains just beyond Boulder are host to over 50 peaks that tower above the rest of the state at more than 14,000 feet.

Outdoor Recreation

Outdoor recreation is a way of life in Boulder. Summertime possibilities range from hiking and biking to exploring old mining towns and sailing on mountain lakes. A good place to begin is CU-Boulder's Outdoor Program, offering sports enthusiasts organized instruction and guided trips in many activities, including backpacking, rock climbing, and rafting. And while in Boulder you'll be able to explore much of what is special about Colorado in the summer—just read through the information in the margins of pages 6-17 to get a feel for the highlights.

A Great Location

Boulder is situated where the Great Plains meet the Rocky Mountains, only 20 miles from the Continental Divide and 30 miles from Denver. This superb location gives Boulder a dry, sunny climate, and the advantages of being close to both the metropolitan area and the mountains offer tremendous flexibility to you in planning your summer.

A local shuttle bus in Boulder called "the Hop" travels between the downtown Pearl Street Mall area, Crossroads, and the campus every 10 minutes during the weekdays. Boulder is also connected to Denver by a public bus system that offers reduced fares to summer students.

Denver can be reached easily by traveling on U.S. 36, also known as the Denver-Boulder Turnpike. Denver International Airport is served by most major air carriers and is located northeast of Denver, about one hour from Boulder by car or shuttle service.

CAMPUS TOURS

If you're thinking about coming to Boulder for the summer, we invite you and your family to visit us and learn about CU-Boulder firsthand. Walking tours led by student guides start at the University Memorial Center (UMC) each weekday (except holidays) at 10:30 A.M. and 2:30 P.M. Information sessions with an admissions representative are also offered each weekday at 1:30 P.M. No reservations are needed.

Combined Saturday tours with information sessions are held *by reservation only* on selected Saturdays in October, November, March, April, July, and August. To make a reservation for a Saturday tour and information session, and for room locations, please call the Office of Admissions at (303) 492-7884.

Lyric Theatre Festival

The 1995

Colorado Lyric Theatre Festival, running June 30-July 16, features full-scale productions of Verdi's La Traviata and Cole Porter's Kiss Me Kate.

For further information, contact Professor Dennis Jackson, College of Music, Imig Music Building N1B69, CU-Boulder, Campus Box 301, Boulder, CO 80309-0301, telephone (303) 492-6576.

Colorado Dance Festival

Artists from a variety of cultural backgrounds gather at CU-Boulder from July 1 to July 31. This special festival offers an intensive program of classes, seminars, workshops, lectures, panel discussions, video showings, and performances. Technique classes, as well as special workshops in composition and improvisation, explore some of the most innovative dance in America.

For further information, contact the Colorado Dance Festival, Dept. A, PO Box 356, Boulder, CO 80306, telephone (303) 442-7666.

PREPARING FOR SUMMER SESSION

CHECKLIST FOR SUMMER STUDENTS

If you're a student who is not currently enrolled at CU-Boulder, and you're thinking of studying in Boulder this summer, you will need to:

- ◆ *decide which classes you'd like to take*
see the descriptions of special summer classes, pages 7-17, and the schedule of courses, pages 61-85
- ◆ *apply for admission as a nondegree student*
see the text on page 18 and the application on page 21 (admission is substantially easier as a nondegree student)
- ◆ *arrange for housing in Boulder*
see page 43; the application for on-campus housing is on page 45
- ◆ *register for your classes*
read the information beginning on page 23, then fill out your confirmed registration form on page 34 and call in your classes

If you already attend CU-Boulder, follow these easy steps to summer study:

- ◆ *decide which classes you'd like to take*
see the descriptions of special summer classes, pages 7-17, and the schedule of courses with core curriculum classes noted, pages 61-85
- ◆ *register for summer classes*
see the information beginning on page 25 and fill out the confirmed registration form on page 34

SPECIAL SUMMER COURSES

Featured courses on some critical issues of our time can challenge you this summer. Learn more about gender issues, world cultures, the media, interactive foreign language training, the dynamics of international finance, and the process of bringing Shakespeare alive in production and performance. Special summer courses will enrich your creative, professional, and cultural interests.

But these featured courses are only a small sample of the learning opportunities you'll find at Boulder this summer. You'll also find:

- ◆ over 500 courses in more than 70 departments;
- ◆ courses that count towards major and core requirements; and
- ◆ a variety of terms to suit your work or vacation schedule.

After you read through some of the special courses offered this summer at CU-Boulder, check the schedule of courses on pages 61 through 85 for specific dates and times for all summer classes.

Longs Peak

One of the state's highest mountains, Longs Peak enjoys an imposing position along the Colorado Front Range. Easily visible from Boulder, the 14,255-foot peak offers summertime recreation to thousands of mountaineers as well as hardy hikers, who work their way up the eight-mile, one-way trail for the view from atop the legendary mountain. No easy hike, hopeful summitters must use their hands as well as their feet, and enjoy the vista before the customary nighttime lightning storms hit the peak.

SPECIAL SUMMER COURSES: WOMEN STUDIES

STUDIES OF LA CHICANA

Term A (June 5–July 7)

This course (CHST 3135/WMST 3135) analyzes the interrelationships among class, race, gender, and sexuality and explores how they shape the experiences of Chicanas in the United States. Students attempt to understand these categories of experience as interactive systems, not just as separate experiences or variables in sociological equations. The course is divided into three parts.

Part I focuses on personal reflections of the ways class, race, gender, and sexuality shape individual and collective experiences of Chicanas. Part II focuses on class, race, and gender as distinct but interlocking systems of experience. Part III examines how class, race, gender, and sexuality shape the organization of social institutions and the impact they have on Chicana lives. The course concludes by looking at Chicana feminism as a tool for social liberation. Oppression generates resistance; thus, the meaning of activism—and its connection to the conditions in which Chicanas live—is explored.

For further information, contact the University of Colorado at Boulder, Center for Studies of Ethnicity and Race in America (CSERA), Ketchum 30, Campus Box 339, Boulder, CO 80309-0339, telephone (303) 492-8852.

WOMEN'S INTERNATIONAL HUMAN RIGHTS

Term A (June 5–July 7)

This course (WMST 3700) explores the development of women's rights and nondiscrimination within the context of the contemporary international human rights movement. The treatment of women's rights within the UN system and regional organizations with special emphases on specific issues such as violence, torture, refugees, religion, traditional practices, and development is examined.

For further information, contact the University of Colorado at Boulder, Women Studies, Cottage #1, Campus Box 246, Boulder, CO 80309-0246, telephone (303) 492-8923.

ASIAN AMERICAN WOMEN WRITERS

Term A (June 5–July 7)

A selection of contemporary novels, short stories, drama, and poetry written by Asian American women is the focus of this class (WMST 3262/ENGL 3262). Students discuss major critical and theoretical approaches to the writing of Asian American women including feminism, multiculturalism, orientalism, and post-colonialism. Writing exercises allow students to investigate the relationships among authorial voice, literary representation, and gender/ethnic identity, while incorporating a close reading of all the texts and clearly distinguishing among various Asian American experiences.

For further information, contact the University of Colorado at Boulder, Women Studies, Cottage #1, Campus Box 246, Boulder, CO 80309-0246, telephone (303) 492-8923.

HISTORY OF THE FEMINIST MOVEMENT IN THE UNITED STATES

Term B (July 11–August 11)

The development of feminist thought in this country is the focus of this course (WMST 2500). Fundamental to this exploration is an understanding of the multiplicity of meanings embedded in the words "feminist movement." Some questions addressed include: What is the feminist movement? Who defines the movement? How does any movement change over time? Students also study the women involved in feminist movements in the nineteenth and twentieth centuries and

Boulder Flatirons

Amazing but true, Colorado, the state that sits more than a mile above sea level, used to be under water. During prehistoric times Colorado was part of a huge gulf, and the sediments from that water built up layer by layer on what was then the seabed floor. When the waters receded, Colorado was left with beautiful formations of sandstone. One of the more famous examples in Colorado is the Boulder Flatirons. Jutting from the foothills just above the city, these sandstone giants frame the sky, a stark contrast to the mountains behind them and the high plains before them.

Buffaloes

Once roaming
the plains in gigantic herds, the
buffalo was all but hunted
to extinction in the nineteenth
century. Now the spirit of the
buffalo and its rugged beauty

live on at the University of
Colorado. Chosen as the mascot
through a contest held in 1934,
the "Buffaloes" beat out
hundreds of other entries,
including the "Yellow Jackets,"
the "Frontiersmen," and
the "Puddle Jumpers."
Now, thanks to people across
the U.S., the buffalo is making
a comeback on private
and government lands
across Colorado.

their efforts to bring about social change through their activism in suffrage, abolition, anti-lynching, social housekeeping, women's clubs, labor organizing, reproductive rights, Black Power, the New Left, and lesbian separatism.

For further information, contact the University of Colorado at Boulder, Women Studies, Cottage #1, Campus Box 246, Boulder, CO 80309-0246, telephone (303) 492-8923.

WOMEN AS CREATORS OF CULTURE

Term B (July 11–August 11)

Women's creativity is the focus of this course (WMST 3700). Moving beyond the image of women as procreators, class participants consider such questions as: Through what means and media are women creatively fostering, sustaining, and transforming culture(s)? How are women drawing on their cultural heritage and contexts to offer new approaches for understanding the lives and thoughts of women? In what ways are women responding to, critiquing, and resisting oppressive portrayals of themselves in culture(s)? Active student participation in the form of discussion, reading, writing, and analysis is required.

For further information, contact the University of Colorado at Boulder, Women Studies, Cottage #1, Campus Box 246, Boulder, CO 80309-0246, telephone (303) 492-8923.

WOMEN AND FILM

Term A (June 5–July 7)

Women and Film (FILM 3013) examines the roles, representations, and contributions of women both in Hollywood film and in women's "countercinema," as it offers alternatives to the traditional form and content of commercial film. In making an historical survey beginning in the silent era, students study American genres that feature women prominently—such as melodrama and film noir—and also consider works by key women filmmakers. Throughout the course, students read contemporary feminist film theory and criticism, chiefly from the psychoanalytic/structuralist school.

For further information, contact the University of Colorado at Boulder, Film Studies Program, Hunter 102, Campus Box 316, Boulder, CO 80309-0316, telephone (303) 492-5105.

SPECIAL SUMMER COURSES: WORLD CULTURES

THEMES IN AMERICAN CULTURE: 1865 TO THE PRESENT

Term B (July 11–August 11)

“Rich,” “complex,” and “extraordinarily interesting” are just a few of the words that can be used to describe the study of American culture. In this course (AMST 2010), students examine the beliefs and values of the American people and identify basic issues such as individualism, democracy, race, gender, and class. Art, literature, music, and film are used to further understand historical events and to trace developments in American culture from the end of the Civil War to the present day.

For further information, contact the University of Colorado at Boulder, American Studies Program, Hellems 335, Campus Box 223, Boulder, CO 80309-0223, telephone (303) 492-8311.

AMAZONIA

Term A (June 5–July 7)

This course (ANTH 1130) studies Amazonian tribal peoples of South America, covering their histories, cultural attributes, and contemporary problems. The class begins with an overview of Amazonia, including its geography, natural and human resources, and history, and then examines the anthropological field research conducted in the region.

Subsistence patterns, kinship, social organization, political processes, and magic and religion among Amazonia’s tribal people are also explored. Class participants discuss the grave problems faced by the Amazonian people as they struggle to survive in a modernizing world.

For further information, contact the University of Colorado at Boulder, Department of Anthropology, Hale 350, Campus Box 233, Boulder, CO 80309-0233, telephone (303) 492-2547.

GANDHI

Term B (July 11–August 11)

M.K. Gandhi (1869-1948) was one of the extraordinary religious and political leaders of the twentieth century. He drew inspiration from Christianity and Judaism as well as from his native Hinduism and Jainism to fashion a distinctive lifestyle and social program. This course (RLST 3250) examines Gandhi’s life and teachings, especially his ideal of human community, economic well-being, and political order. Special attention is given to the implications of these ideals for an environmental ethic.

For further information, contact the University of Colorado at Boulder, Department of Religious Studies, Woodbury 308, Campus Box 292, Boulder, CO 80309-0292, telephone (303) 492-8041.

Colorado snow

Colorado snowfall, when combined with the height and breadth of the Rocky Mountains, gives this state some of the best skiing in the country. The same snow that gives Coloradans the opportunity to experience winter in the Rockies also accounts for one-quarter of the entire water supply for the United States, and has led to the foundation of the National Ice Core Laboratory. This lab studies ice cores from Greenland and Antarctica that tell researchers what Earth’s climate was like thousands of years ago. This same information may also give researchers clues about how the world’s climate could change in the future.

AUSTRALIAN RELIGIONS

Term B (July 11–August 11)

This study (RLST 3510) of the religions of Aboriginal Australia focuses on the Arrarnta of the Central Desert, with particular attention given to the relationship between their religion and the landscape. Class participants also examine the history of the development of the region by non-Aboriginal Australians, the impact of Aboriginal studies on the history of modern Western thought, and the effect of academic studies on Aboriginal religions and cultures.

For further information, contact the University of Colorado at Boulder, Department of Religious Studies, Woodbury 308, Campus Box 292, Boulder, CO 80309-0292, telephone (303) 492-8041.

INTRODUCTION TO HUMANITIES

Term B (July 11–August 11)

Introduction to Humanities (HUMN 1020) offers a concentrated study of Western literature and art from the seventeenth to the twentieth centuries. Students spend three hours per week in large lectures in music and fine arts and three hours per week in small sections (25-30 students) discussing the literature of Racine, Molière, Voltaire, Wollstonecraft, Goethe, Dickens, and Faulkner. The course emphasizes close reading within the individual disciplines and an understanding of cultural context as a common ground for discipline integration. While students are reading Racine and Molière, the art lectures examine the architecture of Versailles. While reading Goethe's *Faust*, students study romantic painters like Friedrich and Delacroix.

HUMN 1020 is a 6-credit course that can be used to fulfill the core curriculum requirements in literature, arts, or in historical context.

For further information, contact the University of Colorado at Boulder, Department of Humanities, Ketchum 230, Campus Box 331, Boulder, CO 80309-0331, telephone (303) 492-6246.

U Bristlecone pine

Usually not found below 8,000 feet, the bristlecone pine survives at heights where other life falters. Twisted into strange shapes by wind and snow, these pine trees grow at an incredibly slow pace. Some bristlecone pines are thousands of years old, leading to the speculation that they may be among the oldest living organisms on Earth.

SPECIAL SUMMER COURSES: SHAKESPEARE

BEGINNING ACTING

Term A (June 5–July 7) or Term B (July 11–August 11)—same course offered twice. Students in this course (THTR 2003) learn the basic principles of acting with focus on relaxation, concentration, improvisation, use of imagination, actions, objectives, initial monologue and scene work, and basic terms and concepts of process work for the actor.

The first session, June 5–July 7, is taught by Colorado Shakespeare Festival Guest Artist Randy Colburn. As assistant professor of theatre at Indiana University, Colburn is an acting ensemble member of Lifeline Theatre in Chicago. He held leading roles in the 1993 CSF productions of *Pericles* and *The Merry Wives of Windsor*.

The second session, July 11–August 11, will be taught by another Colorado Shakespeare Festival Guest Artist, yet to be determined.

For further information, contact the University of Colorado at Boulder, Department of Theatre and Dance, Theatre and Dance Building, Campus Box 261, Boulder, CO 80309-0261, telephone (303) 492-7355.

SHAKESPEARE IN PRODUCTION

Term A (June 5–July 7)

This course (THTR 4047/5047) involves students in the production of one of the finest Shakespeare festivals in the country. No previous background in theatre or Shakespeare is required.

Students study *Hamlet*, *Coriolanus*, *As You Like It*, and *Rosencrantz and Guildenstern Are Dead*, not only as dramatic literature, but also as theatrical events. Directors, designers, actors, and other production personnel for the 1995 Colorado Shakespeare Festival share their creative processes and approaches to the plays.

Class participants watch Shakespeare's works come to life on stage. Through rehearsal observation and other activities, students study theatrical creation. The principal instructor is Dr. Joel Fink, associate artistic director of the festival.

For further information, contact Dr. Fink at the University of Colorado at Boulder, Department of Theatre and Dance, Theatre and Dance Building, Campus Box 261, Boulder, CO 80309-0261, telephone (303) 492-2791.

SHAKESPEARE IN PERFORMANCE

Term B (July 11–August 11)

This course (THTR 4049/5059) integrates the study of Shakespearean plays in performance throughout the world with learning opportunities available through the Colorado Shakespeare Festival. Students research the performance of Shakespeare's plays during major periods of theatre history, especially the ways in which key performance elements have been addressed by artists, scholars, and critics.

The course focuses on the plays produced by the 1995 Colorado Shakespeare Festival (*Hamlet*, *Coriolanus*, *As You Like It*, and *Rosencrantz and Guildenstern Are Dead*). Class discussions center around the dramaturgical and performance conventions of Shakespeare's theatre and social/political influences of the period.

The course is taught by Judith Bock, Director of Education for the Colorado Shakespeare Festival. For further information, contact Dr. Bock at the University of Colorado at Boulder, Department of Theatre and Dance, Theatre and Dance Building, CU-Boulder, Campus Box 261, Boulder, CO 80309-0261, telephone (303) 492-7355.

Shakespeare sideshow

*In addition to the four repertory plays offered by the Colorado Shakespeare Festival this summer, there are also shows on *The Green* every evening before a performance, backstage tours presented by Festival company members, gourmet picnic suppers before the performances, self-guided tours of the Shakespeare gardens, and a special Sunday evening lecture series that includes discussions with Festival directors and guest artists.*

For more information on these special pre-show attractions, contact the Colorado Shakespeare Festival Box Office at (303) 492-0554.

Fossils

All types of fossils have been uncovered in Colorado, from dinosaur eggs to the remains of a Brontotherium, a creature believed to be the largest mammal that ever lived in North America. One area rich in fossil remains is Dinosaur National Monument. Located on the border of Colorado and Utah, the park has enclosed one of the sites within the visitor center, giving people the opportunity to see some of these fossils still embedded in rock.

INTENSIVE SPANISH SUMMER INSTITUTE

Term B (July 11–August 11)

This five-week summer institute totally immerses students in an environment of Spanish language and culture. Participants, who earn 6 or 8 credit hours for the course, sign a Spanish-only contract. Outstanding teachers, a visiting writer/scholar from a Spanish-speaking country, and guest lecturers provide five hours of instruction each day in small classes. Profesora Montserrat Iglesias Santos, a specialist in contemporary Hispanic literature and culture, joins us this year from the Universidade de Santiago de Compostela, Spain.

Participants enroll in two courses: a language skills course (SPAN 2120, 2150, 3000, or another course for advanced students, depending upon their ability); and a special topics course (SPAN 4220) that focuses on Hispanic culture. The goal of the language course is the maximum development of all language skills: listening, speaking, reading, and writing. The special topics course features numerous guest speakers, newspaper and magazine articles, short stories, plays, and films to gain insight into some of the social and cultural forces that typify the Hispanic world today.

Students interact informally during lunch-time conversation periods and other social activities. The Anderson Language Technology Center (ALTEC) provides the most advanced video, computer, and interactive video technology available for language study. Undergraduate students with at least one year of college Spanish as well as teachers are invited to apply. Selected participants pay tuition plus a program fee of \$180.

For further information and an institute application, contact Professor Ellen Haynes, the University of Colorado at Boulder, Department of Spanish and Portuguese, McKenna Languages Building, Campus Box 278, Boulder, CO 80309-0278, telephone (303) 492-6321 or (303) 492-7308.

INTENSIVE BEGINNING, INTERMEDIATE, AND ADVANCED JAPANESE

Term D (June 5–August 11)—courses run concurrently

Students in Intensive Beginning and Intermediate Japanese (JPNS 1120 and 2020) are immersed into the language for three hours every day for 10 weeks. Advanced Japanese (JPNS 3020) students meet one and one-half hours per day for 10 weeks.

Class enrollment is kept small in order to maximize interaction between the teacher and students. These courses are designed to teach students basic to advanced skills in verbal and written communication and also to provide them with the foundation necessary for further study of the language. Each course is normally covered in one academic year.

For further information, contact the University of Colorado at Boulder, Department of Oriental Languages and Literatures, Campus Box 279, Boulder, CO 80309-0279, telephone (303) 492-6639.

INTENSIVE BEGINNING AND INTERMEDIATE GERMAN AND BEGINNING RUSSIAN

Term A (June 5–July 7) and Term B (July 11–August 11)

Beginning and Intermediate German (GRMN 1010/1020 and 2010) and Beginning Russian (RUSS 1010/1020) immerse students in language throughout the summer. All courses in German and Russian emphasize the skills of listening, reading, speaking, and writing. Classes are small, ensuring interaction among students and faculty.

For further information, contact the University of Colorado at Boulder, Department of Germanic and Slavic Languages and Literatures, McKenna 129, Campus Box 276, Boulder, CO 80309-0276, telephone (303) 492-7404.

SPECIAL SUMMER COURSES: LANGUAGES/JOURNALISM

FRENCH COMPOSITION I

Term A (June 5–July 7)

This course (FREN 3050) provides students with the opportunity to perfect their written French through a review of grammar and vocabulary. Readings from literature and news form the bases for composition and discussion.

For further information, contact the University of Colorado at Boulder, Department of French and Italian, Hellems 290, Campus Box 238, Boulder, CO 80309-0238, telephone (303) 492-7226.

CONTEMPORARY FRENCH CULTURE AND CIVILIZATION

Term A (June 5–July 7)

Students in this course (FREN 4200) take an in-depth look at trends identified in current French society through literature and the media. Students explore French civilization first-hand by using electronic networks available via the language lab: Internet and taped video programs. Newspapers and magazine articles are used to generate student discussions and projects. The experimental format of the class allows students maximum flexibility to learn and respond to the latest events confronting French society.

Each student prepares one oral presentation and one project relating to an area of interest in French culture. These are shared with the rest of the class to further enhance students' general knowledge of French civilization. Daily reading assignments ensure lively and informed class discussions.

A high level of French language skills is desired, as the course and all materials are entirely in French. For those with a special interest in France and its culture, this course offers exploration of current events and their influence on the world today.

For further information, contact the University of Colorado at Boulder, Department of French and Italian, Hellems 290, Campus Box 238, Boulder, CO 80309-0238, telephone (303) 492-7226.

SUMMER COURSES: JOURNALISM

ISSUES IN GENDER AND MEDIA PERFORMANCE: THE MADONNA PHENOMENON

Term B (July 11–August 11)

Analysis and discussion of gender and media performance, via the performer, are the focus of this special topics course (JOUR 4871/5871) taught by Professor Polly McLean. The music videos and films of Madonna and others set the scene for exploring the presentation of gender; reading of gender codes and spectator response; the construction of character in verbal and nonverbal communication; the "fetishization" of the body; voyeurism and partnering; gay male, lesbian, bisexual, and feminist performance; and the construction of imagery.

For further information, contact the University of Colorado at Boulder, School of Journalism and Mass Communication, Macky 207, Campus Box 287, Boulder, CO 80309-0287, telephone (303) 492-5007.

MAGAZINE AND FEATURE WRITING

Term C (June 5–July 28)

The basic aims of this course (JOUR 4802/5802) are to enhance students' writing and creative editing skills; introduce essential mechanics and techniques of nonfiction writing; assist students in marketing quality magazine and feature articles; and broaden students' outlook about freelance writing and the magazine and newspaper fields. The seminar format includes lectures and discussions, presentations by

Indian paintbrush

capturing the beauty of a sunset on its petals, the Indian paintbrush is recognized for its beautiful diffusion of orange and red. Blooming in June and July, this flower adds a splash of color to the greens and silvers of the sagebrush that commonly grow nearby.

Wild columbine

The columbine, a flower whose name comes from the Latin word columba, meaning "dove," was declared the state flower of Colorado in 1899. Each color of this graceful plant represents something special about Colorado: blue for the clear skies, white for the snow-capped peaks, and yellow for the gold that first brought prosperity to Colorado. Wild columbines are seldom found anywhere but in the mountains, some growing at elevations higher than 11,000 feet above sea level.

guest speakers, and reports and critiques by students. Time in class meetings is also devoted to critiquing students' written work. Prerequisite is JOUR 3001.

For further information, contact the University of Colorado at Boulder, School of Journalism and Mass Communication, Macky 201, Campus Box 287, Boulder, CO 80309-0287, telephone (303) 492-5007.

PUBLICATION DESIGN AND PRODUCTION

Term A (June 5–July 7)

Better known as "How to Get Your Ideas on Paper," this course (JOUR 4831/5831) looks at the format and design of a wide variety of publications—from the simplest newsletters and brochures to elaborate, multi-color magazines, newspapers, and annual reports. Although this is neither a graphic design course nor a computer course, both subjects play a large role in the course. Students are introduced to the mechanics of both fields, including electronic design and layout, thumbnails, mockups, typography, photography, and printing.

For further information, contact the University of Colorado at Boulder, School of Journalism and Mass Communication, Macky 201, Campus Box 287, Boulder, CO 80309-0287, telephone (303) 492-5007.

MASS COMMUNICATION AND PUBLIC OPINION

Term B (July 11–August 11)

Public opinion is one of the most central concepts in journalism, politics, and social science, yet the definitions implied by its conventional usages are often unclear, contradictory, and contested. This course (JOUR 4791/5791) attempts to investigate both the phenomenon of public opinion and the socio-historical context for its most common conceptualizations. Topics include the opinion-shaping role of the mass media, theories of public opinion and propaganda, polling, and communications effects and theories.

For further information, contact the University of Colorado at Boulder, School of Journalism and Mass Communication, Macky 201, Campus Box 287, Boulder, CO 80309-0287, telephone (303) 492-5007.

MASS MEDIA AND CULTURE

Term A (June 5–July 7)

This course (JOUR 4711/5711) is based on the view that the mass media play a central role in the creation of cultural values and in the determination of what enters into the realm of the popular. To examine how mass communication interacts with popular culture, the course will examine television and other media as industries, as conduits of cultural values, and as text. Finally it will look at audiences and the role they play in creating meaning from those texts. Much recent literature suggests that meaning is not locked in the text, but rather is created at the moment of reception; different audiences, therefore, create different readings—sometimes readings quite unintended by program creators.

For further information, contact the University of Colorado at Boulder, School of Journalism and Mass Communication, Macky 201, Campus Box 287, Boulder, CO 80309-0287, telephone (303) 492-5007.

MUSIC COURSES AND WORKSHOPS

The College of Music offers two types of special courses. Music humanities courses for all undergraduates include History of Jazz (EMUS 3642), Appreciation of Music (EMUS 1832), Music of the Rock Era (EMUS 1852), Music and Drama (EMUS 2762), and Music for the Classroom Teacher (EMUS 3203). Each summer, the college also offers a special series of intensive courses for teacher certification and/or graduate degree electives.

The Band Conductors Workshop (IMUS 5018) for college band directors will be taught in a one-week intensive, June 12-16. Led by Professor Allan McMurray of CU-Boulder and Larry Rachleff of Rice University, the workshop will focus on repertoire and conducting skills for the college wind conductor.

The workshop in Choral Conducting and Voice Pedagogy (IMUS 5038), featuring Professors Lawrence Kaptein and Patricia Peterson, is scheduled June 26-30.

Intensives for teacher recertification include Literature and Teaching Techniques for the Middle School Band Director (IMUS 5094), June 26-30, led by Professor James Austin; World Musics in the Classroom (IMUS 5088), June 19-30, taught by Professors John Galm and Brenda Romero; and a workshop led by Professor Janet Montgomery (IMUS 5093) titled Styles and Standards in General Music: Education Theory into Practice, June 12-16.

The Mile High Jazz Camp (IMUS 5028), July 17 to 22, begins its fourth season at CU-Boulder. The workshop includes a complete 21-member faculty jazz ensemble-in-residence. Enrollment is open to students and teachers. Class participants are given instruction in jazz improvisation, combo performance, instrument master classes, and big band performance. A faculty concert is featured each evening of the workshop. For information about this camp, contact Willie Hill, Assistant Dean of the College of Music, (303) 492-5496.

For further information, contact the University of Colorado at Boulder, College of Music, Imig Music Building C119, Campus Box 301, Boulder, CO 80309-0301, telephone (303) 492-6352.

OPERA THEATRE PRODUCTION

May 30-July 16

The 1995 Colorado Lyric Festival features full-scale productions of Verdi's *La Traviata* and Cole Porter's *Kiss Me Kate*. Stage directors for the festival include Dennis Jackson of the CU-Boulder opera program for *La Traviata* and William Mooney of New York for *Kiss Me Kate*. Robert Spillman of the CU-Boulder opera program serves as music director/conductor for both shows. The program includes a variable-credit-hour Opera Theatre Production course (PMUS 4157/5157) in rehearsal and performance. Scholarships are available to qualified singers, orchestra instrumentalists, and theatre technical personnel.

For further information, contact Dennis Jackson, the University of Colorado at Boulder, College of Music, Imig Music Building N1B69, Campus Box 301, Boulder, CO 80309-0301, telephone (303) 492-6576 or (303) 492-8008.

WORLD MUSICS IN THE CLASSROOM

June 19-23 and June 26-30

This course (IMUS 5088) is a workshop for students of world arts and cultures. It is especially relevant to music teachers and classroom teachers who are being asked to teach multicultural courses. The course consists of a series of three workshops, each of which can be taken for 1 credit. Students may take any or all of the sessions.

Hummingbirds

able to fly sideways and even backwards, the broad-tailed hummingbird darts from flower to flower in search of nectar and insects. Because "hummers" are attracted to sweets and bright colors, many residents decorate their homes with red or yellow holders of sugar water. This hummingbird breeds at low elevations and then moves up to timberline to feed in the alpine meadows of the Rockies. When winter begins to arrive, it migrates to the warmer climate of Mexico, not to return until the alpine flowers bloom once more.

SPECIAL SUMMER COURSES: MUSIC/EDUCATION

The first workshop is offered during the first week, every morning from Monday through Friday. The second workshop runs every afternoon of the same week. For the third workshop, classes are held each afternoon of the second week.

The first workshop is taught by Brenda Romero, assistant professor of musicology. Professor Romero focuses on Asian and Asian-American musical cultures. The scope of the workshop includes an emphasis on the relationship of cultural world views and music styles, how to find and choose materials, and performance of the different styles.

The second session is taught by a guest or guests to be announced.

Associate Professor John Galm, percussionist and ethnomusicologist, teaches the third workshop. Recently returned from a sabbatical in Sénégal in West Africa, Professor Galm focuses on the drum ensemble in African and Afro-Latino cultures. The course examines the roles of individual percussion instruments, and introduces performance techniques on melodic instruments such as the sansa and the berimbau.

For further information, contact the University of Colorado at Boulder, College of Music, Imig Music Building C119, Campus Box 301, Boulder, CO 80309-301, telephone (303) 492-7421 or (303) 492-6352.

SUMMER COURSES: EDUCATION

INTENSIVES FOR TEACHERS

To accommodate public school teachers' schedules, the School of Education offers summer courses in three-, four-, and five-week blocks. Three kinds of courses are available: (1) those that meet general teacher certification requirements, (2) those that meet requirements for teachers in graduate programs, and (3) those that meet recertification requirements.

Education offices are located in the Education Building, room 151 (undergraduate and teacher education) and room 153 (graduate education). For further information, contact Dean Philip P. DiStefano, the University of Colorado at Boulder, School of Education, Campus Box 249, Boulder, CO 80309-0249, telephone (303) 492-6937.

Aspen trees

Mixed in among the pine trees of Colorado grow stands of silver-trunked aspen. Sometimes whole groves are connected by the same root system. In 1992, a team of biologists from the University of Colorado found a stand of aspen in Utah that proved to be 47,000 connected stems originating from the roots of a single tree. The discovery has led some to declare the stand as the largest living organism on Earth.

SPECIAL SUMMER COURSES: INTERNATIONAL BUSINESS

INTERNATIONAL MARKETING

Term A (June 5–July 7) or Term B (July 11–August 11)—same course offered twice
Students study policies and practices of firms that market products and services in foreign countries. An analytical survey is made of institutions, functions, policies, and practices in international marketing. The class (MKTG 4100/5100) explores ways that marketing activities relate to market structure and marketing environments. Prerequisite: MKTG 3000 or 5030, or instructor consent.

For information, contact the University of Colorado at Boulder, College of Business and Administration, Business Building, Campus Box 419, Boulder, CO 80309-0419, telephone (303) 492-1807.

INTERNATIONAL TRANSPORTATION

Term A (June 5–July 7)

This course (TRMG 4580) analyzes international transportation (primarily sea and air) in the world economy. Students study topics related to the liability, logistics, economics, and national policies of international transportation. Prerequisites: ECON 2010 and 2020, or instructor consent.

For information, contact the University of Colorado at Boulder, College of Business and Administration, Business Building, Campus Box 419, Boulder, CO 80309-0419, telephone (303) 492-1807.

INTERNATIONAL FINANCIAL MANAGEMENT

Term A (June 5–July 7)

Students in this class (FNCE 4400/5400) consider capital movements and balance of payment problems, as well as issues related to international financial operations. The course also reviews foreign and international institutions and the foreign exchange process. The financial resources, requirements, and policies of firms doing business internationally are also discussed. Prerequisite: FNCE 3050 or 5050, or instructor consent.

For information, contact the University of Colorado at Boulder, College of Business and Administration, Business Building, Campus Box 419, Boulder, CO 80309-0419, telephone (303) 492-1807.

INTERNATIONAL BUSINESS SEMINAR

Term C (June 5–July 28)

This seminar (MKTG 4400) examines the international business environment as it affects company policy and procedures. Students learn to integrate functions undertaken in international operations through close analysis and comprehensive case studies. Prerequisites: any two of the following—ECON 3403, FNCE 4400, FNCE 4820, MKTG 4100, TRMG 4580—or instructor consent.

For information, contact the University of Colorado at Boulder, College of Business and Administration, Business Building, Campus Box 419, Boulder, CO 80309-0419, telephone (303) 492-1807.

Cutthroat trout

The Colorado River cutthroat trout has long swum in the mountain streams and lakes of our mile-high state, and is designated the state fish.

A native of Colorado, the cutthroat has a remarkable ability to thrive in cold mountain waters. Unfortunately, due to the introduction of other species of trout, native cutthroat are now rare because of hybridization. The best places to find the cutthroat now are in the most remote Rocky Mountain lakes, where their ability to overcome adversity still serves them.

Applying

to CU-Boulder

To study at Boulder this summer, please read the instruc-

tions throughout this section and through registration (pages 18-20 and 23-25). Applying to CU-Boulder and registering for summer classes will vary, depending on your student category.

NONDEGREE STUDENTS

You may apply as a nondegree student if you:

- want to take summer courses but you are not working toward a degree at CU-Boulder (including students who want to transfer from another institution or another CU campus for the summer only),
- have already received an undergraduate or graduate degree from CU-Boulder and do not wish to apply to another degree program,
- are a high school junior interested in attending CU-Boulder the summer before your senior year,
- are a certified teacher with a baccalaureate degree who seeks only to renew a current certificate and who does not require institutional endorsement or recommendation, or
- are on nondegree student academic suspension, and wish to raise your grade point average (GPA) and work to have your academic suspension released.

You may not apply as a nondegree student if you formerly attended CU-Boulder as a degree student and have not yet received a degree. You must reapply for admission as a degree student (see page 19).

If you want to attend CU-Boulder as a nondegree student, use the nondegree student application on page 21. If you have already applied for admission to an undergraduate degree program at Boulder for summer session or fall semester 1995, do not fill out the nondegree student application until you call (303) 492-2451.

Nondegree Admission Requirements

As a nondegree student, you must be 18 years of age or older and have a high school diploma or its equivalent in order to qualify for admission (unless you are a high school student). You may register for courses on a pass/fail basis; however, such courses count toward the maximum number of pass/fail credits allowed if you change to degree status. If you have completed 6 semester hours of credit at CU-Boulder, you must maintain a 2.00 cumulative GPA in order to avoid suspension. And, admission as a nondegree student does not guarantee future admission to a degree program.

We will send you information after you are admitted that explains when your tuition and fees are due. There is no application fee for nondegree students.

Applications and credentials submitted for admission cannot be returned to you.

For more information about admission procedures and application status, call (303) 492-6301.

Nondegree Students Transferring to a Degree Program

Undergraduate Students. If you are currently enrolled or have ever been enrolled at any CU campus as a nondegree student and want to transfer to a degree program, you will need to contact the Office of Admissions for a degree application.

With the approval of the appropriate dean's office, you will be able to transfer a maximum of 12 semester hours taken as a nondegree student (less in some departments) to your degree program.

Graduate Students. If you want to transfer to a graduate degree program, you should refer to the "Graduate School" section of the *University of Colorado at Boulder Catalog* and contact the appropriate department for application materials. A department may recommend to the graduate dean the acceptance of as many as 9 semester hours toward a master's degree and 21 semester hours toward a doctoral degree. Limits and transfer credit criteria may vary by department.

APPLYING TO CU-Boulder

CONTINUING DEGREE STUDENTS

If you are an undergraduate or graduate degree student enrolled at CU-Boulder in classes during spring semester 1995 and are continuing through summer session 1995, you do not need to submit an application for summer session.

You may register for summer session without submitting an application if you meet all three of the following:

- you are continuing from spring semester 1995,
- you are in good standing (or you have been academically suspended from a CU-Boulder degree program at the end of spring semester 1995 and wish to raise your GPA to have your suspension released), and
- you did not complete a degree at the end of spring semester 1995.

To register for summer classes, see page 25.

Intrauniversity Transfer

If you are a CU-Boulder undergraduate student enrolled for spring semester 1995 and wish to transfer to another college or school on the Boulder campus for summer session 1995, please read the *University of Colorado at Boulder Catalog* and consult with the advising office of the college or school you wish to enter for appropriate instructions, deadlines, academic requirements, and application forms. Some colleges and schools allow intrauniversity transfer for fall and spring semesters only.

If you are a former CU-Boulder student and were not enrolled for spring semester 1995 but would like to transfer

to another college or school on the Boulder campus for summer session 1995, please contact the Office of Admissions for a degree application.

NEW AND FORMER DEGREE STUDENTS

Undergraduate Students. If you plan to enter an undergraduate degree program at CU-Boulder during summer 1995, you should request an application for admission. Please do *not* use the non-degree application in this catalog.

You should apply for admission as an undergraduate degree applicant if:

- you want to begin a degree program at CU-Boulder during the summer of 1995,
- you are a former CU-Boulder student who is returning to a degree program this summer (your former program or a new one), and you did not attend during spring semester 1995. You may be required to submit additional academic transcripts to update your CU-Boulder degree file, or
- you have been academically suspended from a CU-Boulder degree program and wish to raise your grade point average (GPA) and work to have your suspension released. If you are suspended at the end of spring semester 1995, you need not reapply for admission (see the Continuing Degree Student section, left).

If you received a degree in May, you must attend as a nondegree student or submit a new application for admission and be admitted in order to pursue another degree.

You can pick up an application for admission for undergraduate degree

programs in Regent 125. You may also call (303) 492-2456, or write:

University of Colorado at Boulder
Office of Admissions
Campus Box 30
Boulder, CO 80309-0030

Applications and credentials submitted for admission cannot be returned to you.

See page 18 for information on how nondegree students transfer to a degree program.

For more information about admission procedures and application status, call (303) 492-6301.

Graduate Students. If you are a new applicant for graduate study or a former student applying to a different graduate degree program, you must consult with your department for appropriate application forms and instructions.

If you are a former graduate degree student who did not attend spring semester 1995 and are returning to your previous graduate degree program and level, you must reapply for admission.

You can pick up an application for admission in Regent 125. You may also call (303) 492-2456, or write:

University of Colorado at Boulder
Office of Admissions
Campus Box 30
Boulder, CO 80309-0030

Applications and credentials submitted for admission cannot be returned to you.

See page 18 for information on how nondegree students transfer to a degree program.

For more information about admission procedures and application status, call (303) 492-6301.

TEACHER CERTIFICATION

Students interested in teacher certification should refer to the "School of Education" section of the *University of Colorado at Boulder Catalog*. If you are renewing your current certification, see the "Nondegree Students" section (page 18). If you hold a baccalaureate degree and seek initial teacher certification, you should apply to the School of Education for the teacher certification program before March 1, 1995. For more information on the deadlines for admission to the teacher education program, contact the University of Colorado at Boulder, Office of Teacher Education, Campus Box 249, Boulder, CO 80309-0249, telephone (303) 492-6555.

FOREIGN STUDENTS

Foreign students are those who already have, or will be applying for, a temporary U.S. visa. If you have established permanent resident status in the United States and have an alien registration number, you are not considered a foreign student.

Foreign Nondegree Applicants

You may apply as a nondegree student for summer session if you are in the United States in an appropriate non-immigrant status that extends your lawful stay through the summer. The University of Colorado at Boulder does not issue form I-20 or assume any immigration responsibility for you if you are a nondegree student.

If you hold a temporary visa, you may gain admission as a nondegree student only with permission from Foreign

Student and Scholar Services. Contact the University of Colorado at Boulder, Foreign Student and Scholar Services, Office of International Education, Campus Box 123, Boulder, CO 80309-0123, telephone (303) 492-8057.

If you are a foreign student and wish to apply for admission as a nondegree student for the summer only, you should complete the nondegree student application on page 21 of this catalog and send it to Foreign Student and Scholar Services. You must also send the following with your application:

- ◆ a letter from your foreign student advisor, dean, or other appropriate official at the school you currently attend, certifying that you are in good standing and that you are eligible to, and intend to, return to that school in the fall term,
- ◆ a photocopy of your immigration forms I-20, I-94 (both sides), or other documentary evidence regarding your immigration status, and
- ◆ documentary evidence of your financial support for the summer.

Foreign Student and Scholar Services determines your eligibility for nondegree student status. Admission as a nondegree student is for the summer only and does not constitute admission to a degree program or permission to continue enrollment beyond the summer.

If you are not already in the United States, we encourage you not to come to the United States for the purpose of attending summer session as a nondegree student at CU-Boulder. The University cannot issue forms I-20 or other immigration documents for this purpose.

Foreign Degree Applicants

If you want to apply for an undergraduate degree program at CU-Boulder, you should call the Office of Admissions at (303) 492-2456 for appropriate instructions and application materials. Please, do *not* use the nondegree application in this catalog.

If you want to apply for a graduate degree program, you should call the specific department of interest at the University of Colorado at Boulder. Call (303) 492-1411 and a campus operator will direct your call to the appropriate department.

After Being Admitted as a Foreign Student

Upon arriving in Boulder, you should check in, with your passport and immigration documents, at Foreign Student and Scholar Services located in the basement of the Environmental Design building. The staff will talk with you about instructions for registration and other information you need as a new foreign student.

If you are a sponsored student whose tuition and fees are paid to the University by a sponsoring agency, before you register for classes you must provide documentary evidence of that sponsorship and a billing authorization to the University of Colorado, Bursar's Office, Regent Administrative Center 102, Campus Box 48, Boulder, CO 80309-0048. Also send a copy of the documents to Foreign Student and Scholar Services.

If you are not a sponsored student, you must be prepared to pay summer session tuition and fees at the time you register for classes.

NONDEGREE STUDENT APPLICATION

WE WELCOME YOUR APPLICATION FOR ADMISSION to the University of Colorado at Boulder as a nondegree student. Please refer to page 18 for admission and requirement information. Then, carefully complete this application.

Please use ink and print legibly. Do not include payment at this time. *Be sure to complete the reverse side of this form and sign it in the space provided.* Return this application to: University of Colorado at Boulder, Office of Admissions, Regent Administrative Center 125, Campus Box 6, Boulder, CO 80309-0006.

NONDEGREE STUDENT APPLICATION

19. Are you claiming eligibility for in-state tuition classification? Yes No If no, skip to question 20.

If yes, please carefully answer the following questions. *Failure to answer a question may result in your being misclassified or may cause delays that could affect your chances for admission.* For all questions, indicate "none" or "not applicable," if appropriate. Month and year are sufficient for dates more than two years past. In addition to your own information, if you are less than 25 years of age and not married, please give parent or court-appointed legal guardian information. If you are married, regardless of your age, please give spouse information.

Former and continuing students previously classified as out-of-state students must submit a separate "Petition for In-State Tuition" to change their tuition classification. Petitions are available from the Office of the Registrar and must be submitted to that office before registration.

20. I hereby certify that, to the best of my knowledge, the information furnished on this application is true and complete. I understand that if found to be otherwise, it is sufficient cause for rejection or dismissal. I have read and accepted the limitations on transfer of nondegree student credit to a degree program. I understand that a maximum of 12 semester hours of nondegree credit will transfer to an undergraduate degree program. The graduate departments may recommend a maximum of 9 overall transfer hours be transferred to a master's degree program; 21 to a doctoral program. I realize that lower maximums may apply in specific programs and that credit may be lost when transferring to a degree program if departmental limits are exceeded.

Registering

for Summer Session

All students register for courses via CU Connect, the telephone registration system. You can call CU Connect to register for courses, list your schedule, drop and add classes, and put your name on course wait lists. When you register via CU Connect, you receive immediate confirmation of your enrollment in courses.

Here's how to register for summer:

- Look for the dates and times you may register (new, readmitted, and nondegree students see below; continuing students see page 25).
- Look through the special courses (pages 7-17) and the schedule of courses (61-86) to find the courses that you want to take this summer.
- Fill out the summer confirmed registration form on page 34.
- Call CU Connect from any touch-tone phone to register for courses, to drop or add courses, and to list your schedule (see "Calling CU Connect" on pages 27 and 33 for instructions).

NEW AND READMITTED DEGREE AND NONDEGREE STUDENTS

- If you are a new freshman or transfer student in the College of Arts and Sciences or the College of Business and Administration, you must attend a two-day orientation program on June 1-2 or July 10-11. You will receive advising and register for your summer and fall classes during orientation. Your orientation information is mailed by the Office of Orientation once your confirmation form has been received by the Office of Admissions. Call the orientation office at (303) 492-4431 for more information.

- New freshman and transfer students in the College of Engineering and Applied Science or the College of Music register by telephone during their on-campus orientation period, June 2 or July 10. Registration information is mailed by the college after the Office of Admissions receives the confirmation form.
- All other new and readmitted degree students register between May 1 and June 2. Registration materials are mailed to degree students by the registrar's office after the Office of Admissions receives the confirmation form.
- Nondegree students register between May 1 and June 2. Registration materials are mailed by the registrar's office when students are admitted to the University.

Register for summer courses by June 2.

Because summer registration is conducted on a first-come, first-served basis, you have a better chance of getting the courses you want if you register early. Students who need to attend on-campus registration may do so on Friday, June 2, between 8:30 a.m. and 4:00 p.m., in Regent Administrative Center (or on Monday, July 10, for term B only).

Attention Nondegree Students. If you are a nondegree student, be aware of limitations on the transfer of credit hours to a degree program. Consult the dean's office of the college or school you plan to enter for further information.

Your Invitation to Register. Read your summer invitation to register carefully (see the sample invitation on the next page). It contains your registration time assignment (the earliest date and time you can call CU Connect and register by phone).

Your invitation also contains your personal identification number (PIN) which, when combined with your student number, is an access code for CU Connect. Keep your PIN confidential. If you need to change it, come to the registrar's office in Regent 105.

Your invitation may also indicate a registration "stop" on your record. Stops can occur any time in the registration process and can prevent your enrollment in courses. Be sure to check your record and take care of any stops before you register.

In addition, there may be a statement on your invitation to register about academic advising being required before you can register. If you are required to see an academic advisor, make an appointment as soon as possible. Take your completed summer confirmed registration form (page 34) with you to your advising appointment. If you are not required to see an academic advisor, but you would like advising, you can either go to your dean's office or to the Advising Resource Center in Willard Hall, room 226. After being advised, you can call CU Connect any time after your time assignment begins and register.

If you are a new or readmitted degree student at CU-Boulder this summer and you have not yet paid your \$200 enrollment deposit, you need to do so at least 24 hours before your registration time assignment begins.

See the "Calling CU Connect" section on page 27 for information on how to register by telephone.

If you register for summer courses and then decide not to attend summer session, you may be assessed a financial penalty. See page 30 for withdrawal information.

REGISTERING FOR SUMMER SESSION

CONTINUING STUDENTS

If you are continuing your degree program at CU-Boulder, you may register any time after your assigned registration time, through June 2. Time assignments begin March 15. See below.

Summer invitations to register are *not* mailed to continuing students. Refer to your fall invitation to register for information regarding registration stops and your PIN. Use this information to register for summer (after any required advising) during your time assignment.

Academic advising is required before you can register for summer, if you're a continuing student majoring in one of the following fields:

- ◆ Undergraduate students in Afro-American studies, architectural engineering, civil engineering, and open-option engineering
- ◆ Graduate students in aerospace engineering, classics, and Spanish

Registration Time Assignments

Summer session registration time assignments for continuing students are based on the number of hours you have completed at CU (any campus), including any transfer credit, and any courses you are enrolled in as of February 17.

- ◆ Seniors may register beginning at 7:00 a.m. on Wednesday, March 15.
- ◆ Graduate and law students may register beginning at 7:00 a.m. on Thursday, March 16.
- ◆ Freshmen with 12 hours or less and juniors may register beginning at 7:00 a.m. on Thursday, March 16.
- ◆ Sophomores may register beginning at 7:00 a.m. on Friday, March 17.
- ◆ Freshmen with 13 hours or more may register beginning at 7:00 a.m. on Friday, March 17.

You can call CU Connect any time after your time assignment begins, through June 2. Because registration is conducted on a first-come, first-served basis, it's to your advantage to call as soon as possible after your time assignment begins for the best selection of courses.

If we do not have a \$200 enrollment deposit on account for you, you should have received an enrollment deposit form with your fall invitation to register. You must pay the deposit at least 24 hours before registering for summer or fall courses.

See page 27 for information on how to register by telephone.

If you register for summer courses and then decide not to attend after June 2, you are assessed a financial penalty. See page 30 for withdrawal information.

OTHER REGISTRATIONS

Registering for Term B Only

If you want to take term B courses only, you may register by telephone after you receive your registration materials, through July 10.

If you register for term B or an independent study course only and decide not to attend after June 4, you are assessed a financial penalty (even if you register after June 2). Refer to page 30 for withdrawal information.

On-Campus Registration

June 2 and July 10

Two registrations are held on campus for students who do not receive registration materials. If you have not received your registration materials by June 1, go to Regent Administrative Center on June 2 between 8:30 a.m. to 4:00 p.m. to register for any summer term. If you are registering for terms B, F, I, independent study, or thesis hours only, and you don't receive registration materials by July 9, plan to register on July 10 between 8:30 a.m. and 4:00 p.m. in Regent Administrative Center. If you already have your materials but you haven't registered, you do not need to attend the on-campus registration. Just call CU Connect to register for courses.

If you register for summer courses after June 2 and then decide not to attend, you are assessed a financial penalty. See page 30 for withdrawal information.

Late Registration

After June 2

You may be allowed to register for summer courses later than June 2 if enrollment levels have not been met and you register before the drop/add deadline for the course you want to attend. If you register after June 2 for terms A, C, or D, or after July 10 for terms B, I, or independent study and thesis hours, you are assessed a late registration fee of \$20. New or readmitted degree students also must pay the \$200 enrollment deposit before they register. Late fees for intensives (terms E and F) are assessed if you register after the first day of the intensive class.

If you do register late, you should receive a bill in the mail from the Bursar's Office within two weeks. If you don't receive a bill within that time period, be sure to contact the Bursar's Office to find out your total amount due and the deadline.

Concurrent Registration

Beginning June 1

If you plan to take at least one course at CU-Boulder in the summer but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Note: Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning June 1 from 9:00 a.m. to 4:00 p.m. You cannot register concurrently until after schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all courses. For information, please call (303) 492-6581.

INFORMATION ABOUT SUMMER COURSES

Refer to this information before you fill out your summer confirmed registration form on page 34.

Credit-Load Limit

The maximum credit load allowed for all colleges and schools during summer session (except the law and education schools) is 15 credit hours. Law students may register for no more than 8 credit hours. Graduate students in the School of Education may register for no more than 9 credit hours.

Intensives

You may register for intensive courses on the first day of class at the Office of the Registrar, Regent Administrative Center 105, from 9:00 a.m. to 4:00 p.m. A late registration fee is charged for registering after the first day of the intensive class (see page 25 for information on late registration).

Check each course for the class beginning and end dates and for final exam dates.

Independent Study and Controlled Enrollment Courses

If you want to take a course with an 800- or 900-level section number, you must contact the department for permission and the five-digit course call number before you can register. Enrollment in these courses is limited by each department.

You have until July 10 to register for independent study course work and thesis hours. Both are subject to term B drop/add deadlines.

Changing Your Major

If you would like to change your major or declare your major before you register, go to that department and ask about the required procedures. Your change is entered onto the computer system when

it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT). Please see that section below.

Intrauniversity Transfer (IUT)

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted into the new program. If you are not able to register for some courses because you have not yet been accepted, you may change your schedule during the drop/add periods for the term(s) for which you're registered.

New! Linked Courses

The process for registering for lecture courses that have required recitations and/or labs has changed. See page 61 for information.

No Credit

If you want to register for course work for no credit, you must do so either when registering via CU Connect or at the registrar's office in Regent 105 before the appropriate drop/add deadline. If you make a change to no credit status, you must do so in person at the registrar's office. Tuition is the same, whether or not credit is received in a course.

Courses taken for no credit cannot apply toward a graduate degree.

No changes in registration for credit are permitted after the drop/add deadline for each term.

Pass/Fail (P/F)

If you want to take a course on a pass/fail basis, you must indicate this either when registering via CU Connect or during the regular schedule-adjustment period. If you want to change to pass/fail status, come to the registrar's office to make this change in person. Check with your college or school's dean's office; there are restrictions on the number and type of courses that can be taken pass/fail.

If you register on a pass/fail basis, your name appears on the final grade list, and a letter grade is assigned by the instructor. When grades are received in the Office of the Registrar, your grade is automatically converted to *P* or *F*. Any grade of *D-* and above converts to a grade of *P* and is not calculated into the GPA. Grades of *F* are included in your GPA.

Courses taken pass/fail cannot apply toward a graduate degree.

LOOKING FOR AVAILABLE COURSES ON CULINE

To look for available courses at any time during the registration and schedule adjustment periods, access CULine from a computer terminal. CULine is the campus electronic information system. CULine lists courses that are open, and entries are updated regularly.

Over 50 kiosks with access to CULine are located in most campus buildings and residence halls. (See locations under "CULine-PLUS," right.)

From the main CULine menu, choose "Student Admin Info" by moving the cursor down with the arrow key and pressing "Return." At this menu, select "Course Availability."

You may look at all available courses offered for summer, all available arts and sciences courses, or courses available in order of time offered. You can also use CULine to look up information regarding registration, grades, final examination schedules, tuition, billing information, and more.

REGISTERING FOR SUMMER SESSION

CULINE-PLUS: VIEWING YOUR RECORDS ON-LINE

With your University student number and PIN (personal identification number), you can access the following information on CULine-PLUS (Personal Look Up Service):

- your grades for the two most recent terms
- your degree program information (primary and secondary college, major, and class standing)
- your registration status (advising requirements and registration time assignment)
- your course schedule for the current term, the two most recent terms, and all future terms for which you have registered
- your current semester billing and financial aid information
- your current addresses

You have access only to your own records.

You can access CULine-PLUS at any terminal on campus dedicated to CULine. These terminals are located in the lobby of Regent Hall, the UMC, Norlin Library, College of Business, Fleming Law, College of Music, the Recreation Center, the Engineering Center, and most residence halls. Computing labs in Business, Engineering, Ketchum, Muenzinger, Norlin, and Physics also have CULine access.

CALLING CU CONNECT (REGISTERING BY PHONE)

Plan your course schedule using the schedule worksheet on page 32 and the summer confirmed registration form on page 34.

When you are ready to register, call CU Connect, (303) 938-8110, from any touch-tone phone. If you call and CU

Connect is busy or not available, please call at another time. CU Connect hours are Monday through Friday, 7:00 a.m. to midnight, and Sundays from 11:00 a.m. to midnight.

CU Connect is *not* available May 29 or July 4.

A computerized voice will request the following information. Enter the information using the touch-tone key pad.

- the action code: 7003#
- the summer term code: 954#
- your University student number: _____ - _____ - _____ #
- your personal identification number (PIN): _____ #

You can then enter the courses from your summer confirmed registration form. Press the pound key (#) after every transaction and wait for the computer voice to respond before proceeding with your next entry.

CU CONNECT FUNCTIONS

- To **add** a course, press 2*, the course call number, then #.
- To **drop** a course, press 3*, the course call number, then #.
- To select the **pass/fail** grading option, press *2 between the course call number and #.
- To request a course for **no credit**, press *1 between the course call number and #.
- To **list** your courses, press 5#.
- To add an **independent study or controlled enrollment course**, you must obtain permission and the appropriate five-digit course call number from the department offering the course.
- To register for a **variable credit course**, enter the number of credits you want to receive when prompted by CU Connect.
- To **exit** from CU Connect, press 8#.

If you don't have a touch-tone phone, call 492-4822 or fax your confirmed registration form to the Office of the Registrar, (303) 492-8748.

Automatic Search

If you have been closed out of a course section, CU Connect can conduct a search for an open section. Press 7# when prompted.

Course Time Changes

Sometimes academic departments must change the time a course is offered after this catalog has been published. If this is the case, the department cancels the original section and adds a new section that reflects the time change. If you request a course and CU Connect tells you the course has been cancelled, try the search option (7#). CU Connect lets you know if the new course section with the time change is available and fits your schedule.

Listing Your Schedule

Once you have registered, you can list your schedule by pressing 5# after you enter your PIN. CU Connect lists the courses for which you are registered and your wait-list position, if applicable. If you want to make changes to your schedule, you can do so via CU Connect by dropping or adding individual courses. (Refer to "Adjusting Your Schedule" on page 29 for more information.)

Help Line

If you are having difficulty with telephone registration, call the registration Help Line, (303) 492-1033, from 9:00 a.m. to noon or 1:00 p.m. to 4:00 p.m., Monday through Friday (MST) for personal assistance. Prerecorded registration information is available 24 hours a day, seven days a week.

USING WAIT LISTS

Throughout summer registration and schedule adjustment, if you are eligible to take a course but find it has been closed, you may be able to put your name on a computerized wait list.

A wait list is a registration feature that allows you to place your name on a computerized list for a course that is currently filled but may have openings later in the registration process. Each department determines if a wait list is offered for a course and what type of wait list is used.

There are two types of wait lists: *automatic* and *resequenced*.

Automatic wait lists are set up on a first-come, first-served basis. As a vacancy occurs in a course, the person at the top of the list is automatically enrolled.

Resequenced wait lists use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

Please Note: CU Connect does *not* tell you what type of wait list is offered for the course. CU Connect informs you if a course you have requested has a wait list and gives you the option of adding your name to the list. Press 9# when prompted and listen for verification.

Wait-Listed Courses

Placing your name on a wait list does not guarantee that you will be able to enroll in the course. Depending on the number of spaces and the demand for each particular course, spaces may or may not become available at a future time.

If you place yourself on a wait list during registration or schedule adjustment, *it is your responsibility* to call CU Connect to find out if you have been enrolled in the class. When a space opens up for you from a wait list, you are enrolled automatically in the class. No verification is sent.

Remember: If you find that you have been enrolled in a course that you no longer want, please drop it as soon as possible so other students can enroll in the class.

Deadlines for Wait Lists

You can place your name on course wait lists through *midnight on Tuesday, June 6*. After that time, all wait lists are frozen (including term B wait lists), and you cannot add your name to any list.

If you are automatically enrolled from a wait list (June 6 or earlier) into a course that you no longer want and fail to drop it by the drop/add deadline for that term (see page 29), you may be charged additional tuition for the course based upon your number of credit hours. Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that class.

If you still want to be enrolled in a course as of June 7, check with the department offering that course. You must let the department know you are still interested in the course, should an opening occur. *There is no automatic enrollment from wait lists after June 6. All department wait lists (including term B wait lists) are canceled at 4:00 p.m. on Friday, June 9.*

Wait Lists for Labs and Recitations

Beginning summer 1995, if a course has a required lab and/or recitation, you register for the lowest level of the course (lab and/or recitation). You are then automatically enrolled in all parts of the course (lecture, lab, and/or recitation) if space is available. If the course is closed, and a wait list is available, you can add your name to the wait list for the lower level of the course, and you will automatically be wait-listed for all parts of the course. If a space becomes available in the lowest level of the course, you will be automatically enrolled in all parts of the course.

Wait-List Positions

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and schedule-adjustment periods, it's a good idea to list your schedule frequently to find out your position on the wait list. To find out your wait-list position, call CU Connect

and list your schedule. To list your schedule, press 5# (see the instructions on your confirmed registration form). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) is announced when you list your schedule. Wait-list positions are normally updated nightly.

If you choose not to remain on a wait list, drop your name from it as soon as possible by entering 3*, followed by the course call number. Other students may be waiting to enroll in the course.

GETTING YOUR SCHEDULE/BILL

If you register after May 19, your schedule/bill and ID validation sticker are mailed to your summer address (or permanent address if you don't have a summer address). If you receive your schedule/bill and ID validation sticker in the mail, you do not need to pick up a copy on campus.

If you register by May 19 but make significant changes to your schedule after you receive it in the mail, or you need another copy of your schedule, you can get a printout of it on June 2 in Regent Administrative Center from 8:30 a.m. to 4:00 p.m. (or on July 10 for terms B, F, I, independent study, or thesis hours).

If you register after May 19, you can pick up your schedule/bill and ID validation sticker on June 2 in the foyer of Regent Administrative Center from 8:30 a.m. to 4:00 p.m. (or on July 10 for terms B, F, I, independent study, or thesis hours). Schedule/bills and ID validation stickers are also available beginning June 5 in the registrar's office, Regent 105, from 9:00 a.m. to 4:00 p.m.

Validating Your Summer ID

Students who register by May 19 receive their summer schedule/bill and ID validation sticker in the mail. If you do not receive these in the mail, or if you register after May 19, your photo ID can be validated for summer on June 2 between 8:30 a.m. and 4:00 p.m. in the foyer of Regent Administrative Center, Regent 105.

REGISTERING FOR SUMMER SESSION

If you register on campus, the last page of your summer payment form can serve as your summer ID, or you can have your CU-Boulder photo ID validated. On June 2, after you've registered for courses, you can have your payment form or CU-Boulder photo ID validated in the foyer of Regent Administrative Center, Regent 105.

Beginning Monday, June 5 from 9:00 a.m. to 4:00 p.m., you can go to the Office of the Registrar in Regent 105 to have your form or your ID validated. Your summer schedule/bill can also serve as your ID for summer session. Note that there is a \$2 charge to replace your ID validation sticker.

Photo IDs

New summer degree students who register for fall or those degree students who need a replacement photo ID should go to the Photo ID Office in UMC 25 to have a permanent photo ID made.

Nondegree summer students may purchase an optional summer-only CU-Boulder photo ID for \$5 after they have registered. (*Note:* Your summer schedule/bill or summer payment form can also serve as your ID for summer session.)

Photo ID Office hours are 11:00 a.m. to 4:00 p.m. A picture ID is required to obtain a Boulder summer ID.

Understanding Your Schedule

Your schedule/bill reflects any courses you are registered for through the "activity through" date printed on the schedule/bill. If you have a message instead of a course title or if a course you requested does not appear, it means you are not registered for that course. Keep your class schedule as a record of your registration.

ADJUSTING YOUR SCHEDULE

You can adjust your schedule by dropping and adding courses via CU Connect. To drop or add a course, follow the procedures you use to register (see the "Drop/Add Deadlines" section below for time limitations). Be sure to keep your confirmed registration form as a record of the courses in which you are enrolled.

If you want to change your credit hours or adjust pass/fail or credit/no credit status after you initially register for the course, go to the registrar's office in Regent 105 to have the change made for you on a computer. This is for your own protection! If you make these changes via telephone, you must first drop the course before changing your status, and there is the possibility you won't be able to add the course again once you have dropped it.

Drop/Add Deadlines

If you drop a course by the appropriate deadline listed below, your bill will be adjusted. *If you are dropping all of your summer courses, see the information on withdrawing on the next page.*

The drop/add deadline (see the chart below) is the deadline to:

- add a course
- drop a course and receive a tuition adjustment (see the next page if you are dropping all of your summer courses or your only course)
- drop a course without receiving a W on your transcript
- designate pass/fail status changes
- change credit/no credit status
- designate a different credit load
- make variable credit-hour changes

To drop a course after the drop/add deadline through the deadline to drop without petitioning your dean (see below), you must obtain your instructor's signature on a special action form to drop a course. Thereafter, you may not drop courses unless there are circumstances clearly beyond your control (i.e. accident, illness). In that case, in addition to the instructor's approval, you must also obtain approval from your academic dean.

DROP/ADD DEADLINES

Term	Course Section Number	Drop/Add Deadline (4:00 p.m.)	Deadline (4:00 p.m.) to Drop Without Petitioning Your Dean
A	100-199 or 810-819	June 9	June 16
B	200-299 or 820-829	July 17	July 24
C	300-399 or 830-839	June 16	June 27
D	400-499 or 840-849	June 16	June 27
	900-999 (independent study, thesis, and doctoral dissertation hours)	July 17	July 24
E & F	500-699 or 860-869: • intensives lasting 2 weeks or less • intensives greater than 2 weeks	2nd day of class 5th day of class	3rd day of class 6th day of class
I	700 (math modules)	July 17	July 24

Note: Please see the next page if you are dropping *all* of your summer courses or your only course.

REGISTERING FOR SUMMER SESSION

DROPPING ALL OF YOUR SUMMER COURSES (WITHDRAWING FROM SUMMER SESSION)

If you are a *continuing or nondegree student* who registers for courses and then decides not to attend summer session, you must cancel your summer registration by dropping *all* summer courses by midnight on June 2 to avoid any financial penalty. Refer to the chart below for financial penalties assessed for withdrawing (or dropping all your courses) after June 2 (even if you registered *after* June 2).

New and readmitted students who withdraw from summer session by dropping all summer courses before June 2

are assessed \$100 in tuition and fees. Refer to the chart below if you withdraw or drop all your courses after June 2 (even if you register after June 2).

To drop *all* of your courses (withdraw from summer session) or cancel your summer registration, fill out a withdrawal form in the registrar's office, Regent 105, or send a letter to the University of Colorado at Boulder, Withdrawal Coordinator, Campus Box 7, Boulder, CO 80309-0007. Withdrawals from summer session after the drop/add deadline may require your instructor's or dean's approval.

If you do not withdraw, you will receive failing grades in the courses for which you were registered and you must

pay full tuition and fees. If you stop attending a course without officially dropping it, you will receive a grade of *F* in that course. *Note:* If you are dropping a summer course but are remaining enrolled in another course(s), refer to the drop/add deadlines and information on page 29.

Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

SUMMER WITHDRAWAL ASSESSMENT SCHEDULE

Note: If you are dropping a summer course but still remain enrolled in another, refer to the drop/add deadlines and information on the previous page.

REGISTERING FOR SUMMER SESSION

UPDATING YOUR ADDRESS

A correct address is vital for you during the summer, as the registrar's office mails important documents such as your schedule/bill, ID validation sticker, grades, and financial aid notifications.

You can complete a change-of-address form at the registrar's office in Regent 105 or the Photo ID office in UMC 25. You can also call (303) 492-6581 to update your address, or you can complete a change of address form at on-campus registration.

Summer Address

If you will not be at your permanent address, but would like to receive your mail where you will be from May through early August, give the registrar's office a summer address and they will send your schedule/bill and any financial aid notifications to you at your summer address.

Permanent Address

Your permanent address is considered your "home base" address (a local address where you reside all year or the address of someone who knows how to reach you, usually your parents). If you do not have a summer address, your schedule/bill, ID validation sticker, grades, and financial aid notifications are sent to you at your permanent address.

REGISTRATION MISCELLANY

Final Examinations

Final examinations are given during the last two class periods in the term. Early examinations are not permitted.

Time Out Program

The University's Time Out Program (TOP) is a planned leave program for a minimum of one semester or a maximum of one year. Currently enrolled CU-Boulder students who are in good standing in their college or school can apply for TOP. Your academic dean must approve your leave, and you must pay a \$31 program fee when you apply.

For further information on TOP, or for an application, contact the University of Colorado at Boulder, Office of the Registrar, Regent 105, Campus Box 7, Boulder, CO 80309-0007, or call (303) 492-8673.

Faculty and Staff Summer Registration and Tuition Benefits

If you are a permanent faculty or staff member at the University, you may take up to 6 free credit hours each year; however, you will still be assessed any applicable course fees. The academic year begins with summer session, and the number of free hours is prorated based on full-time employment status. Enrollment

is on a space-available basis during the schedule adjustment period, unless you wish to register early. In that event, you are charged full tuition and fees.

Tuition Benefits and Registration Procedures. All faculty and staff who wish to use their tuition benefits when they enroll for summer session 1995 must take a copy of their Personnel Action Form (PAF) to the Bursar's Office by 4:00 p.m., May 5. If you are a new student (degree or nondegree), you must turn in the appropriate application for admission to the Bursar's Office with your PAF. Registration information is available from the Bursar's Office when you turn in your PAF. For further information, call (303) 492-5381.

Registering for Fall

If you are a new or readmitted degree student this summer and are eligible to register for fall semester 1995, fall registration materials are mailed to you at your summer address approximately two to three weeks after you register for summer. You will receive a *Fall 1995 Registration Handbook and Schedule of Courses* as well as information on when you may register. If you do not receive registration materials for fall within three weeks of registering for summer, or by August 4, please come to the Office of the Registrar, Regent 105, between 9:00 a.m. and 4:00 p.m., or call (303) 492-4822.

If you're a new freshman or transfer student in the College of Arts and Sciences for summer, you register for fall during your summer-to-fall orientation program. For information, call the Office of Orientation at (303) 492-4431.

Paying for

Summer Session

Summer expenses vary, depending on your program of study and your residency classification. Summer session 1995 tuition rates are shown in the charts below. For a sample budget of estimated expenses, see page 39.

As a summer student, you also must pay student activity fees. A summer 1994 fees chart is shown on page 36 for planning purposes. Fees for summer 1995 were not finalized at the time this catalog was printed (February 1995).

STUDENT FEES

The fees you pay support a number of campus programs and services. The UCSU (University of Colorado Student Union) fee supports the University Memorial Center, the Student Recreation Center, Wardenburg Student Health Center, student government programs, and other activities. A student computing fee of \$7.50 (for new computing equipment, networking for labs, CUline, the electronic mail system, and other services) is assessed to students who are enrolled in 6 or fewer credit hours, and \$15 is assessed to students who are enrolled in 7 or more credit hours. In addition to UCSU student fees, all students are assessed an

RTD bus-pass fee of \$12.00 each semester. This pass entitles you to unlimited free rides, with your validated student ID, on local, regional, and express bus routes. All students are assessed a non-refundable \$6 student information system fee.

Fees are based on the number of weeks you are enrolled. Students who enroll for more than one summer term, or overlapping summer terms, will pay fees for all of the applicable terms, to an *estimated* maximum of \$110.60. Students registering for independent study are assessed fees for 10 weeks. University services are available only for the number of weeks of enrollment.

SUMMER 1994 FEES	
Enrollment	Student Fees*
One week	\$11.06
Five weeks (Term A or Term B)	55.30
Eight weeks (Term C)	88.48
Ten weeks (Term D and independent study only)	110.60
Term E or F— intensive course only	11.06 times number of weeks enrolled

* Student fees for summer 1995 were not finalized by the date this catalog was printed (February 1995).

COURSE FEES

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, and materials that are required to teach courses in certain departments. Course fees are assessed for all courses taught in the following departments:

Astrophysical, Planetary, and Atmospheric Sciences	\$21
Chemistry and Biochemistry	\$21
Engineering	\$18

EPO Biology	\$21
Geological Sciences	\$21
Journalism	\$16
Kinesiology	\$21
MCD Biology	\$21
Music	\$13
Physics	\$21

Various course fees also exist in the College of Architecture and Planning, the Department of Fine Arts, the School

of Law, and the Departments of Anthropology, Geography, Film Studies, and Dance. A placement fee of \$250 per semester is assessed to all MBA students. In addition, lab courses not linked to a lecture course may require payment of a course fee.

Comments concerning course fees are welcome and should be addressed in writing to the Office of the Chancellor, Campus Box 17.

PAYING FOR SUMMER SESSION

ENROLLMENT DEPOSIT

If you're a new degree student, you will need to pay a nonrefundable \$200 enrollment deposit before you can register for classes. This deposit must be paid at least 24 hours before you register.

If you are required to attend an orientation program, you will be notified by mail and you will register for classes at orientation (if you have paid your enrollment deposit at least 24 hours before orientation). The enrollment deposit is waived for nondegree students.

If you are not required to attend orientation, you may register at on-campus registration if you have paid your nonrefundable \$200 enrollment deposit for summer session 1995 at least 24 hours before you register.

For continuing degree students, your enrollment deposit is held until you graduate or officially withdraw from CU-Boulder, within established dates and guidelines (see page 30 for withdrawal information). At that time, your deposit will be credited toward any outstanding financial obligations you may have, and a refund will be mailed to you in approximately eight weeks. Interest earned from enrollment deposits is used for student financial aid.

MATRICULATION FEE

If you are a degree student *new to a program*, you must pay a nonrefundable matriculation fee of \$15 at registration. If you are a nondegree student who is admitted to degree status, we will assess a \$15 matriculation fee when you first register as a degree student.

NONDEGREE STUDENTS

Nondegree students with a prior baccalaureate degree are assessed tuition at the graduate student rate *unless they enroll in undergraduate courses only*, in which case they are assessed tuition at the undergraduate rate. Nondegree students without a baccalaureate degree are assessed tuition at the undergraduate rate.

TUITION AND FEE INFORMATION ON CULINE-PLUS

Do you need to know how much you owe on your tuition and fee bill? Has your financial aid (including loan proceeds) been applied to your bill and is a refund check available to pick up? What is the due date of the next tuition and fee bill?

All these questions can be answered by accessing CULINE-PLUS anytime, including nights and weekends, at various terminals located around the campus (see page 27 for CULINE terminal locations). If you have any questions regarding tuition information on CULINE-PLUS, please call the Bursar's Office at (303) 492-5381.

Tuition Drop Boxes

Permanent drop boxes are located outside Regent Administrative Center at the north and south entrances. The boxes are available 24 hours a day, seven days a week, for you to drop off tuition payments, telephone bill payments, and any other bills owed to the Bursar's Office. If you are using the U.S. Postal Service, please mail your payment early. The University must receive your bill by the published deadlines. Postmark dates are not honored.

TUITION AND FEE DEADLINES

This summer, payment of your bill is linked to when you register for classes. If you register before June 9, your tuition and fee bill is due in full by 4:00 p.m. on June 23. If you register between June 10 and July 17, your tuition and fee bill is due by 4:00 p.m., July 28.

Students who register after July 17 are required to pay their bill in full when registering. A bill will be mailed for any remaining balance to your summer address (or permanent address if a summer address is not on record for you).

The deferred payment plan is not available during the summer.

If you register	You can pick up your bill or it will be mailed	Your tuition and fees are due (4:00 p.m.)
By May 19	Mailed May 22	June 23
May 20-May 31	Pick up June 2	June 23
June 1-June 9	Mailed June 12	June 23
June 10-June 23	Mailed June 26	July 28
June 24-July 5	Pick up July 10	July 28
July 6-July 17	Mailed July 18	July 28

Even if you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and paying it on time.

All checks containing restrictive endorsements are null and void and nonbinding on the University.

Getting Your Refund Check

A recent survey indicated students would prefer their refund checks be mailed at the beginning of the semester. Therefore, refund checks resulting from financial aid credits on tuition bills are mailed as stated below.

If your tuition account reflects a credit balance, or if financial aid is applied to your account by June 1 that results in a credit balance, a refund check is mailed to your local mailing address on June 3. **Make sure your address is current.**

If your tuition account reflects a credit balance after June 1, a refund check is available at the cashiers window in Regent Hall. You must have your photo ID with you to pick up your check. Checks not picked up are mailed on a monthly basis.

Failure to Pay in Full by the Deadline

University policy requires that a financial stop be placed on your record if you fail to pay your full tuition and fee bill by the published deadline.

Colorado law requires the University to place all delinquent accounts with the state's Central Collection Services Office. If your account is referred to a collection agency, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

A late payment charge is assessed according to the following schedule:

Balance Due	Late Charge
\$99.99 or less	\$ 5
100 –299.99	\$10
300 –499.99	\$20
500 –699.99	\$30
700 –899.99	\$40
900 and over	\$50

Personal Check Policy

If you write a bad check (regardless of the amount) to the University, you may be subject to late charges and service charges, and a stop will be placed on your record. A \$17 returned check charge will be assessed, in addition to the amount due to the University. You may also be liable for collection costs and prosecution under the Colorado Criminal Statutes. Specific inquiries concerning reporting of bad checks should be directed to the Student Debt Management department in the Bursar's Office at (303) 492-5571.

Note: All checks containing restrictive endorsements are null and void and nonbinding on the University.

Failure to Complete Financial Transactions/Financial Stops

If you fail to pay your bill, miss payment deadlines, or write delinquent checks to the University, you are subject to late fees, finance charges, and financial stops.

Financial stops prevent you from registering for any future terms, receiving a diploma, dropping or adding classes, or receiving an academic transcript of work at the University; you may also be withdrawn from the University for future terms.

Late Registration Fee

The University charges a \$20 late registration fee to all students (including those registering for master's or doctor's thesis) who do not register by the deadline.

SCHEDULE ADJUSTMENT

Be aware of the deadlines for dropping and adding classes to avoid being charged for credits you drop after the schedule adjustment deadline (see page 29).

You are charged for all added credits. However, you will *not* receive a tuition and fees refund for credits dropped after the fifth working day of a 5-week term or the tenth working day of an 8- or 10-week term (i.e., June 9 for term A), regardless of the number of times the class meets.

Drop classes by 4:00 p.m. on the following dates in order to have your tuition and fee bill adjusted, regardless of the number of times the class meets:

- ◆ June 9 for term A
- ◆ July 17 for term B
- ◆ June 16 for terms C and D
- ◆ the second day of classes for intensives that last two weeks or less
- ◆ the fifth day of class for a course lasting from two to five weeks

Note: If you are dropping *all* your courses, refer to the withdrawal information below.

WITHDRAWALS

Continuing and nondegree students who cancel their summer registration by Friday, June 2, will not be assessed any financial penalty. New and readmitted students who cancel their summer registration by June 2 will be assessed \$100 in tuition and fees. For other withdrawal deadlines, refer to the "Summer Withdrawal Assessment Schedule" on page 30.

PAYING FOR SUMMER SESSION

RESIDENCY CLASSIFICATION

For tuition purposes new students are classified as resident (in-state) or non-resident (out-of-state) on the basis of information provided on their application for admission and other relevant information. If your parents do not live in Colorado, and if you will not be 22 years of age by the first day of class for the term for which you are applying, you must submit a petition for in-state classification (see address below).

Petitioning for In-State Classification

If you feel your classification is incorrect or you are eligible for a change to resident status, you must submit a petition with documentation in order to have your status changed. For the necessary petition forms and an explanation of the Colorado tuition classification statute, contact the University of Colorado at Boulder, Tuition Classification Coordinator, Regent 1B54, Campus Box 20,

Boulder, CO 80309-0020, telephone (303) 492-6868. If you are a student at another CU campus, you should address your inquiries to the appropriate Office of Admissions and Records.

If you are a resident of a participating western state enrolled in a graduate program approved by the Western Interstate Commission on Higher Education, you are entitled to resident tuition rates. Call or write the tuition classification office or your academic department for further information.

Petitions for residency classification are due by June 9, 1995, for terms A, C, and D. Petitions for term B are due by July 14, 1995. Petitions for terms E and F must be submitted by the first day of class.

Further information on tuition, fees, and deposits is available from the Bursar's Office, (303) 492-5381. The Board of Regents reserves the right to change tuition without notice.

Summer Parking Permits

Students who wish to park a vehicle in a parking lot on campus must purchase a permit (a valid vehicle registration must be presented). Parking permits for summer session will be sold on Friday, June 2 and Monday, June 5, at the Coors Events/Conference Center from 8:30 a.m. to 4:00 p.m. After that day, permits will be sold at the Parking Services Office, 1050 Regent Drive.

Permits for summer 1995 cost \$22.50 to \$30 for a 5-week session (term A or B) and \$45 to \$60 for the entire summer session (term D). Permits must be paid for by cash or check. Campus parking and traffic regulations apply to all vehicles while on campus. For more information, call (303) 492-7384.

ESTIMATED EXPENSES

Expenses for summer session students at CU-Boulder vary, depending on your residency, where you live in Boulder, and your personal needs and interests. The following figures are *estimated* expenses for a single student taking 6 credit hours in the College of Arts and Sciences for the entire summer session.

University Educational Expenses	Resident ¹	Nonresident ¹
Tuition ²	\$ 774	\$2,520
Fees ³	122	122
Room and Board		
Off Campus ⁴	1,950	1,950
<i>Subtotal</i>	<i>\$2,846</i>	<i>\$4,592</i>
Estimated Additional Expenses		
Books and Supplies	144	144
Transportation	250	250
Medical ⁵	262	262
<i>Subtotal</i>	<i>\$656</i>	<i>\$656</i>
Total	\$3,502	\$5,248

¹ Classification of students as resident or nonresident for tuition purposes is governed by state law. Detailed information is available from the tuition classification coordinator.

² Tuition figures are based on 6 semester hours of course work in the College of Arts and Sciences. See the tuition charts on page 35 for tuition rates for other colleges and schools.

³ Additionally, there is a one-time, nonrefundable matriculation fee of \$15 for new degree students. This fee is assessed at the time of initial registration only and is not included in the sample budget.

⁴ Also includes personal expenses (for clothing, recreation, and other expenses).

⁵ Out-of-pocket estimate for 10 weeks. Continuing students who have student health insurance for spring semester 1995 are automatically covered for summer session. A separate summer session health insurance plan is available to students not already covered.

Receiving

Financial Aid

Applying for summer 1995 financial aid requires two

separate application processes:

- You must complete a 1994-95 Free Application for Federal Student Aid (FAFSA), and
- You must complete a CU-Boulder summer financial aid application, as explained here.

Completing the Free Application for Federal Student Aid (FAFSA)

Your completed FAFSA must be sent to the processor so it is received by May 1, 1995. *This is an absolute deadline.* FAFSAs not at the processor by May 1 cannot be considered for summer funds.

Completing the CU-Boulder Summer Financial Aid Application

If you submit the FAFSA by May 1, 1995, you can apply for summer aid by completing the following.

- Continuing students must apply for summer financial aid via the telephone. Use the worksheet on page 42 to prepare your summer application.
- New freshmen, transfer, graduate and nondegree students for summer must call the Office of Financial Aid at (303) 492-5091 to request a summer application.

The priority date for summer work-study is *March 15, 1995*. For continuing students to be considered for loans, you must telephone in your summer application information at least four weeks before your summer classes begin. Your summer financial aid application will be accepted *only* if information from your 1994-95 FAFSA has been received in the Office of Financial Aid. The last day to apply by telephone for summer aid is July 21, 1995. Summer aid applications will not be accepted after this date.

If you did not apply for financial aid during the 1994-95 academic year, the information you provide on your FAFSA must be verified. You need to send signed copies of the first two pages of your and your parents' 1993 tax returns in order for us to complete verification. If we need additional documents to complete your file, we will send you a missing information letter. Be sure your address is current with the Office of the Registrar.

In order to receive federal loans for summer session, you must enroll at least half time for credit in a regular degree program during summer session. *For financial aid purposes, 6 semester hours is considered half time for undergraduate students.* Graduate students should consult with the Graduate School to determine half-time enrollment according to their graduate status.

GRANTS

Federal Pell Grant

All undergraduate applicants who are enrolled for summer will be considered for Federal Pell Grants.

You must have remaining eligibility from the 1994-95 academic year. If you were a full-time student during fall and spring, you probably have used all of your Federal Pell Grant eligibility for 1994-95.

You must have filed your 1994-95 FAFSA by May 1, 1995, and telephoned in the information for the CU-Boulder summer aid application.

LOANS

William D. Ford Federal Direct Student Loan Program

In order to apply for a federal direct loan (formerly Stafford loan) for summer, you must file the 1994-95 FAFSA, as well as the CU-Boulder summer aid information. Eligibility for summer federal direct loans is dependent upon the cost of summer attendance and the amount borrowed during the academic year.

For example, students who were eligible for a \$5,500 Federal Direct Stafford Loan during 1994-95, but borrowed only \$4,000, are still eligible for the remaining amount for summer, depending upon the cost of summer attendance.

FINANCIAL AID DEADLINES

March 15, 1995	Application priority date for summer work-study
May 1, 1995	Last day for 1994-95 FAFSA to arrive at the federal processor
July 21, 1995	Last day to telephone in summer application information (see page 42)

RECEIVING FINANCIAL AID

Additionally, you may borrow summer funds through the unsubsidized Federal Direct Student Loan, the Federal Ford PLUS, or the additional unsubsidized Federal Direct Stafford loan. You must file the 1994-95 FAFSA. Eligibility is dependent upon the amount borrowed during the academic year and the cost of attendance. We will send you a summer award offer if you are eligible for summer aid. If you qualify for loans, we will include appropriate loan applications if necessary and instructions on how to apply. You must decline or accept your awards and return a signed award offer. *Your Federal Direct Stafford or PLUS loan will be disbursed once you are enrolled and have returned your summer award offer and promissory note(s).*

WORK-STUDY AWARDS

Summer Work Study

Priority will be given to all applicants who telephone in their application information by March 15, 1995. Your FAFSA information must also be received in the Office of Financial Aid by that date. Preference for work-study will be given to those students who had work-study earnings during the 1994-95 academic year. Summer work-study awards can be earned during the 14 weeks between May 7 and August 12, 1995. If you have not been awarded work-study by May 5, 1995, it is

unlikely that you will receive a summer work-study award. To be awarded work-study if not enrolled for summer term, you must have been enrolled at CU-Boulder during spring 1995 and you must enroll for fall 1995.

In addition, if you are awarded summer work-study, you may be assessed a summer savings requirement. This amount is the difference between your summer aid eligibility and your work-study award. Therefore, any amount greater than your aid eligibility is counted toward summer savings. This amount will show up on your summer award letter as "Expected Summer Savings." It will also appear on your 1995-96 financial aid award offer as a resource. You are expected to save this amount from your summer earnings to use toward your 1995-96 school-year expenses.

If you are awarded summer work-study, you will receive information with your award letter indicating the date by which you must begin earning your work-study award. If you cannot begin working by this date, you must notify the Office of Financial Aid or your award will be cancelled.

To comply with the Revenue Reconciliation Act of 1990, all work-study recipients may be required to contribute to a retirement fund. A payroll deduction will be taken from your checks during the summer, so plan accordingly.

If your enrollment status changes (e.g., from enrolled status to non-enrolled status, or from 6 to 3 hours), your aid eligibility may change for the summer. You *must* notify the Office of Financial Aid of any changes in your enrollment status. You may do so by calling (303) 492-5091 and pressing 7.

Summer Hourly Employment

Both work-study and non-work-study positions for summer are posted at the Student Employment and Service Learning Center in UMC 165 and on CULine. Positions include clerical assistants, food service workers, grounds keepers, night clerks, painters, conference aides, lab assistants, student librarians, cashiers, and peer counselors.

The Job Location and Development (JLD) program is also available to assist you in locating suitable off-campus hourly employment. If you are interested, come to UMC 165 or call (303) 492-5091 (press 5 and then press 2 to arrange an appointment). JLD also administers an on-call service to place you in temporary assignments, including babysitting, yard work, clerical, and general labor positions. If interested, pick up an application form from Student Employment. In addition, JLD offers a job-match service to help match your specific skills with an appropriate employer. Applications are available at the Student Employment and Service Learning Center in UMC 165.

RECEIVING FINANCIAL AID

APPLYING FOR SUMMER 1995 AID—FINANCIAL AID WORKSHEET

General Instructions

You must complete this worksheet before calling the Office of Financial Aid. If you will be enrolled for summer, follow the instructions after each question. If you will not be enrolled for summer, you may only apply for summer work-study, and you need only complete questions 1, 2, 3, and 11.

If you will enroll in summer classes through the Division of Continuing Education or through the CU-Boulder Study Abroad Program, you must make an appointment to see a financial aid counselor to process your summer aid. (You cannot use the telephone application program.)

After Completing the Worksheet

You may call (303) 492-5091 and press option 7. Please have your Student ID, Personal ID Number, and your answers to this worksheet ready when you call. Use your telephone key pad to enter "Y" for Yes or "N" for No. At the end of your application, you will be given an opportunity to verify that your entries were correct. If you have any questions, or need assistance, please stop by the financial aid office located in Environmental Design 2, or the Student Employment and Service Learning Center in UMC 165. Both offices are open Monday through Friday, 9:00 a.m. to 4:00 p.m. You may call the office at (303) 492-5091 and press *H to speak with an advisor.

If you need to change any of the information after you have phoned in your application, you may phone in your corrections or follow the instructions that will be given to you when you call in on the summer application line.

Summer housing choices range from University facilities for single and married students to off-campus rentals in all areas of Boulder. These choices are available through the offices designated below.

LIVING ON CAMPUS IN THE RESIDENCE HALLS

If you're a summer student applying for housing in the residence halls, please complete and return the University of Colorado residence halls application for summer 1995 (see page 45). Your completed application should be mailed to the Residence Halls Reservation Center, Hallett 80, Boulder, CO 80310. Include an advance payment of \$100 to complete your summer housing application. All residence hall facilities are reserved on a first-come, first-served basis, without regard to race, religion, or color.

Most rooms are rented on a room and board basis; however, there is a limited number of room-only accommodations for upper-division students. No meals are served on Sundays during summer session and refunds are not provided for meals missed.

University housing reservations (and advance payments) and University admissions confirmation procedures (and deposits) are separate transactions, one of which does not guarantee the other. For information regarding admission to the University or confirmation procedures, call the Office of Admissions at (303) 492-6301.

Rates for summer session 1995 were not yet determined when this publication went to press (February 1995); however, an increase over 1994 is anticipated. 1994 rates are listed on the next page. If you reserve a room, we will inform you of any rate increase. Rates are subject to change. You must pay your room and board for the entire period reserved at the time you check in.

You may move in after 8:00 a.m. on May 31 for terms A, C, and D, and on July 9 for term B. Unless you give advance notice, you must occupy your room no later than the first day of classes for the term in which you are enrolled or your room may be released to another student.

You must move out of your room before 10:00 a.m. on the day after the term ends. If changes in the University academic calendar require changes in residence hall occupancy and meal service dates, notice will be sent with room assignments.

If you are taking a short-term course (less than five weeks), you may arrange to live in a residence hall. For further information, write to the Residence Halls Reservation Center.

Freshman Degree Students

If you are a freshman degree student during summer session or a freshman attending your first two academic semesters (fall and spring), you are required, subject to the availability of space, to live in a University residence hall. Exceptions include students who are married or live with parents in the Boulder area and have permission to commute.

You may request permission to live off campus for other reasons. Your request is considered on its merit, taking into account your individual circumstances. For information regarding freshman permission to reside off campus, contact the Assistant Director of Housing, Hallett 64, Boulder, CO 80310. You must have permission from the assistant director of housing to live off campus before you confirm your intent to enroll at the University.

If you are a freshman admitted for summer session 1995 and intend to continue on the Boulder campus in the fall, we encourage you to submit both your summer and fall housing reservations at the same time and as early as possible.

Freshmen who want fall housing and who are admitted for summer or fall but who confirm their intent to enroll late or submit housing materials late (usually after mid- to late May) cannot be guaranteed space in a University residence hall for fall. If space is not available, you will be offered assistance in finding off-campus housing.

Residence Halls

All residence halls offer a variety of attractive and comfortable accommodations, including single and double rooms and a dining room within the building or nearby. Residence halls that will be used during summer session 1995 were not designated when this catalog went to press (February 1995).

Freshmen and sophomores usually share a designated residence hall. Other areas are set aside for upper-division students. A limited number of single rooms are available upon request; however, single rooms cannot be guaranteed.

A limited number of furnished buffet apartments are available without a meal plan in Reed Hall for seniors and graduate students only. Except in the case of mutually requested roommates, all assignments in Reed are singles. Private bath, two closets, and a kitchenette with stove and refrigerator are included. Rates per apartment were \$857.75 for summer session 1994, based on occupancy from June 1 to August 12. Summer 1995 rates are expected to increase. (Please be advised that Reed Hall may be closed during the summer of 1995 due to renovation activities. If this becomes the case, you will be so advised.)

If you meet the residence hall application deadline, we will notify you by mail of your specific residence hall assignment before the beginning of the term you plan to attend.

FAMILY HOUSING

The University owns and operates a variety of buffet, one-, two-, and three-bedroom furnished and unfurnished apartments for student families, married couples, and single parents. Residents come from all parts of the world and form a unique and diverse community. For further information, contact the Family Housing Office, 1350 Twentieth Street, Boulder, CO 80302, or call (303) 492-6384.

OFF-CAMPUS HOUSING

If you are looking for summer housing off campus, visit the Off-Campus Student Services Office, a service of student government.

Because of greater availability, housing is usually less expensive in the summer. The office has listings of rooms, houses, and apartments for rent in the Boulder community and a list of students looking for roommates. You may pick up a computerized list of available rentals (\$1.00 plus \$.15/page), use the free telephones for a rental or a roommate search, and talk with assistants about the Boulder area in the office in UMC 336.

For more information, contact the University of Colorado at Boulder, Off-Campus Student Services Office, Campus Box 206, Boulder, CO 80309-0206, telephone (303) 492-7053.

Assistants are available to advise you about leases, security deposits, effective techniques for living with a roommate, and ways to avoid landlord/tenant problems. The office sells Boulder maps (\$1.50) and provides free copies of the Boulder Tenants' Guide (an easy-to-understand summary of tenants' rights and responsibilities), and other off-campus housing related matters.

If you are interested in eating your meals on campus, you may choose from two meal plans. For information about the residence hall meal plan, call (303) 492-6871; for information about the University Memorial Center meal plan, call (303) 492-8832.

Visit the Off-Campus Student Services Office in UMC 336, Monday through Friday between 9:00 a.m. and 4:00 p.m., or call (303) 492-7053. During July and August, the office is also open on Saturdays from 10:00 a.m. to 2:00 p.m.

Remember, freshman students must obtain written permission from the University housing department before obtaining off-campus accommodations for summer session, as well as for fall and spring semesters.

SUMMER 1995 RESIDENCE HALL AGREEMENT

GENERAL. This agreement and application for room and board, accompanied by an \$100 advance payment per individual, is required to reserve your accommodations. Send the application and advance payment to the Residence Halls Reservation Center, Hallett Hall 80, Boulder, Colorado 80310. All checks and money orders should be made payable to the University of Colorado Residence Halls. This application is for summer accommodations only.

NOTE. University regulations require that all freshmen live in the University residence halls for the summer term as well as the following academic year, unless they are married or live with parents or relatives in the Boulder area and have permission to commute.

CANCELLATIONS. If a cancellation is received in the Residence Halls Reservation Center prior to two weeks *before* the beginning of the term or period for which the reservation is made, half the advance payment will be refunded. If a cancellation is received two weeks prior to the beginning of the term or *after* that date, the entire advance payment will be forfeited.

UNIVERSITY LIABILITY. The University shall assume no responsibility for the theft, destruction, or loss of money, valuables, or other personal property belonging to, or in the custody of, the student for any cause whatsoever, whether such losses occur in the student's room, storage room, public area, elsewhere in the hall, or in baggage handling related to shipment or storage. Students are encouraged to carry their own personal property insurance.

WITHDRAWALS AND REFUNDS. If a resident withdraws from the University at the end of a term that is shorter than the term indicated on the front of this application, no liquidated damages will be charged, provided two-weeks notice is given.

Residents who check out of the residence halls at any other time and for any other reason will be charged for the period of occupancy plus 10 days. There will be no refund for check-out during the last 10 days of the term. The period of occupancy is terminated only by formal check-out (personally signing out) at the building office.

Freshmen may not move out of the residence halls during the term unless they withdraw from the University or are released by the Assistant Director of Housing, Hallett Hall 64.

TERMINATION BY THE UNIVERSITY. Upon reasonable notice (normally 48 hours) the University reserves the right to terminate this agreement for: (1) failure of the student to make payment of charges promptly, (2) failure to comply with *A Guide to Residence Hall Living or University of Colorado Student Conduct Policies and Standards*, which are by reference made a part of this agreement, (3) suspension from the University, (4) disciplinary action, (5) behavior which is incompatible with the maintenance of order and propriety in the residence halls. If this agreement is terminated by the University, the charge will be for the period of occupancy plus 10 days.

Resources

at the University

As a summer student, you'll be able to use the same ser-

vices and facilities that are available to fall and spring semester students. These range from campus-wide computing services to support your studies to our recently expanded 215,000-square-foot student recreation center. The listings are in alphabetical order.

CHILDREN'S CENTERS

The University Family Housing Children's Centers at 2202 Arapahoe Avenue and 3300 Colorado Court provide day care for the children of University family housing residents, University staff, and University students, although family housing residents have first priority. The facility at Newton Court (2202 Arapahoe Avenue) is licensed by the state and has a full-time professional staff serving 88 children on a full-day and half-day basis. Children 15 months through 6 years old are eligible for day-care service. The facility at Colorado Court is licensed for 30 children, ages 2H (potty trained) through 6 years old. The centers are open five days a week, from 7:00 a.m. to 5:30 p.m. For information on services, schedules, and rates, call the office at (303) 492-6185.

COMPUTING FACILITIES

Access to computing facilities is available to all students, faculty, and staff on the Boulder campus. Computing and Network Services (CNS) provides a number of computing services, including computing labs equipped with individual workstations, mainframes for multi-user computing, access to electronic mail, and data networks for high-speed access to national and international resources.

Thirty general-purpose computing labs are available for both classes and individual use. They are equipped with a variety of PC and Macintosh equipment and software, and they all provide access to campus data networks. In addition, many of the residence halls maintain computer labs, and many academic departments maintain computing labs dedicated to departmental instruction.

CNS provides an extensive database of campus information (CUline) that includes schedules and calendars, course availability, financial aid information, student job listings, and the popular question-and-answer service, *Ask Ral- phie*. Through CUline-PLUS, a subset of CUline, you can look up your grades, your course schedule, and financial information. More than 50 kiosks dedicated to CUline are located in campus buildings and residence halls.

CNS manages a number of data communications networks, making access to computing resources available from residence hall rooms, computing labs, and campus offices. These networks give you access to a host of computing resources, including the library's public access catalog. Boulder campus users can exchange electronic mail with others on campus as well as with e-mail users all over the world. You will also be able to access national and international infor-

mation databases, electronic discussion lists, and network news.

Teams of computing advisors are available on campus and by telephone at (303) 492-1615. Users can also send electronic mail to HELP if they have questions or suggestions about CNS services.

You can create your own account on one of the campus computers by following the directions on CUline. For more information about computing accounts, call (303) 492-1617.

CONTINUING EDUCATION

The Division of Continuing Education at the University of Colorado at Boulder offers a wide range of noncredit and credit programs each summer.

Noncredit programs include business classes, management development and Total Quality Management certificate programs, computer applications certificate program, the International English Center, personal development courses, real estate education, and special professional and corporate programs.

Credit programs include Boulder Evening credit classes, independent study via correspondence, individualized instruction, and CATECS (Center for Advanced Training in Engineering and Computer Science).

Summer registration hours are 8:30 a.m. to 5:30 p.m., Monday through Thursday, and 8:30 a.m. to 5:00 p.m., Friday. Deadlines differ from those of the Boulder campus registrar's office. Tuition varies and may be paid by MasterCard, VISA, Discover, cash, or check.

For further information or to receive a free catalog, contact the University of Colorado at Boulder, Division of Continuing Education, 1221 University Avenue, Campus Box 178, Boulder, CO 80309-0178, (303) 492-5148, or FAX (303) 492-3962.

COUNSELING AND CAREER SERVICES

Counseling and Career Services: A Multicultural Center offers programs and activities for all members of the University, including students, faculty, and staff of all ethnic and sociocultural backgrounds.

Counseling Services

A variety of individual and group counseling and support services and programs are provided by the center. Workshops are offered, as well as consultation on conflict resolution, cross-cultural issues, and team building. Services are free of charge unless otherwise indicated, and all contacts are confidential. Drop by Willard Administrative Center 134 (main floor) anytime between 7:30 a.m. and 4:30 p.m., Monday through Friday, or call (303) 492-6766 or (303) 492-5667 for an appointment.

Career-Related Services

The center offers career planning, cooperative education/internship programming, and assistance with postgraduate employment. Located on the ground floor of Willard Administrative Center, the career services office is open 8:00 a.m. to 5:00 p.m., Monday through Friday, year-round, and serves University alumni as well as students. Fees are charged for some services. Drop by or call (303) 492-6541.

Free services include career counseling, video practice interviews, workshops on job-hunting and career-planning skills, a career library, and an extensive alumni career network to help students make informed career plans and decisions and to develop strategies for conducting a job search.

Cooperative Education/Internships

The cooperative education/internship program offers students preprofessional work experience while still in school. The program provides academically relevant work experience that complements your studies and enhances your career potential. Part-time, summer, and full-time placements are available.

Career Assistance Services

These services are focused on helping graduating students find professional employment. Services include career interviewing, a job vacancy hotline, resumé referrals to employers, and employer-hosted information meetings. Also, credential files are maintained to assist those pursuing education careers or application to graduate and/or professional schools.

National Testing

The following tests are offered at CU-Boulder: GMAT, GRE, LSAT, MCAT, SAT Achievement Test, and TOEFL. Registration and information packets for these tests can be picked up at the west entrance of Willard Hall on the CU-Boulder campus.

The ACT Residual, CLEP, GSFLT, MAT, and exemption tests (for arts and sciences requirements in geography, quantitative reasoning and mathematical skills, undergraduate foreign language, and written communication) are also administered.

For more information or to register for these tests, come by Willard 29. For specific information, including administration dates and registration fees, call our recorded message line at (303) 492-0363.

CULTURAL UNITY STUDENT CENTER

The Cultural Unity Student Center (CUSC) works primarily with students of color throughout their years in college to form caring partnerships and help students achieve their academic, career, cultural, and personal goals. It is staffed by a culturally diverse team of University personnel and students who serve as counselors, help with educational planning and career development, and make referrals to many other campus and community resources. Feel free to stop by Willard Administrative Center 112 anytime between 8:00 a.m. and 4:00 p.m., Monday through Friday, or call 492-5666 or 492-5667.

DISABLED STUDENT SERVICES

The Office of Services to Disabled Students (OSDS) provides special assistance to students with disabilities regarding admission, registration, housing, financial aid, counseling, and personal needs. Reader services for students who are blind and interpreters for students who are deaf are also offered.

In addition, the campus has a program to support the academic work of students with learning disabilities or attention deficit disorder. Students may stop by the Learning Disabilities Office, Willard Administrative Center 331, or call (303) 492-8671 to discuss their problems or needs.

For further information, contact the University of Colorado at Boulder, Office of Services to Disabled Students, Willard Administrative Center 331, Campus Box 107, Boulder, CO 80309-0107, telephone (303) 492-8671 or (303) 492-4124 (TTY/TDD).

RESOURCES AT THE UNIVERSITY

FOREIGN STUDENT AND SCHOLAR SERVICES

Foreign Student and Scholar Services is located in the Environmental Design Building and is part of the Office of International Education. The office provides orientation and registration assistance to foreign students to help them become acquainted with the campus and the community and to offer information and guidance in all matters that are special to foreign students. Foreign students are encouraged to check in at Foreign Student and Scholar Services before registration and to use the services of the staff. During the summer, the office is open Monday through Friday from 9:00 a.m. to noon and 1:00 p.m. to 4:30 p.m.

GRADES

Following is important information about summer course loads, full-time status, the grading system, how grade point averages are calculated, transcripts, and privacy of records.

Grades via CU Connect

You can access any semester's grades (since summer 1988) by telephone. Call CU Connect at (303) 938-8110 during regular hours of operation (see page 27 or 33) and enter the following information when prompted:

- ◆ the "grade" action code (5003) #
- ◆ the term code #
(The first two digits=YEAR and the last digit=TERM [1=spring semester, 4=summer semester, and 7=fall semester]; for example, the term code for summer session 1995 is 954)
- ◆ your University student number #
- ◆ your PIN #

Summer 1995 grades are available on CU Connect beginning approximately August 18. Please note that on August 24 and 25 grades are available only after 6 p.m.

Part Time/Full Time Course Load Definitions

Undergraduate. In the summer, undergraduate students enrolled in 6 semester hours or more qualify for full-time status.

Graduate. Summer graduate students qualify for full-time status if they are enrolled for at least 3 semester hours in course work numbered 5000 or above; 4 semester hours in a combination of undergraduate, graduate, or professional course work used for graduate credit; or any number of thesis hours.

For further information and guidelines regarding other course load regulations, check the specific college and school sections of the *University of Colorado at Boulder Catalog*.

If you receive financial aid, veterans' benefits, or are living in University housing, check with the appropriate office regarding course-load requirements.

Grading System

The following grading system is standardized for all colleges and schools of the Boulder campus. Each instructor is responsible for determining the requirements for a course and for assigning grades on the basis of those requirements.

Credit Points Per Semester

A	= superior/excellent	4.0
A-	=	3.7
B+	=	3.3
B	= good/better than average	3.0
B-	=	2.7
C+	=	2.3
C	= competent/average	2.0
C-	=	1.7
D+	=	1.3
D	=	1.0
D-	= minimum passing	0.7
F	= failing	0.0

Grade Symbols

NC	= registration on a no-credit basis
W	= withdrawal or drop without discredit
***	= class grades were not submitted by the time final grades were processed, or student is currently enrolled in the course.
IF	= incomplete—regarded as F if not completed within one year
IW	= incomplete—regarded as W if not completed within one year
IP	= in progress—thesis at the graduate level
P	= passing—under the pass/fail option, grades of D- and above convert to a P (other specified courses may also be graded on a pass/fail basis)

Explanation of IF and IW

An IF or IW is an incomplete grade. Policies with respect to IF/IW grades are available in the dean's office of each college and school. Use of the IF or IW is at the option of the academic dean's office.

You must ask for an incomplete grade. An incomplete grade is given only when you, for reasons beyond your control, have been unable to complete the course requirements. You must have completed a substantial amount of satisfactory work before approval for such a grade is given.

At the end of one year, IF and IW grades for courses that are not completed or repeated are regarded as F or W, respectively. The academic dean's office normally will not approve requests for an extension of time to complete the course beyond the one-year deadline.

Your instructor decides whether to grant your request for IF or IW and sets the conditions whereby the course work must be completed. Your instructor may set a time limit of less than one year for completion. You are expected to complete the requirements within the established deadline and not retake the entire course. In some cases, your

instructor, with approval of the department, will determine that you need to retake the course. If you retake the course, you must register again for the course and pay the appropriate tuition.

After you complete the course requirements or retake the course, the *IF* or *IW* grade symbol still appears on your transcript. A second entry is posted on your transcript to show the final grade for the course.

Note: Other schools or colleges, as well as test services such as LSDAS (Law Service), may count the *IW* and *IF* as *F* when they review for transfer or for graduate school. The University of Colorado has no authority or recourse to change these policies.

Grade Point Average

To calculate your grade point average (GPA), add the hours and the credit points for all of your courses and divide the total credit points by the total semester hours. Courses with grade symbols of *P*, *NC*, *W*, *IP*, *IW*, and *IF* are excluded when totaling the semester hours. *IF*s that you do not complete within one year are calculated as *F* at the end of the one year grace period. All grades of *F*, including those earned when registered as pass/fail, are calculated in your GPA. If you retake a course, both final grades earned are used to determine your University GPA.

University of Colorado policy bases your GPA on your level, *i.e.*, undergraduate, graduate, graduate nondegree, or professional. If you are in or may have been in more than one level, you carry a separate GPA for each level. All different levels of work taken at the University of Colorado are included on the same transcript.

Your academic dean's office can give you information about your individual GPA calculations in relation to academic progress and graduation from your college or school.

Academic Standing

Good academic standing in most undergraduate colleges and schools requires a 2.00 GPA. Consult your dean's office about college or school minimum GPA requirements and probationary policies.

Students who have been placed on academic probation are considered to be in good academic standing unless their status changes to academic suspension.

Grade Reports and Transcripts

Grade reports for all summer terms are mailed to students' permanent addresses approximately the last week of August. The grade report is an internal transcript with grade point averages.

Transcripts that include summer term grades are available two weeks after the final examinations for that term. A transcript with your new degree recorded will be available the middle of September.

Your official transcript is a complete academic record of your courses, undergraduate and graduate, taken at all campus locations or divisions of the University of Colorado. These transcripts are prepared only at your request. If you have financial obligations to the University that are due and unpaid, you will not be granted an official transcript. Allow five working days after submitting your request to process your transcript. There is no charge for an official transcript; however, for a rush handling fee, an official transcript can be processed by the next working day. Transcripts mailed directly to you are labeled "issued to student."

You may order a transcript in person at Regent Administrative Center 105, by telephone at (303) 492-8987, by FAX at (303) 492-4884, or by mail from the University of Colorado at Boulder, Office of the Registrar, Transcript Section, Campus Box 68, Boulder, CO 80309-0068. Ordering your transcript by telephone is the most effective method.

Written transcript requests should include the following:

- your full name (include maiden or other name, if applicable)
- your student number or date of birth
- your last term and the campus you attended
- whether your current semester grades and/or degree are to be included when you order a transcript near the end of a term
- full name of the recipient
- complete mailing address of the recipient
- your signature (your authorization to release your records to the designee)

LIBRARIES

The University Libraries are composed of Norlin Library (housing the general humanities and social sciences collections, archives, art and architecture, East Asiatic library, government publications, maps, media, science, and special collections) and five branch libraries: Business, Earth Sciences, Engineering, Math/Physics, and Music. The Law Library is administered by the School of Law.

This system, a constantly expanding network of resources, connects you with:

- Dedicated librarians and staff who provide individual reference assistance, consultation, instruction, and computer searches
- The largest library collection in the Rocky Mountain region, exceeding eight million books, periodicals, government publications, audio-visual materials, microforms, maps, manuscripts, papers, broadsides, posters, and computer-based sources
- Special collections about human rights; Colorado authors, history, and politicians; environmentalism; labor; women's history; peace; mountaineering; English, American,

RESOURCES AT THE UNIVERSITY

and children's literature; photo-books; technical reports; the book arts; and John Milton

- ◆ A regional depository of the U.S. government, Colorado, United Nations, European communities, and GATT, with extensive holdings for World Bank, International Monetary Fund, OECD, UNESCO, and other U.N. affiliated organizations, as well as British documents
- ◆ Computerized networks providing access to the University Libraries collection, the holdings of most Colorado libraries and many library systems nationwide, and periodical and information databases
- ◆ Events, exhibits, lectures, and book sales

The libraries are open on a regular schedule during summer session and provide a full range of library services.

SUMMER LIBRARY HOURS

Monday-Thursday	7:30 a.m.–10:00 p.m.
Friday	7:30 a.m.–5:00 p.m.
Saturday	noon–5:00 p.m.
Sunday	noon–10:00 p.m.

Branch and Law Library hours vary. Call for times.

MULTICULTURAL ACCESS AND COMMUNITY AFFAIRS

The Multicultural Access and Community Affairs team (MACA) of the Office of Admissions provides a mechanism through which ethnic minority students can gain access to a wealth of educational opportunities available at the University. Through MACA, students are introduced to a University network of educational support programs that includes admissions and financial aid assistance; freshman core academic courses; tutorial services; and academic, personal, and career counseling.

Professional staff from the University Learning Center, the Office of Financial

Aid, Counseling and Career Services, the Dennis Small Third World Center, and the Minority Engineering Program, among others, work closely with MACA admissions staff to ensure that ethnic minority students have a quality educational experience.

Students who are from an ethnic minority background (e.g., African American, American Indian, Asian American, or Latino/Hispanic), migrant background, or educationally or economically disadvantaged background can attend a vast array of outreach and support programs designed to address their specific academic needs. Students can take advantage of MACA services during staff visits to high schools, visits to the University campus, or by calling a MACA staff member at (303) 492-6301.

MUSEUM

The University of Colorado Museum is a major resource in the Rocky Mountain region for teaching and research through its collections in anthropology, botany, zoology, and geology. Because of its extensive program of exchanges of specimens and information, the museum has an international reputation. A volunteer program, internships, and courses in museum studies are also offered at the museum.

The exhibit halls, open daily to the student body and the general public, show informative and entertaining exhibits for study and general education at all levels. Special exhibitions drawn from the museum's own collections and from other sources are on display throughout the year.

The museum is free and open to the public, although donations are accepted. For further information, call (303) 492-6892.

MUSEUM HOURS

Monday-Friday	9:00 a.m.–5:00 p.m.
Saturday	9:00 a.m.–4:00 p.m.
Sunday	10:00 a.m.–4:00 p.m.

OBSERVATORY

The Sommers-Bausch Observatory on the Boulder campus is equipped with 16, 18, and 24-inch-diameter reflecting telescopes and a variety of auxiliary equipment. The Department of Astrophysical, Planetary, and Atmospheric Sciences operates the observatory for astronomy courses and astronomical research.

The observatory is open to the public for viewing of planets, stars, and nebulae, as weather permits. There is no admission charge, but reservations are required, as space is limited. For further information, call (303) 492-5002.

OMBUDS OFFICE

The Ombuds Office is available to assist students, faculty, and staff in resolving complaints or disputes with other individuals, offices, or departments within the University.

The Ombuds Office maintains impartiality and confidentiality when working with individuals and operates independently of the usual administrative authorities. The staff is familiar with the organizational structure of the University and can provide current information about campus services, programs, policies, and procedures. The office is located in Willard 302, 492-5077.

PLANETARIUM

Fiske Planetarium, equipped with a Zeiss VI star projector in a 65-foot-diameter dome, is one of the largest and finest planetarium facilities in the world.

Seating 213 in an attractive theatre, Fiske is open to the public for shows, star talks, laser shows, telescope viewing, and hands-on exhibits. It is also used as a teaching facility for classes in astronomy and many other fields. For prerecorded show information, call (303) 492-5001. For additional information and scheduling, call (303) 492-5002.

PRIVACY OF YOUR EDUCATION RECORDS

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of education records, establishes your right to inspect and review your education records in all offices, and provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Periodically, but not less than annually, the University informs students of the stipulations in the act. You also have the right to file complaints with the FERPA office concerning alleged failures by the institution to comply with the act.

If you are a currently enrolled student, you may withhold disclosure of directory information under FERPA. To request that information about you not be released, you should inquire at the registrar's office before the census date of each summer term. Please contact the Office of the Registrar for these dates. Once requested, information will not be released until you are no longer enrolled or request that the registrar's office discontinue withholding information.

Boulder campus students may request information that describes FERPA from the Office of the Registrar, Regent Administrative Center 105, CU-Boulder, Campus Box 68, Boulder, CO 80309-0068.

STUDENT HEALTH CENTER

Wardenburg Student Health Center is a health center staffed by highly credentialed physicians, nurse practitioners, and other health care professionals. As a service of the University of Colorado Student Union (UCSU) and the Joint Health Board, Wardenburg provides quality health care at a reasonable cost to all eligible students and spouses. Campus visitors (conference participants and visiting faculty and staff) may also use the health center.

CU-Boulder students not enrolled in summer session are charged an eligibility fee in order to receive services during the summer at the student rate. The student rate reflects a significant discount from competitive market rates.

A University-sponsored student health insurance plan is available to summer session students. Continuing students who have health insurance for spring semester 1995 are automatically covered for summer session at no additional cost; dates of coverage are approximately early January through mid-August. You may call the Insurance Office at (303) 492-5107 for specific dates.

Summer session hours are Monday through Friday from 7:30 a.m. to 5:00 p.m. and Saturdays from 10:00 a.m. to 2:00 p.m. Hours during semester breaks and holidays coincide with campus hours as posted.

Wardenburg provides the following services during the summer: cold clinic, community health education, dental clinic, substance abuse program, general medical clinic, immunizations, laboratory tests, nutritional counseling, pharmacy, physical therapy, psychiatric care, radiology services, sexual health services, specialty clinic, sports medicine clinic, stress management/biofeedback program, travel clinic, and a women's health care clinic.

Emergency and disabled patient parking is available at no cost near Wardenburg's southwest entrance. Within certain restrictions, free parking is available to all Wardenburg patients at the Euclid Avenue AutoPark, one-half block from Wardenburg. A ticket for use of the parking lot can be validated by the Wardenburg Business Office for the duration of the patient's stay in the health center. Call (303) 492-5101 for details.

STUDENT RECREATION CENTER

Funded largely by student fees, the Student Recreation Center is open to current fee-paying students. Limited memberships are available for purchase by persons affiliated with the University.

The center includes a swimming pool with a diving well; a patio for sunbathing; an ice arena used for hockey, broomball, and skating; handball/racquetball, squash, and tennis courts; a multiuse general gymnasium; dry heat saunas; a free-weight room; a fitness systems room with Cybex equipment; an aerobics studio; an indoor running track; and basketball courts.

A variety of sports equipment may be checked out free of charge, and outdoor sports equipment, including volleyball sets, tents, sleeping bags, and backpacks, can be checked out overnight for a nominal fee.

Members may also participate in a wide range of team sports including ice hockey, rugby, swimming, diving, speed skating, figure skating, lacrosse, soccer, and baseball through the Club Sports Program. The Outdoor Program offers students the opportunity to learn about the outdoors through rock climbing, backpacking, rafting, hiking, and scuba diving trips, in addition to educational

presentations. Through the Instruction Program, members may participate in noncredit classes at various levels of instruction in aquatics, aerobics, skating, tennis, fitness, CPR, first aid, martial arts, advanced lifesaving, yoga, and dance. Intramurals offer leagues, tournaments, and special events in basketball, soccer, broomball, tennis, handball, squash, touch football, badminton, softball, and other sports.

STUDY ABROAD

As a continuing CU-Boulder student or a new transfer student, you may supplement your education with a summer study abroad program. In summer 1995, students can study language in Mexico, China, Japan, France, Germany, or Spain; language or area studies in Israel; art history in Italy; international finance or fine arts and humanities in London; architecture in Denmark; or business in Japan. For some programs, applications are accepted from Thanksgiving until programs are full. Other programs have a March 1 deadline. Applications and further information can be obtained from the Office of International Education. Scholarships are available.

For further information, contact the University of Colorado at Boulder, Office of International Education, Southwest Basement of Environmental Design Building, Campus Box 123, Boulder, CO 80309-0123, telephone (303) 492-7741.

UNIVERSITY MEMORIAL CENTER

The University Memorial Center (UMC) is the focal point for campus nonacademic activities. The UMC was built as a memorial to those who died preserving our democratic freedoms. The facility has also been dedicated as a multicultural center.

The UMC houses a reception desk that provides campus information; a games area for bowling, billiards, and an arcade; the Fine Arts Center with an art gallery, browsing room, and music listening rooms; the photo ID office; and the University Book Center. The food service areas include a cafeteria, grill, delicatessen, pizza parlor, vending area, Mexican cantina, and catering service with several private dining areas. Students also appreciate the convenience of a TicketMaster ticket service; a copy center; and a variety of retail shops and services, including a travel agency, flower shop, and banking facilities.

The UMC also provides a conference center with special meeting rooms; the Glenn Miller Ballroom; the Forum Room for lectures and movies; attractive lounges; and office space for the University of Colorado Student Union (student government), Legal Services, Off-Campus Student Services, Environmental Center, nonacademic room scheduling, KUCB radio station, and numerous student organizations.

VETERANS' SERVICES

Veterans' Services in the Office of Financial Aid assists eligible students in receiving Veterans Administration educational benefits. As a condition of receiving benefits, prospective students must be accepted to a degree program at CU-Boulder, or acceptance must be imminent.

Students whose degree-granting institution is not CU-Boulder must obtain a statement from the academic advisor at their home campus granting prior approval of course work and credit hours at CU-Boulder. Veterans' Services cannot certify enrollment for benefits without this approval.

CU-Boulder is approved for veterans benefits under the following programs: Montgomery G.I. Bill, Chapter 30; Vocational and Rehabilitation, Chapter 31; Veterans Educational Assistance Program (VEAP), Chapter 32; Dependents' Educational Assistance Act, Chapter 35; and the Selected Reserve (and National Guard) Educational Assistance Program, Chapter 106.

The office has a counselor to assist students with planning academic schedules in relation to V.A. regulations and also certifies all enrollments for V.A. educational benefits. An eligible student must provide the office with a list of summer courses as soon as registration is complete. A student may be eligible for advance payment if the student has not used educational benefits within one calendar month from the beginning of the applicable term.

Students who plan to use their V.A. educational benefits while taking courses at CU-Boulder should contact Veterans' Services, Environmental Design 2, telephone (303) 492-7322.

Core Curriculum

This description of the core curriculum contains a number of changes approved by the faculty of the college in spring 1994. This version applies to all students first enrolling in the college in summer 1994 and later.

The specific changes include credit-hour requirement updates, as follows:

1. Written Communication requires 3 hours of approved lower-division course work and 3 hours of approved upper-division course work.
2. Historical Context requires 3 hours of approved course work.
3. United States Context requires 3 hours of approved course work.
4. Contemporary Societies requires 3 hours of approved course work.

Continuing students who first enrolled in the College of Arts and Sciences before summer 1994 may elect to graduate under the new set of core curriculum requirements. These continuing students may satisfy the written communication requirement by passing 3 hours of approved upper-division course work or by passing the written communication proficiency test.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 60). You may not use courses taken to complete a MAPS deficiency to fulfill any area of the core curriculum, with the exception of foreign language.

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement.

For a complete explanation of graduation requirements in the College of Arts and Sciences, see the *University of Colorado Catalog*.

Selected majors are exempt from portions of the core curriculum (see sections 4, 5, and 6 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one requirement.

SKILLS ACQUISITION

1. Foreign Language

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you are required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

CHIN 2020-10	Intensive Intermediate Modern Chinese
CHIN 2110-5	Intermediate Chinese 1
CLAS 2114-4	Intermediate Latin 1
CLAS 3113-4	Intermediate Classical Greek 1
FREN 2110-3	Second-Year French Grammar Review and Reading 1
GRMN 2010-4	Intermediate German 1
ITAL 2110-3	Second-Year Italian Reading, Grammar, and Composition 1
JPNS 2020-10	Intensive Intermediate Japanese
JPNS 2110-5	Intermediate Japanese 1
NORW 2110-3	Second-Year Norwegian Reading and Conversation 1
PORT 2110-3	Second-Year Portuguese 1
PORT 2150-5	Intensive Second-Year Portuguese
RUSS 2010-3	Second-Year Russian Grammar and Composition 1
SPAN 2110-3	Second-Year Spanish 1
SPAN 2150-5	Intensive Second-Year Spanish
SWED 2110-3	Second-Year Swedish Reading and Conversation 1

2. Quantitative Reasoning and Mathematical Skills

You are required to demonstrate minimum competence in Quantitative Reasoning and Mathematical Skills (QRMS). You can fulfill the requirement by passing one of the courses or sequences of courses listed below or by passing the CU-Boulder QRMS proficiency exam.

- a) QRMS 1010-3 Quantitative Reasoning and Mathematical Skills
- b) MATH/QRMS 2380-3 Mathematics for the Environment
- c) MATH 1110-3 & 1120-3 The Spirit and Uses of Mathematics 1 & 2
- d) PHYS 1000-3 Preparatory Physics
- e) GEOL 1600-3 Order, Chaos, and Complexity*
- f) Any three 1-credit math modules: MATH 1000, 1010, 1020, 1030, 1040, 1050, 1060, 1070, 1080, 1090, or 1100. It is recommended that you register for clusters of three modules, for example, MATH 1000-1020, 1020-1040, 1050-1070, or 1080-1100.
- g) Any 3 credits of mathematics courses numbered MATH 1300 and above or applied mathematics courses numbered APPM 1340 and above.

3. Written Communication

Students may meet the lower-division component of this requirement by first passing one of the approved lower-division courses or by receiving a score of 3, 4, or 5 on the English Language and Composition Advanced Placement exam. Students may then complete the upper-division component of this requirement by passing one of the approved upper-division courses or by passing the written communication proficiency exam.

5. Natural Science (13 hours minimum)

The natural science requirement, which consists of passing 13 hours of approved natural science course work, includes one two-semester sequence of courses and at least 1 credit hour of an associated lab or field experience. No more than two lower-division courses may be taken from any single department

(1-credit-hour lab/field experience courses are excepted).

Students who graduate with a major in the natural sciences (Biochemistry, Chemistry, EPOB, Geology, Kinesiology, MCDB, or Physics) are exempt from completing the natural science requirement.

Two-Semester Sequences

(Note: Although not recommended, the first semester of a sequence may be taken as a single course. Also, some sequences have included or optional laboratories.)

ANTH 2010-3 & 2020-3	Intro. to Physical Anthropology 1 & 2 (optional labs ANTH 2030, 2040)

ARTS AND SCIENCES REQUIREMENTS

MINIMUM ACADEMIC PREPARATION STANDARDS

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the minimum academic preparation standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

English	4 high school years (including 2 in composition)
Mathematics	3 high school years (2 in algebra and 1 in geometry)
Natural Science	3 high school years (including 2 in lab science, one of which must be chemistry or physics)
Social Science	3 high school years (including one of U.S. or world history and one of geography; a student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography)
Foreign Language	completion of a third-year-level course (level III) in a high school foreign language sequence

Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.

Note: For additional information, consult the Arts and Sciences dean's office.

Schedule

of Summer Courses

NEW! LINKED COURSES

Registration for lecture courses that have required recitations and/or labs are called *linked* courses, and the process for registering for these courses has been simplified. Now, you can enroll or put your name on a wait list for courses with required labs or recitations with the entry of one call number. In addition, when you add your name to a wait list, you can now enter in the desired combination of lecture and/or recitation and/or lab section at one time. In the past, if you had to add your name to a wait list for a lecture, you were not allowed to register for the required recitation or lab.

With this change, you can now drop courses with labs or recitations by entering just the lab or recitation number (enter only the lab call number if the course has both a recitation and a lab).

Remember: When you drop linked courses, you are dropped from *all* sections of the course, and you do not have to enter separate call numbers for the lecture, recitation, and/or lab.

Which Courses Are Linked

In the course listings, you can identify a linked course because *the call number for a linked lecture is not listed.* (For courses that have a required lecture, recitation, and a lab, the call numbers are not listed for the lecture and recitation; they are listed only for the lab.) See below.

Registering for Linked Courses

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically “links” all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all required sections of the course.

Enrollment

If all sections of the linked course are open (lecture, recitation, and/or lab), you will automatically be enrolled in all parts of the course. CU Connect will verify your enrollment.

Wait Lists

If one section of a linked course is closed, you have the option of searching for another section of the course (if another section is open or exists), or placing your name on the wait list, if a wait list exists for the course. If you are wait-listed for the recitation or lab, then you are wait-listed for all parts of the course (lecture, recitation, and/or lab). You cannot be enrolled in the lecture and wait-listed for the recitation and/or lab.

All wait lists for lecture/recitation or lecture/lab courses are *resequenced* (that is, openings are based on a priority system to determine who enrolls in the course as spaces open up). Open spaces are determined by the recitation or lab you have selected. When an opening occurs in a section, the student at the top

of the wait list is enrolled in the course (but not until the end of the day’s registration activity).

Placing your name on a wait list does not guarantee that you will be enrolled in the course! It is your responsibility to find out if you have been enrolled in a course from the wait list. No verification of enrollment is sent.

Denied Enrollment

If you try to register for a linked course that is closed and has no wait list for the recitation or lab, or one part of the course conflicts in time with another course you are already enrolled in or wait-listed for, you will be denied enrollment in all parts of the course, even if there is an opening in the lecture.

Dropping or Changing a Section

It is no longer possible to drop just the recitation and/or lab and retain the lecture; when you drop a course, you are dropped from all parts of the course. To drop your lecture/recitation or lecture/lab course, enter the recitation or lab course call number (whichever appears in the course listings). You will then be dropped from all parts of the linked courses. Wait for CU Connect to confirm that you have been dropped from the course. If you need to drop one part of a linked course and add another, we advise you to make changes in an academic department or at the central drop/add site to ensure that you do not lose your space in a course.

II. University Mathematics Program Courses

A. Module Courses

THE MATHEMATICS MODULE OFFICE IS LOCATED IN MATH 165, PHONE 492-2317. MATHEMATICS COURSES NUMBERED 1000-1100 ARE ONE-CREDIT FLEXIBLY PACED MINI COURSES, OR MODULES. SEVERAL MODULES MAY BE GROUPED TOGETHER TO FORM COMPLETE COURSES OF INSTRUCTION IN COLLEGE ALGEBRA, TRIGONOMETRY, AND MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES. LEARNING IS FLEXIBLY PACED, WITH MULTIMEDIA INSTRUCTIONAL SUPPORT. SCHEDULES OF OPTIONAL LECTURES AND FURTHER DETAILS ARE AVAILABLE AT THE MODULE OFFICE, MATH 165.

MATH 1000, 1010, AND 1020 ARE FLEXIBLY PACED MODULES IN COLLEGE ALGEBRA. THESE COURSES TOGETHER FORM THE EQUIVALENT OF A ONE-SEMESTER (3 CREDIT HOUR) COURSE IN COLLEGE ALGEBRA.

◆ MATH 1000 1 FUNDAMENTAL/COLL ALGEBRA.....OPTIONAL LECTURES WILL MEET MWF, 9:15 A.M.-10:50 A.M. JUNE 5 - JUNE 19 IN ECCR 0-38.
