

Summer Session 2012

MAKE THE MOST OF YOUR SUMMER

FIRST brings world-class faculty to the Boulder campus **P4**

Maymester offers over 130 courses in a 3-week intensive term **P9**

Take advantage of online courses. See a complete list **P25**

Summer Session

UNIVERSITY OF COLORADO **BOULDER**

The University of Colorado Boulder offers you the opportunities to earn academic credit, satisfy your curiosity, meet major or minor requirements, and be part of our summer community. Many of CU's most popular and sought-after courses are offered in Summer Session.

WELCOME

TO SUMMER IN BOULDER

Summer is a special time for you to take classes and enjoy the cultural and recreational opportunities at CU-Boulder. Be sure to check out the FIRST program that puts you in classes with noted faculty from around the world and the Featured Courses section which highlights classes new to Summer Session that are taught by our resident faculty. You can also earn credit from anywhere in the world through online classes presented by accomplished CU faculty. We welcome you to join the faculty, staff, and approximately 8,000 students during our favorite time of year — Summer!

Anne Heinz
Associate Vice Chancellor for Summer Session

Carol Drake
Assistant Dean for Summer Session

Phoebe Young
Associate Professor, History

Fresh additions. Fresh thinking.

Make the most of your summer by trying something new. For 2012, we have several exciting and stimulating additions to Summer Session. Be the first to enroll in one of our new FIRST or featured courses or participate in one of the 28 online classes.

New This Summer

FIRST

Check out the courses offered by visiting world-class scholars. The Faculty-in-Residence Summer Term (FIRST) program brings faculty from around the world to teach in Boulder. The complete listing of FIRST classes with descriptions is on pages 4-8.

Special Topics in Psychology: Internet Research (PSYC 4541/5541)

With Professor Ulf-Dietrich Reips,
Universidad de Deusto, Bilbao, Spain

Introduces the methodology of Internet-based research. Students will be provided with an up-to-date overview of basics, methods, techniques, tricks, and tools for Internet research. Students will learn how to conduct online experiments, use psychological tests on the Internet, and data mine search engines like Google.

Topics: Communication and Sustainability: Saving our Home, Community, and Planet (COMM 4000/4300)

With Professor Tarla Rai Peterson,
Texas A&M University

Communication about home can refer to the entire Earth, a single household, or spatial scales in between these extremes. Today's most acute sustainability challenges (e.g., economic instability, warfare, natural disasters, energy and natural resource shortages, biodiversity loss, climate change) have both causes and potential solutions in household dynamics. We will explore how household dynamics contribute to and obstruct possibilities for sustainability, especially as they impact energy use, biodiversity loss, and perceived isolation of humans from nature.

Topics in Religious Studies: Buddhism in North America (RLST 3820)

With Professor David McMahan, Franklin and
Marshall College, Pennsylvania

Investigates some of the distinctive forms that Buddhism has taken in North America. It addresses the transformations of various Buddhist traditions to accommodate, as well as challenge, American society and its institutions, mythologies, and social practices. It also addresses a number of issues pertinent to Buddhism in America and the West, such as Buddhist identity, ethnicity, gender, authority, and social activism.

Topics in Business: Business Analytics (MGMT 4820)

With Professor Rafael Martí,
University of Valencia, Spain

The problems faced by decision makers in today's competitive business environment are often extremely complex and can be addressed by numerous possible courses of action. Evaluating these alternatives and gaining insight from past performance is the essence of business analytics. This course is designed as an introduction to Business Analytics, an area of business administration that considers the extensive use of data, methods, and fact-based management to support and improve decision making.

Special Topics: Game Theory (LAWS 6708)

With Professor Adi Ayal, Bar-Ilan University
Law School, Israel

Game theory is a mathematical approach for analyzing games and a wide range of other situations where a person's success depends upon the choices of others. Although game theory is often used in economics, political science, and psychology, Professor Ayal's course explores its application to law and economics. No prior knowledge of game theory or economics is presumed, and all technical know-how necessary for understanding, presenting, and solving game structures will be included in the course itself. The focus of this course is on understanding and being able to apply game theory's insights to everyday and legal decision making, rather than theoretical knowledge alone.

FEATURED COURSES

Check out the featured courses with outstanding CU-Boulder faculty. See pages 18-24 for a complete list with course descriptions.

From Wops and Dons to Movers and Shakers: The Italian-American Experience (ITAL 4350)

With Valerio Ferme

Exposes students to these complex negotiations and provides a general historical and cultural history of Italian-Americans in the United States and locally in Colorado. In the process, we will see how Italians gradually transformed themselves from cultural and political outsiders into integral performers in the development and growth of the U.S. throughout the 20th century. Additionally, by studying the manner in which Americans and Italians negotiated their different ideas concerning identity, tradition and community, we hope to draw attention to contemporary parallels pertaining to the immigration of groups that have threatened or threaten ideas of what it means to be an American citizen in the 21st century. Approved for arts and sciences core curriculum: United States context.

Social Inequalities in Health (SOCY 4052)

With Stefanie Mollborn

Introduces students to the interdisciplinary field of social inequalities in health, with a particular focus on sociological contributions to the area. This course focuses on social inequalities in health in both U.S. and international contexts. Reviews the link between health status and various types of social statuses, including but not limited to socioeconomic status, gender, race, and ethnicity. Explanations for the relationships between these factors and various health outcomes are discussed. The class focuses on multiple levels of analysis, from the physician-patient interactions to healthcare systems and social policies. Students have the opportunity to develop their own specific research interests in this field.

Appreciation of Music with the Colorado Music Festival (MUEL 1832)

With Thomas Riis

Addresses the broad history of Western music. Students will learn to listen critically and develop a vocabulary for understanding and discussing the music they hear. Because the course allows for a variety of approaches, the students will also have the chance to compare symphonic repertoire with chamber music and the variety of world music offerings through the Colorado Music Festival programs this summer. The class will meet on campus most days, but on Wednesdays, it will meet at Chautauqua to observe rehearsals and interact with the conductor and orchestral musicians, who will meet with the students after rehearsal. Approved for arts and sciences core curriculum: literature and the arts.

ONLINE COURSES

Explore the opportunities to take courses online with CU-Boulder faculty. New classes include Children's Literature with Shelby Wolf, Philosophy and Religion with Wes Morrision, and Japanese History with Marcia Yonemoto. More information is available on pages 25-29.

NEW PROGRAM

Avoid the Fall Rush with the Early Start Program

COLLEGE OF ENGINEERING AND APPLIED SCIENCE

Entering freshmen have the opportunity to start their course work in the summer. If you live in the Denver/Boulder metro area and have been admitted to the college for fall 2012, you are eligible to apply to the program. Students will enroll in two Summer Session courses. Early Start students meet with faculty and industry representatives at weekly lunches. Advising, tutoring, and study strategy assistance will be provided. Students will receive a scholarship of \$500.00 to use toward their summer tuition and may also be eligible for the College Opportunity Fund (COF).

Inspiring minds. Inspiring place.

Learn from prestigious, world-class faculty who will be teaching at our campus in the summer. These renowned scholars bring a wealth of experience, knowledge, and perspective to the classroom that will challenge and inspire your thinking. Take advantage of the incredible opportunity FIRST brings to you.

FIRST

(FACULTY-IN-RESIDENCE SUMMER TERM)

COLLEGE OF ARTS AND SCIENCES

CLASSICS

Joseph G. Manning
Yale University

Alexander the Great and the Rise of Macedonia

CLAS 4031, 3 semester hours, Section 100, Class No. 17350
HIST 4031, 3 semester hours, Section 100, Class No. 17351
Session A: June 4-July 4, 2012

Introduces the history and culture of what is called the Hellenistic period, the period between the rise of Macedonian imperialism in the 4th century BCE and the death of Cleopatra VII, and the annexation of Egypt by Augustus in 30 BCE. Prereq., one of the following: CLAS 1509, 3039, 3113, 4051, 4139, 4149, CLAS/HIST 1051, 2041, 4021, or 4041. Same as CLAS 5031.

Joseph Manning is the world's leading expert on the history of Egypt in the Hellenistic period. Professor Manning has published widely and has taught at Stanford, Princeton, and Yale. He was honored with the Dean's Award for Distinguished Teaching at Stanford.

COMMUNICATION

Tarla Rai Peterson
Texas A&M University

Topics: Communication and Sustainability: Saving our Home, Community, and Planet

COMM 4000, 3 semester hours, Section 100, Class No. 13488
COMM 4300, 3 semester hours, Section 100, Class No. 13489
Session A: June 4-July 4, 2012

Communication about home can refer to the entire Earth, a single household, or spatial scales in between these extremes. Today's most acute sustainability challenges (e.g., economic instability, warfare, natural disasters, energy and natural resource shortages, biodiversity loss, climate change) have both causes and potential solutions in household dynamics. We will explore how household dynamics contribute to and obstruct possibilities for sustainability, especially as they impact energy use, biodiversity loss, and perceived isolation of humans from nature. Prereqs., COMM 3210 and 3300 or consent required.

Dr. Peterson is currently Professor and Boone & Crockett Chair in the Department of Wildlife and Fisheries Sciences at Texas A&M University. Her areas of expertise span the fields of organizational communication, rhetoric, communication technology, and environmental communication. Dr. Peterson is widely regarded as a skillful and sensitive instructor.

FILM STUDIES

Alexandra Juhasz

Pitzer College, California

Topics in Film Theory: Feminist and Queer Documentary Film and Media

FILM 4004, 3 semester hours, Section 200, Class No. 11519

HUMN 4004, 3 semester hours, Section 200, Class No. 12370

ARTF 5004, 3 semester hours, Section 200, Class No. 11520

Session B: July 10-August 10, 2012

Provides topic-centered analyses of controversial areas in film theory. Women have made politicized documentaries since the invention of the motion picture camera. In fact, in film history, documentary is the only field that we find "great" early female filmmakers. Mapping the rise of the movements (and their aesthetics) like feminist, lesbian, and queer documentary, or feminist Third Cinema, as well as recent movements to/on the Web, we will learn about both feminist political and artistic history as well as documentary itself. May be repeated up to 6 total credit hours. Prereq., FILM 3051 or instructor consent.

Dr. Juhasz is Professor of Media Studies at Pitzer. She makes and studies committed media practices that contribute to political change and individual and community growth. She is widely published and is an excellent classroom teacher.

GERMAN

Thomas Eder

Federal Chancellor of Austria, Office of Publications

Dada and Surrealist Literature

◆GRMN 3702, 3 semester hours, Section 200, Class No. 16061

◆HUMN 3702, 3 semester hours, Section 200, Class No. 16105

Session B: July 10-August 10, 2012

Surveys the major theoretical concepts and literary genres of the Dada and Surrealist movements. Topics include Dada performance and cabaret, the manifesto, montage, the ready made, the Surrealist novel, colonialism and the avant-garde, and literary and philosophical precursors to the avant-garde. Taught in English. Approved for arts and sciences core curriculum: literature and the arts.

Dr. Eder heads the Office of Publications for the Federal Chancellor of Austria and is responsible for the academic projects in the humanities funded by the Austrian Chancellor. He is one of Austria's leading scholars of avant-garde literatures. He is committed to the "public humanities."

PHILOSOPHY

Simon Keller

Victoria University of Wellington, New Zealand

Ethical Theory

◆PHIL 3100, 3 semester hours, Section 200, Class No. 12113

Session B: July 10-August 10, 2012

We all show special favoritism for our friends and family members, and we usually think that such favoritism is morally required; we disapprove of disloyal friends, neglectful parents, and ungrateful children. Yet, special favoritism for our friends and family members is surprisingly difficult to justify. Some of the major theories in moral philosophy seem to imply that such favoritism is immoral, or irrational, or merely optional, or simply mistaken. In this course we will explore the ethics of special relationships, asking such questions as "What are we required to do for our parents and children?" "Is it permissible to favor our own friends over strangers?" and "Should we be patriotic?" Along the way, we will encounter the moral theories of deontology, utilitarianism, and virtue ethics, as well as a range of views about the nature and source of morality. Prereq. or coreq., PHIL 3480. Restricted to juniors/seniors. Approved for arts and sciences core curriculum: ideals and values.

Professor Keller specializes in ethics and political philosophy, and is currently an associate professor of philosophy at Victoria University of Wellington. Professor Keller's 2007 Cambridge U. Press book, The Limits of Loyalty, won the 2009 American Philosophical Association book prize. He has another book forthcoming mid-2012 with Princeton U. Press, called Partiality. It asks what could make preferential treatment for our nearest and dearest permissible and sometimes obligatory. Keller received his PhD from Princeton in 2002. He has published widely and is a well-regarded teacher.

POLITICAL SCIENCE

Eric Kerrouche

Institute of Political Studies, Sciences Po, Bordeaux, France

Western European Politics

◆PSCI 4002, 3 semester hours, Section 200, Class No. 12099

Session B: July 10-August 10, 2012

Comparatively analyzes development of the political systems and processes of European democracies. Emphasizes contemporary institutions, decision-making patterns, and policy issues. Prereq., PSCI 1012 or IAFS 1000. Approved for arts and sciences core curriculum: contemporary societies.

Dr. Kerrouche is an accomplished political scientist. He lectures widely across Europe and North America on politics in the EU. He has published widely on representative government and the EU.

PSYCHOLOGY

Ulf-Dietrich Reips

Universidad de Deusto, Bilbao, Spain

Special Topics in Psychology: Internet Research

PSYC 4541, 3 semester hours, Section 004, Class No. 17347

PSCY 5541, 3 semester hours, Section 002, Class No. 17346

Session M: May 14-June 1, 2012

Introduces the methodology of Internet-based research. Students will be provided with an up-to-date overview of basics, methods, techniques, tricks, and tools for Internet research. Students will learn how to conduct online experiments, use psychological tests on the Internet, and data mine search engines like Google. May be repeated up to 6 total credit hours, provided the topics vary.

Dr. Ulf-Dietrich Reips is a tenured IKERBASQUE Research Professor at the University of Deusto in Bilbao, Spain, where he leads the iScience group (<http://iscience.deusto.es>). He is working on Internet-based research methodologies and the psychology of the Internet. In 1994 he founded the Web Experimental Psychology Lab, the first laboratory for conducting real experiments on the Web, and provides many Web services for researchers and students via his iScience Server at www.iscience.eu. He has taught in several European countries as well as in the United States. When not on the Internet, he enjoys playing the French game of Boules.

RELIGIOUS STUDIES

David McMahan

Franklin and Marshall College, Pennsylvania

Topics in Religious Studies: Buddhism in North America

RLST 3820, 3 semester hours, Section 100, Class No. 16152

Session A: June 4-July 6, 2012

Investigates some of the distinctive forms that Buddhism has taken in North America. It addresses the transformations of various Buddhist traditions to accommodate, as well as challenge, American society and its institutions, mythologies, and social practices. It also addresses a number of issues pertinent to Buddhism in America and the West, such as Buddhist identity, ethnicity, gender, authority, and social activism. May be repeated up to 9 total credit hours as topics change.

David L. McMahan is the author of The Making of Buddhist Modernism (Oxford, 2008), Empty Vision: Metaphor and Visionary Imagery in Mahayana Buddhism (Routledge Curzon, 2002), Buddhism in the Modern World (in press on Routledge), and a number of articles on Mahayana Buddhism in South Asia and Buddhism in the modern world. He is a well regarded classroom teacher and lecturer.

SOCIOLOGY

Terry Mills

Morehouse College, Georgia

Environment and Society

◆SOCY 2077, 3 semester hours, Section 001, Class No. 16316

Session M: May 14-June 1, 2012

Our lives and society are closely tied to the environment and natural resources, and through our daily actions we can cause both environmental degradation and support environmental solutions. In this introductory course we will examine the ways in which our contemporary society depends on natural resources from around the world and the ways that social institutions create environmental problems and attempt to solve them. Credit not granted for this course and SOCY 3091. Approved for arts and sciences core curriculum: ideals and values.

Terry Mills is the Dean for Research at Morehouse College. Professor Mills completed his PhD from the University of Southern California where he conducted research on the USC Longitudinal Study of Generations at the Andrus Gerontology Center. He is a fellow of the Gerontological Society of America. His research focuses on social, environmental, and physical health factors associated with late-life depression and intergenerational relationships.

Salvador Vidal-Ortiz

American University, Washington, DC

Sociological Perspectives on Race and Ethnicity

SOCY 3161, 3 semester hours, Section 200, Class No. 13225

Session B: July 10-August 10, 2012

As a general overview of what constitutes race and ethnicity in the U.S., this course will familiarize students with the basic premise of social analyses of distinctive racial and ethnic groups. We will discuss some of the current understandings of race; explore the continuous role immigration plays in redefining social and ethnic categories and begin to notice how whiteness studies have emerged. Recommended prereq., SOCY 1001.

Professor Vidal-Ortiz is currently at American University. He has received many awards for his research, including a Fulbright Scholarship in Bogota regarding sexuality, race, and migration. He has been a pioneer and leading figure in the teaching of gender, sexuality, and migration and is an excellent instructor.

LEEDS SCHOOL OF BUSINESS

Rafael Martí

University of Valencia, Spain

MANAGEMENT

Topics in Business: Business Analytics

MGMT 4820, 3 semester hours, Section 200, Class No. 16353

Session B: July 10-August 10, 2012

The problems faced by decision makers in today's competitive business environment are often extremely complex and can be addressed by numerous possible courses of action. Evaluating these alternatives and gaining insight from past performance is the essence of business analytics. This course is designed as an introduction to Business Analytics, an area of business administration that considers the extensive use of data, methods, and fact-based management to support and improve decision making. Same as MGMT 5820.

Rafael Martí is a Professor in the Statistics and Operations Research Department at the University of Valencia, Spain. His research interest focuses on the development of metaheuristics for hard optimization problems. He is widely published and an excellent teacher.

SCHOOL OF EDUCATION

Neil Gotanda

Western State University College of Law, California

Special Topics: Introduction to Critical Race Theory

EDUC 4800, 3 semester hours, Section 601, Class No. 16185

EDUC 6804, 3 semester hours, Section 601, Class No. 10414

Session F: July 16-27, 2012

From its beginnings in legal studies, Critical Race Theory has grown into a source of critical inquiry into race. Authors and scholars in a wide range of disciplines have used varied methodologies and perspectives to study and reflect on questions of race. This course will survey these developments. Those materials will be used to examine specific topics: critique of civil rights, race and legal doctrines, oppositional voices, and intersectionality. We will use these materials to query whether there is a distinct methodology to Critical Race Theory. May be repeated.

Neil Gotanda is a Professor of Law at Western State University College of Law in Fullerton, California and was a visiting Fulbright Professor at Wuhan University School of Law in Wuhan, China, in Fall 2009. He has written extensively on racial theory, critical race theory, and Asian American jurisprudence. He was awarded the 1997 Clyde Ferguson Award by the Section on Minority Groups of the American Association of Law Schools.

Ernesto Acevedo-Munoz
Associate Professor, Film Studies

COLLEGE OF ENGINEERING AND APPLIED SCIENCE

Francesco Bullo

University of California, Santa Barbara

Special Topics: Distributed Control of Robotic Networks

ECEN 5008, 3 semester hours, Section 200, Class No. 16307

Session B: July 10-August 10, 2012

Intended primarily for graduate students interested in cooperative control, distributed algorithms, and robotic networks. The class provides an introduction to distributed algorithms for consensus and filtering, distributed algorithms in static and robotic networks, and the emerging discipline of motion coordination.

Francesco Bullo received the Laurea degree summa cum laude in Electrical Engineering from the University of Padova, Italy, in 1994, and his PhD degree in Control and Dynamical Systems from the California Institute of Technology in 1999. He has published more than 200 papers in international journals, books, and refereed conferences.

LAW SCHOOL

Maurice Foley

Judge, United States Tax Court

Federal Tax Politics

LAWS 6138, 3 semester hours, Section 001, Class No. 16303

Session M: May 14-June 1, 2012

Addresses a wide range of topics that implicate the federal tax politics of federal tax policy, including the strengths and weaknesses of the earned income tax credit as an effort to promote work, housing tax credits as an effort to support home ownership, empowerment zones and tax refund policy as an effort to stimulate the economy, the politics of estimating tax revenues and expenditures, and the unique legislative challenges raised by tax reform proposals – such as efforts to repeal inheritance taxes (also known as “the death tax”).

Judge Foley serves on the United States Tax Court, which he was appointed by President Bill Clinton in 1995. He received his BA from Swarthmore College, his JD from Boalt Hall School of Law at the University of California, Berkeley, and his Master’s of Law in Taxation from Georgetown University Law Center. Prior to his appointment to the Court, he served as an attorney for the Internal Revenue Service’s Legislation and Regulation Division, as Counsel for the United States Senate Committee on Finance, and as Deputy Tax Counsel in the U.S. Treasury’s Office of Tax Policy.

Adi Ayal

Professor, Bar-Ilan University Law School, Israel

Special Topics: Game Theory

LAWS 6708, 2 semester hours, Section 001, Class No. 16309

Session M: May 14-June 1, 2012

Game theory is a mathematical approach for analyzing games and a wide range of other situations where a person’s success depends upon the choices of others. Although game theory is often used in economics, political science, and psychology, Professor Ayal’s course explores its application to law and economics. No prior knowledge of game theory or economics is presumed, and all technical knowledge necessary for understanding, presenting, and solving game structures will be included in the course itself. The focus of this course is on understanding and being able to apply game theory’s insights to everyday and legal decision making, rather than theoretical knowledge alone.

Professor Ayal teaches at Bar-Ilan University Law School in Israel. He earned his PhD in economics from the University of California, Berkeley, and a PhD in Law (of highest distinction) from Bar-Ilan University. He is an internationally recognized expert in antitrust law, corporate law, economic analysis of law, game theory, industrial organization, media and communications policy, and network theory.

Professor Michael Hodge, Morehouse College
2011 FIRST Scholar

Three weeks. One course.

Accelerate your academic career with the intensive, single-course focus of Maymester. You'll be immersed into an interactive environment where you can complete a core or major requirement in just three weeks. Gain knowledge and momentum by concentrating on a Maymester course.

Maymester

MAY 14-JUNE 1, 2012

Maymester allows you to earn up to 3 credits in three weeks. Maymester is an INTENSIVE session that allows you to take **ONLY ONE** course (no exceptions are made). Many of CU-Boulder's most popular and sought-after courses are offered. Take a course and complete a core or major requirement and still have most of your summer to work, study, travel, relax, or participate in an internship. Focus on one course. Classes are smaller and more interactive. A sense of community develops in the classroom. The accelerated pace means that you should plan on studying three to six hours each day outside of class. Students should attend class every day – missing a day of class is like missing a week of class in the fall or spring semester. Material is covered quickly and the longer class periods allow for in-depth discussion. Because of the intensive nature of Maymester, you should not add a class you have not attended from the first day.

Maymester is Session M in the course listings and is part of summer session. Grades and tuition are included as part of summer session. All Maymester classes are section 001 unless noted. For more information visit www.colorado.edu/summer or call 303-492-5148 or 800-331-2801. Complete course descriptions are available at www.colorado.edu/catalog or www.colorado.edu/academics/coursesearch.

For the most up-to-date information visit mycuinfo.colorado.edu.

CUBIC

The CU Business Intensive Certificate is a three-week, noncredit certification program for juniors, seniors, and recent graduates. Entering its 12th year, CUBIC runs during both Maymester (May 14-June 1) and in June (11-29) and is designed to teach fundamental business skills to non-business majors. Topics include: accounting, finance, operations, business governance, marketing, leadership and management, personal finance, career development, and creation of an entrepreneurial business plan. Students will also have the opportunity to learn from an integrated case study designed in collaboration with Chipotle Mexican Grill, Inc. For more information visit leeds.colorado.edu/cubic#overview.

DMBC: DIGITAL MEDIA BOOTCAMP

Our world is driven by technology, and people with a digital media skillset are in high demand. ATLAS is leading the way to train and develop people for the future. Our Digital Media Bootcamp (DMBC) is an intensive three-week introduction to digital media production designed to impart practical technical skills to people from any industry or discipline. Courses are taught by skilled instructors and practitioners who are committed to teaching you how to effectively use industry standard technologies and applications. More importantly, DMBC will equip you for a future in the digital world. The curriculum covers: Digital Imaging, Basic Web Design and Development, Digital Video, Digital Audio, and Digital Animation. For more information visit tam.colorado.edu/dmbc.

Summertime. Summer Session.

Explore the possibilities with new class offerings, online classes, and classes that move you forward and into new areas. Summer Session offers greater flexibility and smaller class sizes to make the learning process that much more engaging. Check out these classes and find out what's right for you.

Featured Courses

COLLEGE OF ARTS AND SCIENCES

ART AND ART HISTORY

United States Architecture

ARTH 4569, 3 semester hours, Section 200, Class No. 16077
Session B: July 10-August 10, 2012

Robert Nauman

Focuses on architecture as it developed in the area now defined as the continental United States from early cultures to the present. This course will explore how architectural forms exist within their political, economical, technological, and cultural context. The discussion will encompass "high-style" and vernacular architecture as well as urban forms. Prereq., ARTH 1300 and 1400.

CLASSICS

Turbo (Accelerated) Latin 1

CLAS 2004, 3 semester hours, Section 001, Class No. 16104
Session M: May 14-June 1, 2012

Alison Orlebeke

Turbo Latin is an accelerated introduction to the vocabulary, morphology, and syntax of the classical Latin language. In Latin, the word turbo means "whirlwind." Topics and forms are presented in an order and pace designed for the rapid speed of this class.

Greek and Roman Comedy

◆CLAS 4130, 3 semester hours, Section 001, Class No. 16006
Session M: May 14-June 1, 2012

Andrew Cain

A comprehensive introduction to the comic theatre of ancient Greece and Rome. We will read closely and discuss many types of plays—from family sitcoms to social and political comedies—by three of the "greats" Aristophanes, Menander, and Plautus in translation. One goal of this course is to become familiar with the conventions of the comic genre and to learn to appreciate the subtle artistry of these literary masterpieces. Same as CLAS 5130 and HUMN 4120. Approved for arts and sciences core curriculum: literature and the arts.

COMMUNICATION

Issues in Communication: Sports, Communication, and Society

COMM 3000, 3 semester hours, Section 100, Class No. 16159
Session A: June 4-July 6, 2012

Jamie Skerski

How and when did “play” become such a serious, high-stakes endeavor? What metaphors shape the way we perceive different sports and their cultural value? What can we learn about larger social relations from studying sport? This course examines the communicative, historical, and cultural aspects of “sport” in contemporary American society. Thinking critically about sport as a social institution, our readings and discussions will explore the intersections of power, gender/sexuality, race and ethnicity, class and national identity. May be repeated up to 6 total credit hours on different issues. Prereqs., COMM 1210 and 1600 or instructor consent. Restricted to juniors and seniors only.

ENVIRONMENTAL STUDIES

Topics in Environmental Sciences: Food and the Environment

ENVS 4120, 3 semester hours, Section 500, Class No. 12973
Session E: June 4-22, 2012

Sharon K. Collinge

Food production and procurement are inherently interdisciplinary in that they involve ecological processes, management of natural resources, and human values and decisions. In this course we will take a comprehensive look at the environmental issues associated with food systems. We will critically examine how food choices and prospects for valuing the services of nature may influence Earth’s ability to sustain society into the future. We will consider topics such as locally and organically grown food, fisheries and aquaculture, bushmeat hunting, crop genetic diversity and genetic modification, coffee pollination and tropical conservation, food miles, and connections among alternative energy, food prices, and crop production. May be repeated up to 6 total credit hours, provided the topics vary. Restricted to junior and senior ENVS majors.

HISTORY

Aztecs, Incas, and the Spanish Conquest of the Americas

HIST 4018, 3 semester hours, Section 200, Class No. 17397
Session B: July 10-August 10, 2012

Robert Ferry

Built upon contemporary texts and modern histories of both famous and ordinary people, this course studies the indigenous empires known as the Aztecs and the Incas. It also examines the encounter of Europeans and native people, following the history of exploration and conquest from Columbus to about 1550. Equal consideration is given to the course’s three components: Aztec, Inca, and the Spanish conquest. Recommended prereq., HIST 1018 and 3020.

INTERNATIONAL AFFAIRS

Special Topics in International Affairs: Statebuilding in the 21st Century: Afghanistan

IAFS 3000, 3 semester hours, Section 001, Class No. 16207
Session M: May 14-June 1, 2012

Jessica Martin

In the decades since the end of the Cold War, and especially since the terrorist attacks on September 11, 2001, analysts, policy makers, and international organizations have increasingly turned their attention to statebuilding efforts as a way to remedy political instability, secure human rights, and further world economic progress, but the results have often been uneven. This class will investigate not only the latest general theories, debates, and activities-surrounding statebuilding efforts, but also look at the practical application of so many of these ideas as they pertain to Afghanistan. May be repeated up to 9 total credit hours.

Senior Seminar in International Affairs: The Post-Cold War—Global Security

IAFS 4500, 3 semester hours, Section 100, Class No. 12110
Session A: June 4-July 6, 2012

Michael Kanner

Looks at security issues in light of recent history and its effect on our views of “security.” The combined effect of the end of the Cold War and the attacks on September 11, 2001, resulted in a reevaluation of the very concept of security. In addition to an increasing focus on non-state actors, established definitions for anarchy, security, and sovereignty have been called into question. The result is an expanded examination from the military and political issues to the broader arena of economics and human security. This is the capstone course for international affairs majors. Includes discussion, oral reports, critical book reviews, and research papers. Restricted to junior/senior IAFS majors.

ITALIAN

From Wops and Dons to Movers and Shakers: The Italian-American Experience

◆ITAL 4350, 3 semester hours, Section 100, Class No. 17340
Session A: June 4-July 6, 2012

Valerio Ferme

Exposes students to these complex negotiations and provides a general historical and cultural history of Italian-Americans in the United States and locally in Colorado. In the process, we will see how Italians gradually transformed themselves from cultural and political outsiders into integral performers in the development and growth of the U.S. throughout the 20th century. Additionally, by studying the manner in which Americans and Italians negotiated their different ideas concerning identity, traditional and community, we hope to draw attention to contemporary parallels pertaining to the immigration of groups that have threatened or threaten ideas of what it means to be an American citizen in the 21st century. Approved for arts and sciences core curriculum: United States context.

MOLECULAR, CELLULAR, AND DEVELOPMENTAL BIOLOGY

Molecular Neurobiology

MCDB 4777, 3 semester hours, Section 200, Class No. 16272
Session B: July 10-August 10, 2012

Alison Vigers

Introduces the functional anatomy of the nervous system, and explores current knowledge regarding the molecular and genetic basis of the development and function of the nervous system. Studies recent insights into the molecular basis of neurodegenerative diseases, in the last portion of the course. Prereqs., MCDB 3120 and 3500, or MCDB 3135 and 3145, or equivalent.

RUSSIAN

19th Century Russian Literature

◆RUSS 4811, 3 semester hours, Section 100, Class No. 15783
◆HUMN 4811, 3 semester hours, Section 100, Class No. 15785
Session A: June 4-July 6, 2012

Vicki Grove

Surveys background of Russian literature from 1800 to 1900. Russian writers and literary problems in the 19th century emphasizing major authors: Pushkin, Lermontov, Gogol, Dostoevsky, Turgenev, Tolstoy, and Chekhov. Taught in English. Approved for arts and sciences core curriculum: literature and the arts.

SOCIOLOGY

Social Inequalities in Health

SOCY 4052, 3 semester hours, Section 001, Class No. 16348

Session M: May 14-June 1, 2012

Stefanie Mollborn

Introduces students to the interdisciplinary field of social inequalities in health, with a particular focus on sociological contributions to the area. This course focuses on social inequalities in health in both U.S. and international contexts. Reviews the link between health status and various types of social statuses, including but not limited to socioeconomic status, gender, race, and ethnicity. Explanations for the relationships between these factors and various health outcomes are discussed. The class focuses on multiple levels of analysis, from the physician-patient interactions to healthcare systems and social policies. Students have the opportunity to develop their own specific research interests in this field. Prereq., SOCY 1001. Restricted to junior/senior SOCY majors.

Punishment, Law, and Society

SOCY 4084, 3 semester hours, Section 001, Class No. 16350

Session M: May 14-June 1, 2012

Sara Steen

Characterizes the crime problem in the U.S. and how that affects the crime control strategies we adopt. Places the current state of punishment in the U.S. in historical and cross-national context. It examines key features of penal systems, and key sociological theories about the relationship between punishment and society. Prereqs., SOCY 1001 or 1004.

LEEDS SCHOOL OF BUSINESS

MANAGEMENT

Management of Service Operations

MGMT 3100, 3 semester hours, Section 100, Class No. 16232

Session A: June 4-July 6, 2012

Lori Seward

Examines concepts, tools, and techniques used in the management of service operations. We emphasize the use of models for designing new services and improving the effectiveness of service processes. We examine the impact of globalization of services and the evolution of using technology to provide services. We also examine the overlap between service and manufacturing enterprises. Upon completion of this course students will be able to describe what operations management is, describe the processes in a service or manufacturing organization, articulate the differences between managing a service organization and a manufacturing organization, and identify the appropriate tools for analyzing a service or manufacturing organization.

SCHOOL OF EDUCATION

Gender, Literacy, and K-12 Classroom

EDUC 5145, 3 semester hours, Section 501, Class No. 15939

Session F: June 5-28, 2012

Elizabeth Dutro

Focuses on relations among gender, curriculum, and instruction in K-12 Language Arts classrooms. Gender has been and continues to be a “hot topic” in discussions of educational equity and achievement. The role of gender in students’ experiences in literacy classrooms is the subject of much concern and debate among teachers, administrators, policymakers, and the lay public and has implications for both policy and classroom practice. The purpose of this course is threefold: 1) to explore and critique the various conceptions of gender within the popular and scholarly publications that have influenced how gender is approached in literacy classrooms; 2) to support course participants in building a theoretical stance toward gender that supports equity, engagement, and achievement in the language arts classroom; 3) to encounter, discuss, and hone a range of teaching strategies that thoughtfully take into account gender identities and gender equity.

Special Topics: Getting Students to Think Like Scientists

EDUC 6804, 3 semester hours, Section 501, Class No. 10411

Session E: June 4-15, 2012

Paul Strode

Getting students to think like scientists requires a focus on how science works and how statistics allow us to reach valid conclusions. Teachers must also possess the ability to teach through the “denialism” that students may bring with them into the classroom. This course will focus on these three critical areas, first reviewing the process of science through hypothesis testing and how to engage students in it meaningfully. This will contextualize some essential statistical models that students can learn to use to analyze the messy data that result from the most scientific investigations. Finally, this course will confront some common areas where “denialism” of known scientific facts exists, such as climate change and evolutionary theory. Students in the course will discuss ways to teach through the “denialism” their students may bring with them into the classroom and focus on strategies to most effectively engage students as scientists.

William McGinley
Associate Professor, School of Education

COLLEGE OF ENGINEERING AND APPLIED SCIENCE

AEROSPACE ENGINEERING

Special Topics: Humans in Aviation

ASEN 3519, 3 semester hours, Section 001, Class No. 10607
Session M: May 14-June 1, 2012

Frank (Hank) Scott

Investigates the history of manned aviation accomplished through a review of the history of flight; the physiological and psychological limitations facing aviators and investigates human related aviation accidents. This course also looks at the social and economic impacts of aviation of modern society.

LAW SCHOOL

Advanced Legal Research and Writing

LAWS 6226, 3 semester hours, Section 100, Class No. 16300
Session A: June 4-July 6, 2012

Natalie Mack

An intensive writing lab with extensive one-on-one faculty-student interaction and feedback that builds on the skills acquired in first-year legal writing courses, focusing on litigation and legislative practice. In a supportive, collaborative classroom environment, students will learn how to draft statutes, complaints, answers, motions and notices of motions, orders, interrogatories, jury instructions, general correspondence, and opinion letters. Students will also re-examine, and take to a higher level, aspects of the types of writing required in their first-year writing courses. Throughout the course, students will refine their knowledge of writing mechanics and improve their ability to write clearly, precisely, forcefully, and persuasively.

Commercial Drafting

LAWS 7051, 3 semester hours, Section 100, Class No. 10025
Session A: June 4-July 6, 2012

Amy Bauer

This intensive writing course focuses on drafting contracts and contract provisions regularly used in a wide range of transactional contexts, including real estate, mergers and acquisitions, sales, and employment. After introducing students to the principles of contemporary commercial drafting and the documents typically used in a variety of transactions, this course then seeks to develop students' proficiency in writing and drafting skills necessary to achieve the goals of individual and institutional clients. Students will have learned the business purpose of each of the contract concepts; how to translate the business deal into contract concepts; how to draft each of a contract's parts; how to draft with clarity and without ambiguity; how to add value to a deal; how to work through the drafting process; and how to review and comment on a contract.

COLLEGE OF MUSIC

Appreciation of Music (Collaboration with Colorado Music Festival)

◆MUEL 1832, 3 semester hours, Section 200, Class No. 11400
Session B: July 10-August 10, 2012

Course will meet in the Imig Music building, room C-199, and Chautauqua Park

Thomas Riis

Addresses the broad history of Western music. Students will learn to listen critically and develop a vocabulary for understanding and discussing the music they hear. Because the course allows for a variety of approaches, the students will also have the chance to compare symphonic repertoire with chamber music and the variety of world music offerings through the Colorado Music Festival programs this summer. The class will meet on campus most days, but on Wednesdays, it will meet at Chautauqua to observe rehearsals and interact with the conductor and orchestral musicians, who will meet with the students after rehearsal. Approved for arts and sciences core curriculum: literature and the arts.

World Musics: Asia and Oceania

◆MUEL 2772, 3 semester hours, Section 001, Class No. 11401
MUSC 2772, 3 semester hours, Section 001, Class No. 16161
Session M: May 14-June 1, 2012

Jay Keister

Covers a variety of musical genres from selected cultures in Asia and Oceania. This course has three main objectives: 1) to broaden students' understanding of the scope of human musical activity; 2) to develop listening skills and a vocabulary that will enable students to talk and write about music; 3) to study music in culture as the relationship between ideas, sound, and behavior. Musical genres include, but are not limited to, court, ritual, and popular. Lectures are supplemented with guest artists, demonstrations, and audiovisual presentations. MUEL 2772 is approved for the arts and sciences core curriculum: human diversity.

Words and Music

◆MUEL 3822, 3 semester hours, Section 100, Class No. 16288

Session A: June 4–July 6, 2012

Alexandra Eddy

Introduces the fundamental tools and nomenclature for the analysis of poetry and also music. Robert Pinsky's *The Sounds of Poetry: A Brief Guide* (1998) is a masterfully written primer that helps students refine their own awareness of subtle gradations in the sound and rhythm of words, an aspect that is just as essential to musicians as their meaning. Alongside Pinsky's survey of metrical and other poetic devices, students are introduced to the wide variety of musical techniques, some of which reinforce the inherent sonorous and semantic aspects of the words, and others of which contradict them. The repertoire will include songs in English and also excerpts from operas and other genres. The course includes regular writing assignments and a final examination. Approved for arts and sciences core curriculum: literature and the arts.

MINOR DEGREE PROGRAM IN BUSINESS ADMINISTRATION

Use the summer to complete a business minor. An understanding of business principles and practices should be a part of every college degree. Enhance your employability as well as entrepreneurial opportunities and chances for job advancement. The Leeds School of Business offers a business minor to qualified CU-Boulder undergraduates enrolled in arts and sciences, engineering, music, or journalism. You can complement your major with knowledge of accounting, finance, marketing, human resource management, operations management, and information management. All required business classes are taken during the summer. With careful planning, you can complete the minor in two summers. Prerequisite courses must be completed as stated in course descriptions. For more information go to leeds.colorado.edu or call 303-492-6515.

Requirements

Excel Assessment*	Semester Hours
MATH 1071 Finite Math, OR passing a proctored math assessment test.* (If you have completed college algebra, precalculus, or two consecutive semesters of calculus, we will substitute those courses as well.)	3
ECON 2010 Microeconomics	4
ECON 2020 Macroeconomics	4
BCOR 1010 Introduction to Business	3
BCOR 1020 Business Statistics (Prerequisites: demonstrated Excel proficiency and 3 hours finite math)	3
BCOR 2000 Accounting and Financial Analysis (Prerequisites: BCOR 1010, 1020, demonstrated Excel proficiency, and 26 hours completed)	4
BCOR 2200 Introductory Finance (Prerequisites: BCOR 1010, 1020, 2000, ECON 2010 (or 2020), 2nd semester ECON series, demonstrated Excel proficiency, and 26 hours completed)	3
BCOR 2400 Fundamentals of Marketing (Prerequisites: BCOR 1010, 1020, 2nd semester ECON series (corequisite), and 26 hours completed)	3
BCOR 2300 Adding Value with Management (Prerequisites: BCOR 1010 and 26 hours completed)	3
BCOR 2500 Introduction to Operations and Information Management (Prerequisites: BCOR 1010, 1020, and 26 hours completed)	3

*For details see leeds.colorado.edu > Explore > Undergraduate Advising > Minor.

Online. On-track.

Get even more out of Summer Session with our online courses. Engage with your instructors and classmates in innovative ways, such as discussion groups, message boards, and video lectures. The classes are rigorous yet the schedule is flexible, so you can learn on your terms.

Online Courses

Take advantage of the flexibility of online learning to take a class over the summer.

Stay on track to graduate – take a class while you are working or interning – or complete a major or minor requirement. Many popular classes are offered online this Summer. Online classes are offered in a variety of sessions and are part of Summer Session. Grades and tuition are included as part of Summer Session.

Engage with your faculty and classmates in innovative ways, such as discussion groups, message boards, and video lectures.

These classes are 100% online and require a reliable Internet connection throughout the duration of the course. Online courses are INTENSIVE and require consistent and active participation from the first day of class. Many students find online classes require more work than face-to-face classes and may include daily assignments and participation. Successful online students are self-motivated, disciplined, and organized.

Students should not ADD a course after the first day. Be sure you have your books and materials before the class begins. The intensive nature of the classes means that you should carefully read the syllabus to understand the structure of the class and the exam dates, papers, or other assignments. If you have any questions, e-mail your instructor or grader.

Students may only enroll in two online classes at a time.

COLLEGE OF ARTS AND SCIENCES

COMMUNICATION

Organizational Communication

COMM 2600, 3 semester hours, Section 100, Class No.13483
Session A: June 4-July 6, 2012

Matthew Koschmann

Provides a communicatively-based definition of formal organization and deals with individual-organizational relationships. Addresses topics such as organizational theory, organizational culture, power, technology, decision making, teamwork, leadership, diversity, gender, socialization, and ethics. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Recommended prereqs., COMM 1210 and 1600. Restricted to sophomores, juniors, and seniors.

ENGLISH

Shakespeare for Nonmajors

◆ENGL 3000, 3 semester hours, Section 101, Class No. 13493
Session A: June 4-July 6, 2012

R L Widmann

Introduces students to Shakespeare's major works: the histories, comedies, and tragedies. May include the nondramatic poetry as well. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Prerequisite, sophomore standing. Approved for arts and sciences core curriculum: literature and the arts.

Modern and Contemporary Literature

◆ENGL 3060, 3 semester hours, Section 202, Class No. 16221
Session B: July 10–August 10, 2012

Laura Winkiel

Close study of significant 20th century poetry, drama, and prose works. Readings range from 1920s to the present. Prereq., sophomore standing. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: literature and the arts.

Topics in Popular Culture: The Zombie Renaissance

ENGL 3246, 3 semester hours, Section 200, Class No. 13495
Session B: July 10–August 10, 2012

Stephen Graham Jones

The Zombie: Why this current fascination with the undead? Are we overcorrecting for a glut of vampires, or is there something specific to the zombie that we need, or think we need, or that publishing houses and studios think we need? In here we'll start with the historical and move forward through as many iterations of the walking dead as we can fit into the semester—fiction, nonfiction, film, comics, art, music, events—in hopes of finding what it is about a shuffling corpse that plugs so well into our tastes. And, if we can figure that out, we might be able to guess where the zombie's going next. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. May be repeated for a total of 6 credit hours for different topics. Prereq., sophomore standing.

Topics in Genre Studies: Comics and Graphic Novels

ENGL 3856, 3 semester hours, Section 100, Class No. 13496
Session A: June 4–July 6, 2012

William Kuskin

Comics are Coming to A Session Online!

You've seen it: a whole new art form blasting out of the literary culture of the 1930s and fighting for status in the 21st century: it's politically engaged, it's sexy, it's articulate, and it's complicated. The graphic novel has hit the scene. It has a history as well as a language. Be part of this transformation. In English 3856 you'll learn about comics, make your own, and best of all we'll read the essential canon of graphic novels on the market today including: Alison Bechdel, John Cassady and Warren Ellis, Frank Miller and Art Spiegelman. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. May be repeated for a total of 6 credit hours for different topics.

GERMAN

The Enlightenment: Tolerance and Emancipation

◆GRMN 3505, 3 semester hours, Section 100, Class No. 11752
Session A: June 4–July 6, 2012

Ann Schmiesing

Examines the enlightenment belief in reason and the common humanity of all individuals and cultures. Emphasizes arguments for and against freedom of religion, abolition of slavery, and emancipation of women in 18th century European and American literature and thought. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Same as HUMN 3505. Approved for arts and sciences core curriculum: ideals and values.

HISTORY

Western Civilization 2: 16th Century to the Present

◆HIST 1020, 3 semester hours, Section 100, Class No. 11847
Session A: June 4–July 6, 2012

Susan Kent

Surveys political, economic, social, and intellectual developments in European history from the 16th century to the present. Similarities and contrasts between European states are underscored, as is Europe's changing role in world history. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Credit not granted for this course and HIST 1040. Meets MAPS requirement for social science: general and world history. Approved for arts and sciences core curriculum: historical context.

Introduction to Japanese History

◆HIST 1708, 3 semester hours, Section 200, Class No. 17332
Session B: July 10–August 10, 2012

Marcia Yonemoto

A broad interdisciplinary survey of the history of Japan from earliest times to the 20th century. Explores the development of political institutions, social structures, cultural and religious life, economic development, and foreign relations in an historical perspective. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: historical context.

America through Baseball

◆HIST 2516, 3 semester hours, Section 200, Class No. 11850
Session B: July 10-August 10, 2012

Thomas Zeiler

Baseball could not have existed without America. This course explains how the game fits into the larger context of social, cultural, economic, and political history from the 19th century to the present. Students will study the events and people who made baseball the national pastime. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Similar to HIST 4556. Restricted to non-history majors. Approved for arts and sciences core curriculum: United States context.

Environmental History of North America

HIST 4417, 3 semester hours, Section 200, Class No. 11947
Session B: July 10-August 10, 2012

Phoebe Young

Examines how people of North America, from precolonial times to the present, organized their lives within the ecological systems of the area, how they conceived of their natural world, and how they reshaped their environment according to their human needs. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Prereqs., HIST 1015 or 1025 or 1035 or 1045. Restricted to sophomores, juniors, or seniors.

Contemporary China

HIST 4638, 3 semester hours, Section 200, Class No. 11852
Session B: July 10-August 10, 2012

Timothy Weston

Examines the history of the People's Republic of China from 1949 to the present. Focuses on such issues as the nature of Maoism, foreign policy, political campaigns such as the Cultural Revolution and the Democracy Movement, and recent economic developmental efforts. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Restricted to sophomores, juniors, and seniors. HIST 4638 and HIST 5638 are the same course.

INTERNATIONAL AFFAIRS

Global Issues and International Affairs

◆IAFS 1000, 4 semester hours, Section 200, Class No. 12057
Session B: July 10-August 10, 2012

Robert Schulzinger

Introduces the student to the international affairs program. The course examines political and economic development in several countries in many different world regions. Examines historical trends and development as well as current political and economic issues. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: contemporary societies.

ITALIAN

That's Amoré: Introduction to Italian Culture

◆ITAL 1500, 3 semester hours, Section 300, Class No. 11768
Session C: June 4–July 27, 2012

Valerio Ferme

Introduces students to representations of Italian society that have persisted through the ages. The course readings allow students to better understand how certain stereotypes about Italian society (e.g., Latin lover, Mafia) were born and persist in the present. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Restricted to freshmen and sophomores. Approved for arts and sciences core curriculum: contemporary societies. Taught in English.

NEUROSCIENCE

Neurobiology of Learning and Memory

NRSC 4032, 3 semester hours, Section 200, Class No. 15836
NRSC 5032, 3 semester hours, Section 200, Class No. 15837
Session B: July 10-August 10, 2012

Jerry Rudy

Provides a comprehensive treatment of how the brain acquires, stores, and retrieves memories. To do this we will consider (a) the methods used to address these issues, (b) what we know about how brain systems are organized to support memories of different types, and (c) the synaptic mechanisms that are involved. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Prereqs., PSCY 2012 or 4052, or IPHY 3730, or NRSC 2100 or 4052, or instructor consent. Restricted to juniors and seniors. Formerly PSYC 4132.

PHILOSOPHY

Philosophy and Religion

◆PHIL 1600, 3 semester hours, Section 100, Class No. 12112
Session A: June 4–July 6, 2012

Wes Morrision

Philosophical introduction to some of the central concepts and beliefs of religious traditions, focusing particularly on the question of the existence of God and on the relation between religious beliefs and moral beliefs. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: ideals and values.

Symbolic Logic

PHIL 2440, 3 semester hours, Section 300, Class No. 12261
Session C: June 4–July 27, 2012

Robert Rupert

First course in mathematical logic. Topics include sentential logic, the logic of quantification, and some of the basic concepts and results of metalogic (interpretations, validity, and soundness). This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course.

POLITICAL SCIENCE

Introduction to International Relations

◆PSCI 2223, 3 semester hours, Section 100, Class No. 11787
Session A: June 4-July 6, 2012

Steve Chan

Introduces the field of international relations, with general survey of the theories, histories, and problems of historical and contemporary relations among state and nonstate actors. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: contemporary societies.

U.S. Campaigns and Elections

◆PSCI 3021, 3 semester hours, Section 100, Class No. 12093
Session A: June 4-July 6, 2012

Kenneth Bickers

Introduces students to the subjects, techniques, and findings of Political Science research on campaigns and elections. Particular emphasis is placed on the study of voting, campaign effects, partisan coalitions, electoral rules, campaign finance, and the policy impact of elections. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Prereq., PSCI 1101. Approved for arts and sciences core curriculum: United States context.

PSYCHOLOGY

Psychological Testing and Assessment

PSYC 4733, 4 semester hours, Section 200, Class No. 16296
Session B: July 10-August 10, 2012

Natalie Smutzler

Provides an overview of issues central to testing and assessment of psychological constructs, including types of evaluation instruments currently in use in the field, their applications, and design. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Prereqs., PSYC 1001 and 3101.

RELIGIOUS STUDIES

Dancing, Religion, and Culture

RLST 3838, 3 semester hours, Section 100, Class No. 13506
Session A: June 4-July 6, 2012

Sam Gill

A critical examination of the received cultural, religious, and academic understandings of dancing and the body; the construction of a richer theory of dancing that will more adequately support comparative studies; the study of dancing in cultures and religions in a diverse representation of cultures; and a more in depth social study of Latin American dancing including actual dancing experience. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course.

SOCIOLOGY

Introduction to Sociology

◆SOCY 1001, 3 semester hours, Section 101, Class No. 17336
Session A: June 4-July 6, 2012

Tim Wadsworth

Examines basic sociological ideas including social relations, social interaction, social structure, and social change. Examples are drawn from societies around the world. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Meets MAPS requirement for social science: general. Approved for arts and sciences core curriculum: contemporary societies.

WOMEN AND GENDER STUDIES

Gender, Race, and Class in a Global Context

◆WMST 2600, 3 semester hours, Section 100, Class No. 13485
Session A: June 4-July 6, 2012

Lorraine Bayard de Volvo

Examines the positionality of women in terms of gender, race, ethnicity, class, and power relations in a global context. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Approved for arts and sciences core curriculum: contemporary societies.

SCHOOL OF EDUCATION

Children's Literature

EDUC 4161, 3 semester hours, Section 101, Class No. 16187

Session A: June 4-July 6, 2012

Shelby Wolf

Addresses reading and evaluation of children's literature including history, authors and illustrators, folk literature, multicultural literature, modern fanciful tales, and modern trends. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course.

Language and Literacy Across the Curriculum: Math and Science

EDUC 4232, 3 semester hours, Section 101, Class No. 10409

EDUC 5235, 3 semester hours, Section 101, Class No. 10410

Session A: June 4-July 6, 2012

William McGinley

Explores the relationship between language and learning with the goal of developing teaching practices that engage students in using language as a tool for understanding and constructing meaning across the curriculum. Explores how language/literacy take on different forms and functions in different social contexts and academic disciplines. Restricted to students admitted to the secondary teacher education program. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course.

Teaching K-12 Mathematics: Algebraic Thinking

EDUC 5820, 3 semester hours, Section 101, Class No. 16188

Session A: June 4-July 6, 2012

David Webb

Uses reform-based mathematics curricula to engage participants in algebraic thinking, to reflect on their own knowledge of algebraic concepts, and to examine pedagogical ideas that can foster K-12 students' algebraic thinking and learning. Algebraic topics include patterning, variable functions, multiple representations, equality, and solving linear and systems of equations. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course.

COLLEGE OF ENGINEERING AND APPLIED SCIENCE

COMPUTER SCIENCE

The Computational World

CSCI 1240, 3 semester hours, Section 200, Class No. 10841

Session B: July 10-August 10, 2012

Mike Eisenberg

Introduces and explores the "computational style of thinking" and its influence in science, mathematics, engineering, and the arts. The course does not focus on the nuts and bolts of any particular programming language, but rather on the way in which computing has affected human culture and thought in the past half century. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Same as ATLS 1240.

JOURNALISM AND MASS COMMUNICATION PROGRAM

Media Law

JOUR 4651, 3 semester hours, Section 201, Class No. 11300

Session B: July 10-August 10, 2012

Paul Voakes

Study state and federal laws and court decisions that affect mass communication in order to develop knowledge of mass media rights and responsibilities and an understanding of the legal system. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. Restricted to Journalism students with a minimum of 73 hours.

COLLEGE OF MUSIC

History of Jazz

MUEL 3642, 3 semester hours, Section 100, Class No. 11411

Session A: June 4-July 6, 2012

Keith Waters

Studies the distinctly American art form of jazz music from its origins to the present, including the various traditions, practices, historical events, and people most important to its evolution. This course will be taught entirely online. You must have a reliable Internet connection to access and complete this course. For nonmusic majors. Formerly EMUS 3642.

Great Campus. Great Outdoors.

Go beyond the classroom and explore everything CU-Boulder has to offer in the summer. Attend a production of Shakespeare on a beautiful evening or participate in one of the numerous activities around Boulder. Whether on campus or on a mountaintop, make the most of your summer.

Summer

IN BOULDER

Summer is in session, but don't worry, you can take advantage of summer in Boulder while earning CU-Boulder credit. Enroll in classes and make time for summer events all season long. From biking to hiking and bluegrass to Shakespeare, on campus and off, earning credits and enjoying summer has never been more fun. Here are a few opportunities to fill your downtime and invigorate your mind and body.

Boulder Creek Festival

**Saturday, May 26–Monday, May 28, Memorial Day Weekend
Downtown Boulder along Boulder Creek from 9th to 14th Streets**
This annual three-day festival acts as the unofficial kickoff to summer in Boulder. The festival is free and open to the public. Activities include music, food, carnival rides, and the signature EXPAND Rubber Duck Race.

www.bceproductions.com/boulder-creek-festival

Bolder Boulder 10K Race

**Monday, May 28, Memorial Day
30th and Walnut Street**

Take part in this Boulder community tradition. Enjoy the beautiful Boulder scenery, roadside entertainment, and finish strong at Folsom Field as part of this annual 10-kilometer race.

www.bolderboulder.com

Boulder County Farmers' Market

**April 7–November 17, recurring Wednesdays, 4–8 pm, and
Saturdays, 8 am–2 pm**

Next to Central Park, Downtown Boulder

Taste summer's finest fruits and vegetables in their prime at the local farmers' market featuring locally grown fresh vegetables, fruits, flowers, and plants direct from the growers. Stay for the special events and pastries, too.

www.boulderfarmers.org

Twenty Ninth Street Live! Concert Series

Saturdays, June 2–August 5, 6-9 pm

Twenty Ninth Street Mall

Attention music lovers, this concert series provides live, outdoor music all summer long with restaurants and shopping nearby.

www.bceproductions.com/twenty-ninth-street-live

Ralphie's Independence Day Blast

Wednesday, July 4, 8 pm

Folsom Field

Since 1941, Boulder residents have gathered on Independence Day at Folsom Field to ignite their patriotic side. In addition to the customary fireworks show, the event features unique pre-fireworks musical entertainment.

www.boulder4thofjuly.com

Band on the Bricks

Wednesdays, June 13–August 15, 7-9 pm

1300 block of Pearl Street

This summer tradition takes place on the bricks of the popular Pearl Street Mall. Enjoy varied performances from some of the best local musicians along the Front Range during this 10-week outdoor summer concert series.

www.boulderdowntown.com/events/bands-on-the-bricks

Boulder International Fringe Festival

August 15-26

Various theaters, art galleries, and shops in Downtown Boulder

The Boulder International Fringe Festival brings inspiring performances to the city of Boulder and the Front Range arts community. This 12-day event features an eclectic mix of puppet shows, concerts, movies, storytelling, and more.

www.boulderfringe.com

Downtown Dining Tour

Fridays at 3 pm

Downtown Boulder

Experience Boulder, one bite at a time. Guided local food tour provides a delicious way to get to know the local restaurant scene.

www.localtabletours.com/boulder-tours

Chautauqua Summer Series

900 Baseline Road

Engage in nature, culture, and heritage at the Chautauqua National Historic Landmark. Chautauqua provides activities and events for residents seeking an escape from urban life – including academic stressors. Enjoy the sweet songs of summer inside the 113-year-old Chautauqua Auditorium, take a hike within the site's 40 acres, or attend a local performance at this famed Boulder landmark.

www.chautauqua.com

CU New Opera Works!

The CU New Opera Works (CU NOW) program brings great contemporary composers to Boulder to work on world-premiere operas with College of Music students. Getting an opera ready for its stage premiere is a fascinating process involving composers, directors, singers, and an entire production team. By the time an opera production hits the floorboards, composers and performers have spent years transforming theatrical ideas and music for the stage. The workshop gives audiences the rare opportunity to observe this process and find out just what it takes to get an opera production off the ground. Workshop performances feature an acclaimed opera composer working with CU singers on a new opera, on its way to a professional world premiere. Not only do audiences get a rare advance hearing of new operatic works during these works-in-progress sessions, but they also participate in talkbacks, offer opinions about what works, and suggest changes. While workshops of this kind are common in the theater world, they remain rare in opera. Indeed, CU NOW is the only summer university program in the country focused solely on new opera development. Check out www.cupresents.org for dates, tickets, and more information.

Colorado Shakespeare Festival

Late June to mid-August

Regarded as one of North America's most important Shakespearean festivals, the Colorado Shakespeare Festival brings professional actors center stage during the summer at CU-Boulder. The festival highlights several plays annually, many of which are held at the outdoor Mary Rippon Theater located at the heart of campus.

www.coloradoshakes.org

ESPECIALLY FOR TEACHERS

Accomplished faculty, great courses, and stimulating students make Summer Session at CU-Boulder the place to be. With hundreds of courses to choose from, there's ample opportunity to advance your career, gain insight into subject matter, or spur your creative drive.

The School of Education is nationally recognized for its model teacher education and graduate programs. For more information visit www.colorado.edu/education or call 303-492-6937.

Many summer offerings within the College of Arts and Sciences, the Journalism and Mass Communication Program, the College of Engineering and Applied Science, and the College of Music may interest teachers. You can earn undergraduate or graduate credit as a nondegree or visiting student. A complete listing of courses is available on pages 33-69.

The online *Resource Directory for Educators* is another source of classes available statewide for teachers needing professional development, seeking re-licensure, or interested in working toward an advanced degree. Visit www.coloradoextendedcampus.org/rde/rdehome.htm for a complete listing of courses offered by CU and other Colorado public four-year institutions. If you have questions about classes for teachers, set up a time to meet or talk with a Continuing Education academic advisor at conted.colorado.edu/student-resources.

HIGH SCHOOL STUDENTS

Summer Study Programs

Summer Study Programs at the University of Colorado Boulder offers the “Total Precollegiate Experience” for high school students presently in 9th, 10th, or 11th grade. High school students can choose from exciting academic programs including math, science, art, music, theatre, and more. 3-week and 5-week residential programs provide pre-collegians with enrichment class opportunities not generally offered as a part of the high school curricula. The program includes extensive recreational activities and sports clinics including rafting, hiking, mountain biking, tennis, soccer, basketball, and more. Summer Study participants make lifelong friendships as well as get the rare opportunity to “taste” college life while still in an organized and supervised environment. Experience a summer like never before! For more information, check out www.SummerStudy.com or call 800-666-2556.

RESEARCH OPPORTUNITIES

There are numerous research opportunities for graduate and undergraduate students. **Undergraduate Research Opportunities Program (UROP)** provides funding for undergraduates to work over the summer with world-class scholars. Visit enrichment.colorado.edu/UROP for application criteria and deadlines or call 303-735-6802.

Summer Multicultural Access to Research Training (SMART)

SMART is a 10-week research internship that prepares historically underserved undergraduates for graduate programs in science, technology, engineering, and math (STEM) fields. Visit www.colorado.edu/GraduateSchool/DiversityInitiative/undergradsmart for information and an application.

Ronald E. McNair Postbaccalaureate Achievement Program

The McNair Program prepares eligible CU-Boulder undergraduates for doctoral study through involvement in research and other scholarly activities. Visit www.colorado.edu/SASC/mcnair.html for more information or call 303-492-3729.

BE SURE TO CHECK OUT . . .

INVST Community Studies

INVST Community Studies programs develop engaged citizens and leaders who work for the benefit of humanity and the environment. For more information visit www.colorado.edu/communitystudies or call 303-492-8045.

Summer Study Abroad

Participate in one of CU-Boulder’s 80+ summer programs in over 40 countries. Programs run from two to ten weeks, and include language study, directed field study, traveling programs, faculty-led Global Seminars, and more. All programs provide CU-Boulder credit; eligible students can use their CU-Boulder financial aid, and scholarships are available. Additional information is available at studyabroad.colorado.edu or e-mail studyabr@colorado.edu.

There will be nearly 25 faculty-led Global Seminars taught in various locations around the world in 2012. Faculty will be teaching courses in Argentina, Australia, Bolivia, Brazil, China, Cuba, France, Germany, Italy, Japan, Kuwait, Russia, Scotland, South Africa, Spain, Tanzania, and Turkey. Early application encouraged. For more information visit studyabroad.colorado.edu.

Learn More About Colorado’s Changing Climate

Colorado is home to some of the world’s leading climate scientists. The LearnMoreAboutClimate.colorado.edu video series features scientists explaining how climate change is affecting our state while citizens share stories and solutions. The films are accompanied by resources for teachers, citizens, and policy makers who want to learn more about this critical issue. Stories from the eastern plains and mountain forests demonstrate how the whole state is being impacted and offer examples of how some Coloradans are seeking solutions. Topics include the mountain pine beetle epidemic, Colorado’s water, population and exponential growth, the basics of climate science, and creative solutions.

This project is a collaborative effort among the Cooperative Institute for Research in the Environmental Sciences, the National Snow and Ice Data Center, the Institute of Arctic and Alpine Research and CU-Boulder’s departments of geography and ecology and evolutionary biology. The website and resources are a project of CU-Boulder’s Office for University Outreach.

CU Complete Guiding Former Students Toward Degree Completion

Finishing your degree is closer than you think. CU Complete is a service designed to help former degree students complete their degrees. We have academic, financial aid, and career advisors on staff to assist students in returning to CU-Boulder. We can also provide assistance and referrals for enrollment at a variety of colleges or universities in the state. For additional information visit cucomplete.colorado.edu or e-mail ceadvise@colorado.edu.

Schedule of Courses

COLLEGE OF ARCHITECTURE AND PLANNING

Environmental Design 168 | 303-492-7711 | www.ucdenver.edu/academics/colleges/ArchitecturePlanning

The College of Architecture and Planning (at both the Boulder and Denver campuses) prepares students for careers in architecture, urban and regional planning, landscape architecture, urban design, and other design and planning-related fields. At the undergraduate level, the college takes a broad and integrated view of the design professions. In recent years the challenges and opportunities facing the design professions have changed dramatically. To prepare students for these changed conditions, the college expects students to take a wide range of courses in the humanities, the arts, and the natural and social sciences, in order to examine the world and contemporary culture from a variety of viewpoints. Students actively integrate and synthesize the knowledge gained in lectures and related course activities in their hands-on design classes in which students study shared problems together. They learn to understand each other's perspectives as they collaborate to find solutions to the complex issues involved in the design of the built environment.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Enrollment in ENVD courses may be limited to architecture and planning students only, unless otherwise indicated. Independent study course work is available. Course offerings are subject to cancellation if enrollments are insufficient.

COLLEGE OF ARTS AND SCIENCES

Academic Advising Center and Deans Office | Woodbury 109 | 303-492-7885 | www.colorado.edu/ArtsSciences

Summer offers an opportunity to complete requirements and explore new areas of interest. With smaller classes and the intimate setting common to summer session, students have the chance to experience the excitement and intensity of learning from scholars and artists recognized for their research and their creativity. The college is the largest and most diverse at CU-Boulder, with over 35 academic departments and programs offering a mix of undergraduate and graduate degree programs in the natural and physical sciences, social sciences, and the arts and humanities, as well as a number of interdisciplinary majors such as environmental studies and international affairs.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Students are not guaranteed your place in a course if you do not attend regularly during the drop/add period or if you do not have the proper prerequisites. It is your responsibility to know whether or not you are still registered in each of your classes at the end of the drop/add period.

ART AND ART HISTORY

Visual Arts Complex 330 | 303-492-6504 | www.colorado.edu/arts

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. The department follows the general registration and enrollment guidelines located under the heading College of Arts and Sciences. This dept primarily uses resequenced wait lists for undergraduate courses and automatic wait lists for graduate courses (see "wait lists" in the registering section). Students may be administratively dropped for nonattendance of the first 2 classes. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the dept. Graduate-level courses are not open to undergraduate students without instructor's consent. Each course in this dept has a course fee. Refer to the paying section.

ECONOMICS

Economics 212 | 303-492-6394 | www.colorado.edu/Economics

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. This department primarily uses resequenced wait lists (see wait lists in the registering section). Students may be administratively dropped for nonattendance of the first 3 classes. Independent study course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the department office. Class syllabi are available at www.colorado.edu/economics. Please print a copy before your first class session. All undergraduate (1000-4999) courses have a course fee. The department enforces prerequisites. Students without appropriate prerequisites may be administratively dropped.

INTEGRATIVE PHYSIOLOGY

Clare Small Arts and Sciences 114 | 303-492-5362 | www.colorado.edu/intphys

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Integrative physiology courses may be restricted to integrative physiology majors. For information on PHED courses, see the School of Education section. Graduate courses are limited to IPHY seniors and graduate students. Independent study, internship, and honors course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the dept office. Each course in this department has a course fee for specialized supplies and equipment. Refer to the paying section.

SPANISH

McKenna 127C | 303-492-7308 | spanish.colorado.edu

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Students seeking to enroll for graduate courses must have graduate standing or departmental permission. The Spanish office must be notified prior to absence. For SPAN 1020, 1150, 2110, 2120, 2150 and 3000, students who earned less than a C- in the prerequisite course may be administratively dropped. Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher-level course in the same language sequence. For example, students will not receive credit for SPAN 1010 after they have passed SPAN 2110. Independent study course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the department office. Selected courses in this department have a course fee in support of ALTEC. Refer to the paying section.

THEATRE

Theatre C132 | 303-492-7355 | theatredance.colorado.edu

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Students in "performance" classes who are absent for two of the first four classes may be administratively dropped at the discretion of the instructor. For all other classes students who do not attend the first two class sessions may be administratively dropped at the instructor's discretion. Independent study course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the department office. Selected courses in this department have a course fee for specialized supplies and equipment. Refer to the paying section. All design and technical theatre courses are controlled enrollment. Please see department office for eligibility.

WRITING AND RHETORIC

ENVD 1B28 | 303-492-8188 | www.colorado.edu/ArtsSciences/PWR

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. WRTG 1150 fulfills the lower-division written communication requirement. WRTG 3020, 3030, and 3040 fulfill the upper-division written communication requirement. WRTG courses cannot be taken *pass/fail* for core. WRTG students must attend regularly during the drop/add period. Students who miss 2 classes during that time may be administratively dropped; nevertheless students remain responsible for dropping their own courses.

LEEDS SCHOOL OF BUSINESS AND GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

Undergraduate: Business 115 | 303-492-6515 | leeds.colorado.edu

Graduate: Business 204 | 303-492-1831

Small classes, an innovative curriculum, outstanding faculty, and interaction with the business community form a strong foundation for the Leeds School of Business experience. The curriculum emphasizes business world fundamentals while incorporating the latest technology, to create a unique and comprehensive program that prepares students to be knowledgeable in the best business practices, think critically, communicate effectively, adapt to and lead change, act ethically, value diversity, and compete in a global economy. Small summer classes allow students to receive a personalized education and to interact closely with internationally renowned professors who are highly regarded for their teaching.

Course prerequisites are strictly enforced. Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Students lacking prerequisites will be administratively dropped from the course. Independent study course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the department office.

SCHOOL OF EDUCATION

Undergraduate Teacher Licensure: Education 151 | 303-492-6555 | www.colorado.edu/education

Graduate: Education 151 | 303-492-6555

With 34 full-time faculty, including prominent national and international experts, the School of Education is noted for its commitment to quality and excellence. Cutting-edge programs provide a context for analyzing and understanding the challenges of education today. Summer offerings, for degree and nondegree teachers and other education professionals, are taught in a seminar format that provides a stimulating and challenging learning environment. You will find an excellent professional curriculum and opportunities to talk with professors.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Independent study course work is available. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, should consult the staff in EDUC 151.

COLLEGE OF ENGINEERING AND APPLIED SCIENCE

Engineering Center ECAD 100 | 303-492-5071 | engineering.colorado.edu

Engineering students enjoy superb facilities on the Boulder campus. Each department has labs for undergraduate and graduate instruction and experimental research through the doctoral or postdoctoral level. The 160-member faculty includes professors of national and international standing. Eleven undergraduate degrees are offered and we pride ourselves on involving undergraduates in the technological research that leads to the discoveries affecting our world. Our Integrated Teaching and Learning Laboratory (ITLL) reflects an evolving paradigm in education: a real-world, multidisciplinary learning environment that integrates theory with practice—engineering education at its peak. The Discovery Learning Center (DLC) integrates research and learning opportunities for undergraduate, graduate, faculty, and industry and government partners. CU engineering, together with its industry and government partners, is committed to providing the best in education and applied research to meet society's needs.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course.

Students who require accommodation must contact Disability Services for an evaluation. If you qualify for an accommodation because of a disability, please submit the letter from Disability Services to your instructor at the beginning of the class so that your needs may be addressed. Disability Services determines accommodations based on documented disabilities. For more information go to www.colorado.edu/disabilityservices, call 303-492-8671, or visit them in the Center for Community, Room N200.

JOURNALISM AND MASS COMMUNICATION PROGRAM

Armory 116 | 303-492-5007 | journalism.colorado.edu

If journalism, advertising and media studies are your passion, come to Boulder this summer for hands-on experience with top media professionals and media scholars. You can expect small classes, lively discussions, and a deep commitment to excellence in teaching. The school offers a comprehensive, nationally accredited set of programs in media education. A dual mission guides program development: to produce responsible, well informed, and skilled media practitioners, and to serve as a leading center for study, commentary, and debate about the media. The curriculum emphasizes a strong liberal arts foundation and development of outstanding communication skills.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Students may be dropped from journalism courses for nonattendance, especially during the first week of classes. Independent study course work is available. Graduate students needing to register for master's theses or doctoral dissertation credits, consult the Journalism office. Some courses have course fees for specialized supplies and equipment. Refer to the paying section.

LAW SCHOOL

Wolf Law | 303-492-7203 | www.colorado.edu/law

Colorado Law School offers the Juris Doctor (J.D.) degree and three Master of Laws (LL.M.) degrees. The LL.M. degrees are available in Natural Resources, Entrepreneurial, and Intellectual Property Law. The Law School also offers J.D. students four certificate programs in American Indian Law, Entrepreneurial Law, Juvenile and Family Law, and Tax. The Colorado Law curriculum provides a broad, liberal arts approach to legal education so that students can take foundational and advanced courses in all major disciplines of law. However, students interested in engaging in focused, in-depth study can also find advanced scholarship, service, and advocacy opportunities through the Law School's four centers of excellence: The Natural Resources Law Center; the Silicon Flatirons Center for Law, Technology, and Entrepreneurship; the Center for Energy and Environmental Security; and the Byron R. White Center for the Study of American Constitutional Law.

This year's summer program offers a diverse array of high-quality offerings: Federal Tax Politics, Game Theory, Government Regulation of Business, Criminal and Immigration Advocacy for the Spanish-Speaking-Client, Advanced Legal Writing, Commercial Drafting, Evidence, Legal Ethics, and the Entrepreneurial Law Clinic – all in the unsurpassed setting of Boulder, Colorado.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that they meet the academic requirements to take the course. Selected courses in this school have a course fee for specialized supplies and equipment. Refer to the paying section. Some summer courses are open to graduate students.

COLLEGE OF MUSIC

Undergraduate: Music C-111 | 303-492-6354 | music.colorado.edu

Graduate: Music C-119 | 303-492-2207

Summer is an exciting time in the College of Music, with offerings that range from five-week sessions to two-day workshops on subjects as diverse as the History of Jazz, Music Appreciation, Music in the Rock Era: Special Topics in Heavy Metal, and Words and Music. All of these classes are open to non-music majors, who can choose from our most popular courses taught by the College's outstanding faculty. For Maymester and Summer students, other popular options include our performance classes in beginning guitar and piano.

Music educators can enroll in courses developed especially for them and designed to reinvigorate teachers just before they head back to school.

The Colorado Light Opera presents two productions in repertory that are a perennial highlight of Boulder's thriving summer music scene.

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course.

MUSIC ELECTIVES

Students should check course descriptions at mycuinfo.colorado.edu or www.colorado.edu/catalog for prerequisites and corequisites to be sure that you meet the academic requirements to take the course. Music electives open to both non-music and music majors. If a student has registered for a course but has not attended during the first three class meetings, that student may be administratively dropped from the class. Each course in this department has a course fee for specialized supplies and equipment. Refer to paying section.

Official summer graduation date; no summer ceremony	August 11	August 11	August 11	August 11	August 11

Applying

To study at CU-Boulder this summer, read the instructions throughout this section, as well as the instructions for registering beginning on page 74. Methods for applying to CU-Boulder and registering for summer classes vary, depending on your student category.

CONTINUING DEGREE STUDENTS

You may register for summer session without submitting an application if you meet all three of the following conditions:

- You are an undergraduate or graduate degree student enrolled at CU-Boulder in classes during spring semester 2012 and are continuing through summer session 2012.
- You are in good standing or you have been academically suspended from a CU-Boulder degree program at the end of spring semester 2012 and wish to raise your grade point average (GPA) to have your suspension released. (Exception: If you are on academic suspension from the graduate business program, the School of Education, the Graduate School, or the Law School, you cannot register for summer classes if you are still in the same college or school.)
- You did not complete a degree at the end of spring semester 2012.
Note: *If you receive your degree in May 2012, you may apply for summer session as a nondegree student or submit a new application for admission in order to pursue another degree.*

To register for summer classes, see pages 74-82.

Intrauniversity Transfer

If you are a CU-Boulder undergraduate degree student enrolled for spring semester 2012 and wish to transfer to another college or school on the Boulder campus for summer session 2012, read the *University of Colorado Boulder Catalog* and consult with the advising office of the college or school you wish to enter for appropriate instructions, deadlines, academic requirements, and application forms. Some colleges and schools allow intrauniversity transfer for fall and spring semesters only.

If you are a former CU-Boulder degree student and were not enrolled for spring semester 2012 but would like to transfer to another college or school on the Boulder campus for summer session 2012, see the Former/Readmit Degree Students section.

NEW DEGREE STUDENTS

Undergraduate Students

If you plan to enter an undergraduate degree program at CU-Boulder during summer 2012, you should complete the online undergraduate application for admission.

Note: *The deadline for new student summer degree applications is **January 15** for freshmen and **April 1** for transfers.*

If you received your degree at the end of your last term at CU-Boulder, you may either attend as a nondegree student or submit a new application for admission and be admitted in order to pursue another degree. The Leeds School of Business and Journalism and Mass Communication Program do not accept applications for second undergraduate degrees.

For general admission information or to access the online undergraduate application visit admissions.colorado.edu/undergraduate/apply.

Minimum Academic Preparation Standards (MAPS)

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. These standards can be found at admissions.colorado.edu/undergraduate/apply/freshman/maps.

Graduate Students

If you are a new applicant for graduate study or a former student applying to a different graduate degree program, you must consult with your department for appropriate application forms and instructions. If you are a former graduate degree student who did not attend spring semester 2012 and are returning to your previous graduate degree program and level, you must reapply for admission through your department.

FORMER/READMIT DEGREE STUDENTS

Undergraduate Students

If you are a former CU-Boulder degree student who is returning to a degree program and you did not attend during spring semester 2012 and want to attend the summer session only, you may apply through Continuing Education using the online application at conted.colorado.edu/register/credit-app. Students who were academically suspended from a CU-Boulder program at the end of spring semester 2011 or before, and wish to raise their grade point average (GPA) and have their suspension released through summer course work, should also apply online through Continuing Education. If the suspension is removed once summer work is completed, students will need to contact their dean's office to have the service indicator (stop) released. Contact the Registrar's Office for enrollment information.

Note: *Some students on suspension may be required to receive permission from their college or school. Check with your college or school dean's office.*

If you are on academic suspension at the end of spring semester 2012, you do not need to reapply for admission (see the Continuing Degree Students section).

Graduate Students

If you are a former student applying to a different graduate degree program, you must consult with your department for appropriate application forms and instructions. If you are a former graduate degree student who did not attend spring semester 2012 and are returning to your previous graduate degree program and level, you must reapply for admission through your department.

NONDEGREE STUDENTS

You may apply as a nondegree student if you:

- Want to take summer courses but are not currently working toward a degree at CU-Boulder (including students from another institution or another CU campus who wish to take courses at CU-Boulder for the summer only).
- Have already received an undergraduate or graduate degree from CU-Boulder and do not wish to apply to another degree program.
- Are a high school student.
- Are a licensed teacher with a baccalaureate degree who seeks only to renew a current license and who does not require institutional endorsement or recommendation.
- Are on nondegree student academic suspension and wish to raise your grade point average (GPA) to have your academic suspension released.

You may not apply as a nondegree student if you formerly attended CU-Boulder as a degree student and have not yet received a degree. You must reapply for admission as a degree student (see page 71). If you are interested in attending summer only, see the Former/Readmit Degree Students information on page 71.

If you want to attend CU-Boulder as a nondegree student, submit the online Continuing Education application at conted.colorado.edu/register/credit-app.

If you want to attend CU-Boulder as a degree student visit www.colorado.edu/prospective for information and to access the online application.

If you have already applied for admission to an undergraduate degree program at CU-Boulder for summer session or fall semester 2012 call the admissions office at **303-492-6301**.

Nondegree High School Students

High School students interested in the challenge of university course work may enroll in Summer Session courses at CU-Boulder. This unstructured, unchaperoned program is best for students looking to accelerate their learning in a specific area or for students hoping to get a feel for college courses on a college campus.

Students will earn college credit that may transfer to CU-Boulder or other colleges in the future, and may also earn credit toward high school graduation requirements. In order to enroll, students will need written approval from both a parent/guardian and a high school counselor/principal.

To enroll, complete the High School Concurrent Application found online at www.colorado.edu/summer/downloads/HS_Nondegree_App.pdf. For more information, or to contact the program coordinator, visit conted.colorado.edu/highschool.

Nondegree Admission and Registration Policies

As a nondegree student, you must be 18 years of age or older and have a high school diploma or its equivalent in order to qualify for admission (unless you are currently a high school student). You may register for courses on a *pass/fail* basis; however, such courses count toward the maximum number of *pass/fail* credits allowed if you change to degree status. If you have completed 6 semester hours of credit at CU-Boulder, you must maintain a 2.00 cumulative GPA in order to avoid suspension. Admission as a nondegree student does not guarantee future admission to a degree program.

If you are considering applying to CU-Boulder as a degree student in the future, meet with a Continuing Education academic advisor to learn about your academic options. We want to help you be successful at the University of Colorado and meet your academic goals. Requirements for admission vary by your status (freshman, transfer, second-degree student), so set up an academic advising appointment before you register for classes. If you are under age 22, please bring copies of your high school transcript, any college transcripts, and your SAT or ACT scores to your advising appointment. Advising appointments can be held by phone or in person. To make an appointment visit conted.colorado.edu/student-resources.

For more information about admission procedures and registration status call Continuing Education at **303-492-5148**.

Nondegree Students Transferring to a Degree Program

Undergraduate Students

If you are currently enrolled or have ever been enrolled at any CU campus as a nondegree student and want to transfer to a degree program, visit www.colorado.edu/prospective for information and to access the online application.

A degree-seeking applicant may transfer an unlimited number of credits taken as a nondegree student on any CU campus. However, applicability of these hours toward degree requirements is established by the colleges and schools. We suggest that you apply to a degree program as soon as you know you would like to seek a degree. You may want to talk with an admission counselor about admission eligibility requirements first. Students admitted to a degree program are required to attend mandatory degree orientation programs.

Graduate Students

If you are interested in earning a graduate degree, you should consult with the appropriate graduate department prior to the completion of 9 semester hours earned as a nondegree student. A department may recommend to the graduate dean the acceptance of as many as 9 semester hours toward a master's degree and 21 semester hours toward a doctoral degree. Limits and transfer credit criteria may vary by department. If you are seeking a degree from CU-Boulder you must complete the majority of your course work while enrolled in a graduate program as a degree-seeking student.

TEACHER LICENSURE

If you are interested in teacher licensure, refer to the School of Education section of the *University of Colorado Boulder Catalog*. If you are renewing your current license, see the Nondegree Students section. If you hold a baccalaureate degree and seek initial teacher licensure, you should apply to the School of Education for the teacher education program. For information on deadlines for admission to the teacher education program visit www.colorado.edu/education, e-mail edadvise@colorado.edu, or call **303-492-6555**.

INTERNATIONAL STUDENTS

International students are those who already have, or will be applying for, a temporary U.S. visa such as an F-1 or J-1 and are not U.S. citizens, permanent residents of the United States, refugees, or asylum seekers in the United States. If you have established permanent resident status in the United States and have an alien registration number, or if you have submitted the Form I-485 to the Department of Homeland Security in application for permanent residency status and have received a receipt for the form, you are not considered an international student.

International Degree Applicants

If you plan to enter an undergraduate degree program at CU-Boulder during summer 2012, you should complete the online undergraduate application for admission.

Note: *The deadline for new student summer degree applications is January 15 for freshmen and April 1 for transfers.*

If you received your degree at the end of your last term at CU-Boulder, you may either attend as a nondegree student or submit a new application for admission and be admitted in order to pursue another degree. The Leeds School of Business and the Journalism and Mass Communication Program do not accept applications for second undergraduate degrees.

For general admission information or to access the online undergraduate application, visit admissions.colorado.edu/undergraduate/apply/international.

If you want to apply for a graduate degree program, visit www.colorado.edu/prospective or call the specific department of interest at CU-Boulder. Call **303-492-1411** or **303-492-0833** (TTY) and a campus operator will direct your call to the appropriate department.

After Being Admitted as an International Degree Student

All international students in F-1 or J-1 non-immigrant status are required to complete the immigration check-in process with International Student and Scholar Services (ISSS). For the times, location, and what to bring, please see the details in the next column.

After you arrive in Boulder, you must complete the immigration check-in at one of the times listed. The staff at ISSS will register you in SEVIS, the government tracking system for students on F-1 or J-1 visas, and also talk with you about information you will need as a new international student.

Please bring the following items for yourself and any dependents to the check-in:

- passport
- DS-2019 and proof of your health insurance for J-1 students
- I-20 for F-1 students
- I-94
- address where you are staying

Immigration check-in sessions for new summer students will be held at the Center for Community Building, room S435, on the following days and times (choose a time and allow 1½ hours):

For those starting in June: Wednesday, June 6, 2012,
10 am or 2:30 pm

For those starting in July: Thursday, July 5, 2012,
10 am or 2:30 pm

If you have questions, please contact ISSS, located in the Office of International Education, Center for Community, Room S355 (phone **303-492-8057** or e-mail adviser@colorado.edu).

If you are a sponsored student whose tuition and fees are paid to the university by a sponsoring agency, before you enroll in classes you must provide documentary evidence of that sponsorship and a billing authorization to:

Bursar's Office
3rd Party Billing Coordinator
Regent Administrative Center 150
University of Colorado Boulder
12 UCB
Boulder, CO 80309-0012

Also, send a copy of the documents to:

Office of Admissions
Regent Administrative Center 125
University of Colorado Boulder
65 UCB
Boulder, CO 80309-0065

If you are not a sponsored student, you must be prepared to pay summer session tuition and fees at the time you enroll in classes.

International Nondegree Applicants

CU-Boulder welcomes visiting students from around the world. Experience American culture and take advantage of a world-class university. International students who are requesting a form I-20 (for an F-1 visa) are required to take 6 credits to be a full-time student. Academic advisors are available to help you select classes. Visit www.colorado.edu/summer for more information or e-mail ssdean@colorado.edu.

Please note: International nondegree applicants are admitted for summer only and not for a full degree program at CU Boulder. If you are interested in pursuing a degree at CU-Boulder, please see International Degree Applicants.

Registering

All students enroll for courses online — you can choose your courses, add and drop classes, put your name on course wait lists, and view your schedule. When you enroll, you receive immediate confirmation of your enrollment.

Here's how to enroll in summer classes:

- Look for the dates and times you may enroll (enrollment appointment)
- Look through the special courses (pages 4-29) and the schedule of courses (pages 33-69) to find the courses you want to take this summer.
- Fill out the summer registration planning form on page 82.
- Use web registration to enroll, drop, wait list, and to verify your schedule.

Note: If you require accommodations when registering because of a disability, call **303-492-6970** or notify us by writing to:

Office of the Registrar
University of Colorado Boulder
20 UCB
Boulder, CO 80309-0020

REGISTER FOR COURSES EARLY (ALL SESSIONS)

Because summer registration is conducted on a first-come, first-served basis, you have a better chance of getting the courses you want if you enroll early. Therefore, try to enroll as soon as possible after your enrollment appointment begins.

WEB REGISTRATION

First complete the registration planning form on page 82. Then go to MyCUInfo, the CU-Boulder campus web portal, at **mycuinfo.colorado.edu**. After you log in with your CU login name and IdentiKey password, choose the Student tab and then Register for Classes to be directed to the registration feature. You will need to enter the five-digit class numbers to register for courses. Every time you want to process a request, click on the Submit button which places the class in your Shopping Cart. To complete enrollment, select class from Shopping Cart and select “proceed to step 2 of 4”, then “finish enrolling”. When you are done enrolling, verify your schedule by clicking on the Schedule tab at the bottom of the page. Be sure to exit the web registration site when you are done.

You can register via the Web Monday through Friday between the hours of 7 am and 11:59 pm and on Sundays between 11 am and 11:59 pm. Web registration is not available on Saturdays. If you have problems or questions concerning web registration, contact the registrar's office via LiveChat at **registrar.colorado.edu**, by phone at **303-492-6970**, or by e-mail to **registrar@colorado.edu** between 8 am and 4:30 pm Mountain Time, Monday through Friday.

IDENTIKEY

Your IdentiKey provides access to most IT services on campus, so it's important that you set and remember your IdentiKey. Your IdentiKey allows you to:

- register for classes
- log in to MyCUInfo, the secure campus web portal
- log in to your online courses
- log in to your CU-Boulder e-mail account
- access wireless networking throughout campus
- log in to computers in the UMC, Norlin Library, and other campus computing labs
- log in to My Chinook, your online library record

IdentiKeys, which consist of a CU login name and unique password, are automatically assigned to all incoming CU-Boulder degree and nondegree students. New IdentiKeys must be activated before they can be used. To activate your IdentiKey, go to **cuidm.colorado.edu** and click on Activate Your IdentiKey.

More information about your IdentiKey is available on the Office of Information Technology website at **oit.colorado.edu/identikkey**. If you are having problems with your IdentiKey, or have not yet received an IdentiKey and need one, contact the IT Service Center at **303-735-HELP (303-735-4357)**, or stop by the IT Service Center located on the first floor of the Telecommunications Center on 18th Street, two buildings east of the University Memorial Center. The Service Center is open Monday through Friday, 8 am to 5 pm (summer hours: 7:30 am to 4:30 pm).

CONTINUING DEGREE STUDENTS

If you are continuing your degree program at CU-Boulder during the summer, you may register any time after your assigned enrollment appointment begins. See Enrollment Appointments below.

Look for your registration status for summer by logging on to MyCUInfo at mycuinfo.colorado.edu and choose the Student tab. Click on Register for Classes. Your enrollment appointment assignment, service indicators (stops) that need to be cleared, and advising requirements are listed.

Note: Your enrollment appointment does NOT show on the registration status screen once your specific time assignment has passed. It only displays if it has not yet arrived and you are ineligible to register.

Enrollment Appointments

Summer session enrollment appointments for continuing degree students are based on the number of hours you have completed at CU (any campus), including any transfer credits, and any courses you are enrolled in as of February 11.

- Seniors may register beginning at 7 am on Wednesday, March 7.
- Juniors may register beginning at 7 am on Thursday, March 8.
- Sophomores may register beginning at 7 am on Friday, March 9.
- Freshmen may register beginning at 7 am on Friday, March 9.
- Graduate, law, and business graduate students may register beginning at 7 am on Thursday, March 8.

You can register any time after your enrollment appointment begins, through the drop/add deadline. Registration, however, is conducted on a first-come, first-served basis so it's advantageous to register as soon as possible for the best selection of courses.

NEW DEGREE STUDENTS

All new freshman and transfer students must have a \$200 enrollment deposit on account 24 hours prior to being eligible to register for summer or fall courses. Attendance at an orientation session is mandatory to maintain your registration eligibility for the fall semester. Orientation is required of all new degree-seeking students even if you previously took courses on campus through Continuing Education.

- New freshman and transfer students in the **College of Engineering and Applied Science** will attend a required New Student Welcome Program on May 25. Information about this program will be sent to all new students by the college soon after the Office of Admissions receives the confirmation form. Registration information and materials will be given to all new students during this New Student Welcome Program on May 25 for sessions A, C, and D, and on July 1 for session B. Please call the engineering dean's office at **303-492-5071** if you have any questions.
- New summer freshman and transfer students in the **Leeds School of Business**, the **College of Arts and Sciences**, and the **Journalism and Mass Communication Program** register beginning March 7 but are required to attend an orientation program during the summer in order to register for the fall semester. Information is available at orientation.colorado.edu.
- All other new and readmitted freshman and transfer students register beginning March 7. Registration materials are mailed by the registrar's office after the admissions office receives the confirmation form.

FORMER/READMITTED DEGREE STUDENTS

All former/readmitted degree students register beginning March 12. Students will receive registration materials through Continuing Education.

NONDEGREE STUDENTS

Nondegree students register beginning Monday, March 12. Registration materials, including your invitation to register, are e-mailed by Continuing Education when students are admitted for summer and will contain detailed information on the registration and payment process.

If you are a nondegree student thinking about applying to CU-Boulder as a degree student in the future, you may transfer an unlimited number of credits taken as a nondegree student on any CU campus. However, applicability of these hours toward degree requirements is established by the colleges and schools. Consult the dean's office of the college or school you plan to enter for further information.

Orientation for Nondegree Students

Orientation for nondegree students will be held on Wednesday, May 23, at 10 am, at the Continuing Education Center, 1505 University Avenue. This informal session provides an opportunity to meet and ask questions of representatives from admissions and financial aid, and to receive academic advising. Campus tours will be available. Call **303-492-5148** for additional information.

If you register for summer courses and then decide not to attend summer session, you may be assessed a financial penalty. See pages 78-79 for withdrawal information. Nondegree students should call Continuing Education at **303-492-5148** for withdrawal information.

ACADEMIC ADVISING

Academic advising may be required before you can enroll. If you are required to see an academic advisor, make an appointment as soon as possible. Take your completed summer registration planning form (page 82) with you to your advising appointment. If you are not required to see an academic advisor but would like advising, you can either go to your dean's office or to the Academic Advising Center in Woodbury. After being advised, you can enroll any time after your time assignment begins.

CORE CURRICULUM

The mainstay of the general education requirements is the College of Arts and Sciences core curriculum. The current core requirements with courses marked that are offered this summer can be found at www.colorado.edu/summersession/courses/core.html.

OTHER REGISTRATIONS

Registering for Session M (Maymester)

Continuing degree students, as well as readmitted degree students, new graduate students, and nondegree students, are eligible to register for session M, which runs May 14–June 1. Incoming freshman students, new transfer students, and engineering students on academic suspension are not eligible to enroll in session M courses.

Registering for Session B Only

If you want to take session B courses only, you may enroll through July 13, the drop/add deadline for session B.

If you enroll only for session B, an independent study course, or thesis hours and then decide not to attend after July 10, you will be assessed a financial penalty. Refer to pages 78–79 for withdrawal information.

Registering for Intensives

Intensives are those courses that meet three weeks or less (does not include Maymester). You may register for intensive courses through the drop/add deadline for the intensive class (see page 78). After the drop/add deadline for the class, you must get a special action form signed by both the instructor and the dean and turn in the form to the Office of the Registrar, Regent Administrative Center 105, from 9 am to 4:30 pm.

Check each course for class beginning and end dates and for the final exam date.

Concurrent Registration

Beginning April 27

If you plan to take at least one course at CU-Boulder in the summer but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. You can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus provided you remain registered for at least one course at CU-Boulder the entire semester.

Note: *Engineering students must have their dean's approval. Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.*

Concurrent registration forms and instructions are available at the Office of the Registrar in Regent 105 beginning April 27 from 9 am to 4:30 pm. The Office of the Registrar will register you concurrently after schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all courses. For additional information about concurrent registration call **303-492-6970**.

INFORMATION ABOUT SUMMER COURSES

Refer to this information before you fill out your summer registration planning form on page 82.

Changing Your Major

If you want to change your major or declare your major before you enroll, go to that department and ask about the required procedures. Your change is entered into the computer system when it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT).

Intrauniversity Transfer

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted into the new program. If you are not able to register for some courses because you have not yet been accepted, you may change your schedule through the drop/add deadline for the session(s) for which you are enrolled.

Credit-Load Limit

The maximum credit load allowed for all colleges and schools during summer session (except the law and education schools) is 15 credit hours. Law students may register for no more than 8 credit hours. Graduate students in the School of Education may register for no more than 9 credit hours.

Independent Study and Controlled Enrollment Courses

If you want to take a course with an 800-level or above section number, you must contact the department for permission and the five-digit class number before you can enroll. Enrollment in these courses is limited by each department.

You have through July 13 to register for independent study course work and thesis hours. Both are subject to session B withdrawal and drop/add deadlines (see pages 78–79).

Linked Courses (Lectures/Recitations/Labs)

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because once the lecture is selected, associated recitations or labs will be displayed for you to choose from.

No Credit

If you want to register for course work for *no credit*, you must select the *no credit* option when registering, or go to the Office of the Registrar in Regent 105 before the appropriate drop/add deadline (see page 78).

Note: *If you want to make a **change** to no credit status **after** you have enrolled, you must do so in person at the Office of the Registrar by the drop/add deadline for the course.*

Tuition is the same, whether or not credit is received in a course.

Courses taken for *no credit* cannot apply toward a graduate degree.

No changes in registration for credit are permitted after the drop/add deadline for each session.

Pass/Fail (P/F)

If you want to take a course on a *pass/fail* basis, you must indicate such grading basis when registering by selecting the *pass/fail* option before the appropriate drop/add deadline (see page 78).

Note: *Check with your college or school; there are restrictions on the number and type of courses that can be taken pass/fail.*

If you register on a *pass/fail* basis, your name appears on the final grade list and a letter grade is assigned by the instructor. When grades are received in the Office of the Registrar, your grade is automatically converted to *P* or *F*. Any grade of *D-* and above converts to a grade of *P* and is not calculated into the GPA. Grades of *F* are included in your GPA.

Courses taken *pass/fail* cannot apply toward a graduate degree.

WAIT LISTS

Throughout summer registration and through 11:59 pm on May 14 for session M, 11:59 pm on June 5 for sessions A, C, D, and E, and 11:59 pm on July 11 for sessions B and F, you may be able to put your name on a computerized wait list if you are eligible to take a course but find it is full. There is no automatic enrollment from wait lists after these dates. Each department determines if a wait list is offered for a course and what type of wait list is used.

There are two types of wait lists, *automatic* and *resequenced*.

Automatic wait lists are set up on a first-come, first-served basis. As a vacancy occurs in a course, the person at the top of the list is automatically enrolled if they are eligible to take the course.

Resequenced wait lists use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

Web registration informs you if a class you have requested has a wait list and gives you the option of adding your name to the list.

When you place your name on a wait list, the total number of students already on the list is displayed. As wait-list positions constantly change during the registration period, it's a good idea to check your schedule frequently to find out your position on the wait list. Check your wait-list position by viewing your schedule on MyCUInfo. Wait-list positions are updated in real time on the Web.

Placing your name on a wait list doesn't mean you're eligible for the course nor are you guaranteed enrollment, even if you're first on the wait list due to eligibility requirements.

When a space opens up for you in a course, you are enrolled automatically in the course from the wait list if you meet the eligibility requirements. If you choose not to remain on a wait list or if you find that you have been enrolled in a course you no longer want, drop the course as soon as possible. It is your responsibility to find out if you have been enrolled in a course from a wait list. If you do not attend a course you have been enrolled in, including one that was wait listed, you will receive an *F* for that class.

If you are still on a wait list as of May 15 for session M, June 6 for sessions A, C, D, and E, or July 12 for sessions B and F and are still interested in taking the course, check with the department offering the course. You must let the department know you are still interested in the course, should an opening occur. *Department wait lists are cancelled at 4:30 pm on May 15, for session M; at 4:30 pm on June 7, for sessions A, C, D, and E; and at 4:30 pm on July 13, for sessions B and F.*

SEARCHING FOR AVAILABLE COURSES

You may need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered after the summer catalog is published. When this happens, the department cancels the original section and adds a new section that reflects the time change.
- The section you request is full.

You can use the **Search** feature in web registration, which you can access via MyCUInfo for available sections. The course search feature allows you to search by subject, level, course number, core requirements, meeting time, session, and for courses that are still open. The course search is updated on a real-time basis, so if you find a course you want to sign up for, you immediately know whether there is room in the course. Also, if you try to register for a course via web registration but you're denied the course (due to the section being closed or cancelled), you can conduct a section search to see if there are any available sections of that same course that fit your schedule. When you're denied a course, click on the word search next to the course and then click on the submit button. If there are any available sections of the course that fit your schedule, you'll be given the option to add the course (just click on the add button for the section you want) which will send the course to your Shopping Cart. You can access course search by going to the Student tab of MyCUInfo and then selecting the search for classes link. This will take you to the Student Center where you can click the link for "Search" under the academics section.

To search for courses in a particular session, log in to either MyCUInfo at mycuinfo.colorado.edu or Course Search at www.colorado.edu/academics/coursesearch and choose Boulder Main Campus. Select Additional Search Criteria, go to Session, and choose the session you would like to use as a filter. Once you hit Search a list of courses will appear. To make the search even narrower, choose a school/college.

If you do not have a CU login and IdentiKey password go to www.colorado.edu/academics/coursesearch to search for available courses.

DROP/ADD DEADLINES

(To drop one or more, but not **all** of your summer courses)

Session	Course Section Number	Deadline (11:59 pm) to drop/add, change pass/fail or no credit status, and receive a tuition adjustment for dropped courses and not have a W (withdrawn) on your transcript	Deadline (11:59 pm) for all students to drop without petitioning your dean — no tuition adjustment made (full tuition and fees are charged) for dropped courses and dropped courses appear on your transcript with a W grade
M	001–099 or 800–809	May 15*	May 18*
A	100–199 or 810–819	June 7*	June 15*
B	200–299 or 820–829	July 13*	July 23*
C	300–399 or 830–839	June 11*	June 25*
D	400–499 or 840–849 900–999 (independent study, thesis, and doctoral dissertation hours)	June 13* July 13*	June 29* July 23*
E & F	500–699 or 850–869: <ul style="list-style-type: none">• intensives lasting 3 days or less• intensives lasting 4 days to 2 weeks• intensives greater than 2 weeks	First day of class* Second day of class* Third day of class*	Second day of class* Third day of class* Fifth day of class*

***Note:** See Withdrawing if you are dropping **all** of your summer courses or your only course.

VERIFYING YOUR SCHEDULE

Once you have registered, you can verify your schedule and check your wait-list positions (if you are wait-listed for any courses) via MyCUInfo.

ADJUSTING YOUR SCHEDULE

You can adjust your schedule by dropping and adding courses through web registration. To drop or add a course, follow the procedures you used to register (see the Drop/Add Deadlines section below for time limitations).

If you want to change your credit hours or adjust *pass/fail* or *credit/no credit* status after you initially register for the course, you may do so at MyCUInfo before the appropriate deadline.

DROP/ADD DEADLINES

If you drop a course by the appropriate drop/add deadline listed above, your bill is adjusted and a W (withdrawn) grade will not appear on your transcript. **If you are dropping ALL of your summer courses, see the withdrawal information.**

The drop/add deadline (see the Drop/Add Deadlines chart above) is the last day you can:

- add a course
- drop a course and receive a tuition adjustment (see How to Withdraw if you are dropping all of your summer courses)
- drop a course without receiving a W on your transcript
- designate *pass/fail* status changes
- change *credit/no credit* status
- designate a different credit load
- make variable credit-hour changes

If you drop a course after the appropriate drop/add deadline listed, you are assessed full tuition and fees for the course and it appears on your transcript with a W grade.

To drop a course after the drop/add deadline but before the date a dean's signature is required, you must obtain your instructor's signature on a Special Action Form. Thereafter, you may not drop a course unless there are circumstances clearly beyond your control (e.g.; accident, illness). Contact your academic advising center for more information.

Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. **Check with departments for policies concerning administrative drops. Note: Nonattendance does not constitute withdrawal and you may still be charged for your classes unless you officially withdraw before the published deadline.**

HOW TO WITHDRAW

If you are dropping all of your courses, you will be withdrawn from summer session. Refer to the Summer Withdrawal Assessment Schedule for deadlines to withdraw without penalty and the financial penalties assessed for withdrawing after the deadlines.

If you have received a grade (excluding W grades) for any summer course, you cannot withdraw and should refer instead to the Drop/Add Deadlines chart for information on how to drop your remaining courses. For example, if you completed a Maymester course and are registered for a session B course, you cannot withdraw and must instead drop the session B course according to the Drop/Add Deadlines chart.

SUMMER WITHDRAWAL ASSESSMENT SCHEDULE

(If dropping *all* of your courses)

Session	There is no financial penalty if you drop <i>ALL</i> your courses by the date below. <i>NOTE:</i> This applies only to continuing degree and nondegree students. New and readmitted students are assessed \$100 in tuition and fees.	You are assessed \$100 in tuition and fees if you drop <i>ALL</i> courses or your <i>ONLY</i> course during the dates below. <i>EXCEPTION:</i> There is no financial penalty for dropping a course during the following dates if you remain registered for at least one Boulder main campus summer course, or if you are a nondegree student.	You are assessed full tuition and fees if you drop <i>ALL</i> courses (withdraw from summer session) during the dates below.
M	Through May 14 (11:59 pm)	May 15	May 16–31
A	Through June 4 (11:59 pm)	June 5–7	June 8–July 5
B	Through July 10 (11:59 pm) (also applies to independent study, thesis hours, doctoral dissertation hours, or math modules)	July 11–13	July 14–August 9
C	Through June 4 (11:59 pm)	June 5–11	June 12–July 26
D	Through June 4 (11:59 pm) Exception: Through July 10 (11:59 pm) for 900–999 independent study, thesis, and doctoral dissertation hours	June 5–13 July 11–13	June 14–August 9 July 14–August 9
E & F (2 weeks or less)	Prior to the first day of class	First day–second day of class	Third day–last day of class
E & F (greater than 2 weeks)	Prior to the first day of class	First day–third day of class	Fourth day–last day of class

***NOTE:** If you are dropping a summer course but still remain enrolled in another, refer to the drop/add deadlines and information on page 78. Also, refer to this information if you have a *W* grade in a summer course and wish to drop your remaining summer course(s).

To withdraw from summer session (dropping all of your summer courses) after the drop/add deadline, you may be required to obtain your dean's approval, depending on your college or school, or if you have previously received a grade (including a *W*) in any summer session.

If you do not withdraw, you receive failing grades in the courses for which you were registered and you must pay full tuition and fees. If you stop attending a course without officially dropping it, you will receive an *F* grade for that course. If you are dropping a summer course but remain enrolled in any other summer course(s), then you need to refer to the drop/add deadlines and information.

If you are a degree-seeking student, you can request to be withdrawn from the summer session by completing a withdrawal form at the Office of the Registrar, located in Regent 105, or by sending an e-mail from your CU e-mail account to withdraw@colorado.edu. For more information visit registrar.colorado.edu/students/withdraw.html or call 303-492-6970.

Nondegree students should contact Continuing Education at 303-492-5148 for withdrawal information.

FINAL EXAMINATIONS

Final examinations are given during the last class period in the session. Early examinations are not permitted.

Final Exam Schedule

Session M	June 1
Session A	July 6
Session B	August 10
Session C	July 27
Session D	August 10
Session E Intensives	Check each course
Session F Intensives	Check each course

GRADE INFORMATION

Grade reports are not mailed at the end of the semester. You can access your summer session 2012 grades by logging in to MyCUInfo after the following dates:

Session M	June 8
Sessions A and E	July 13
Session C	August 3
Sessions B, D, and F	August 17

TRANSCRIPTS

Current students may access their unofficial transcript at anytime using MyCUInfo at mycuinfo.colorado.edu. Official transcripts are also offered with either standard or fee-based rush service options. Visit www.colorado.edu/transcripts for more information.

Note: Transcripts can be withheld for both financial obligations to the university or disciplinary actions that are in progress.

CLASS RANK

Beginning in the summer of 2007, undergraduate students can download a form that indicates their class rank compared to those students graduating within the last year. Students in the College of Arts and Sciences, as well as the College of Engineering and Applied Science, will have a ranking within their major degree program. Students in the Leeds School of Business, the College of Music, the College of Architecture and Planning, and the Journalism and Mass Communication Program will have a ranking within their college. The letter is available on MyCUInfo at mycuinfo.colorado.edu.

FACULTY AND STAFF SUMMER REGISTRATION AND TUITION BENEFITS

If you are a permanent faculty or classified staff member, an instructor, a professional research assistant or research associate, or a professional exempt, you may take up to 9 free credit hours each year. The benefit year begins with summer semester. You are assessed mandatory fees and applicable course and program fees. These courses must be job related or career enhancing. The number of waived hours is prorated based on percentage of hours of employment. Enrollment is on a space-available basis beginning on the first day of classes. **If you register before the first day of classes for the summer session in which you plan to enroll, you are assessed full tuition and fees.** The deadline to register is the “last day to add” each session.

Tuition Benefits and Registration Procedures

All permanent faculty and classified staff who wish to use their tuition benefits must complete a tuition waiver form signed by their supervisor, verifying the course is job related or career enhancing. All students, except continuing students, must also turn in the appropriate application for admission to the Bursar’s Office. (Classes through Continuing Education are not eligible for the tuition waiver.) Submit forms to the Bursar’s Office by Friday, April 27, 2012. Applications and waivers received after this date cannot be guaranteed registration by the first day of classes. Registration information and forms are available at bursar.colorado.edu under Resources>Faculty/Staff Tuition Benefit. You may also call 303-492-5381 or e-mail bursar@colorado.edu.

REGISTRATION MISCELLANY

Colorado Benefits and Legal Presence

Colorado Revised Statute 24-76.5 (referred to as Legal Presence) requires anyone applying for state-funded benefits in which any payment or financial assistance is given must provide proof that they are legally present in the United States. Examples of these benefits at the University of Colorado include in-state tuition, the College Opportunity Fund, some types of institutional and state-sponsored financial aid, and any other benefit requiring an application, excluding any employment benefits. More information about this legislation can be found at www.state.co.us/gov_dir/leg_dir/olls/sl2006b/sl_13.htm.

New and readmitted students who have applied for College Opportunity Fund benefits (in-state undergraduates) or completed a Free Application for Federal Student Aid (FAFSA) will be waived, as both processes already determine legal presence within the United States. In addition, all nonresidents who do not receive any state benefit, such as reduced tuition benefits or scholarship/departmental aid, do not have to comply with this requirement. All other students will need to come in to one of the following offices to present an approved photo ID (as determined by the state of Colorado) and sign an affidavit stating that they are a citizen of the United States, a legal permanent resident, or are otherwise legally present in the United States pursuant to federal law:

Office of the Registrar, Regent 105
Office of Financial Aid, Regent 175

Nondegree students can complete the process at Continuing Education, 1505 University Avenue.

For more information regarding Legal Presence, visit registrar.colorado.edu/students/colorado_benefits.html. You are encouraged to read the FAQ section to determine appropriate compliance.

Updating Your Address

A correct address is vital for you during the summer because the university mails important documents. You are responsible for updating your address. The university is not responsible for outdated or invalid addresses.

Once summer classes begin, all mailings related to summer (except for bills—see page 83) will be sent to your mailing address. An accurate local mailing address is also important in case the university needs to reach you due to a family or personal emergency.

You can look up any of your addresses on MyCUInfo at mycuinfo.colorado.edu and, if needed, update your address. Or you can change your address at the Office of the Registrar in Regent 105, Continuing Education at 1505 University Avenue, or via e-mail at address@colorado.edu.

Part-Time/Full-Time Course Load Definitions (for Enrollment Verification)

Undergraduate

In the summer, a course load of 6 to 11 semester hours is considered half time and 12 or more is considered full time for financial aid purposes. Students must be enrolled at least half time to be eligible for federal loans and “in-school” loan deferments.

For enrollment verification for academic purposes (not related to financial aid), 6 hours is considered full time in the summer.

Graduate

For academic purposes, during the summer semester, master’s students are considered full time if they are enrolled for at least 3 semester hours of course work at the graduate level, 4 semester hours of combined undergraduate and graduate hours, 6 hours of course work at the undergraduate level, at least 1 master’s thesis hour, or 1 master’s candidate for degree hour. In order to be part time/half time, master’s students must be enrolled in 2 semester hours of graduate-level course work, 3 semester hours combined graduate and undergraduate hours, or 3–5 hours of undergraduate course work.

During the summer semester, doctoral students who have not passed the comprehensive examination are considered full time if they are enrolled for at least 3 semester hours of course work at the graduate level, 4 semester hours of combined undergraduate and graduate hours, 6 hours of course work at the undergraduate level, or at least 1 doctoral dissertation hour. In order to be part time/half time, doctoral students who have not passed the comprehensive examination must be enrolled in 2 semester hours of graduate-level course work, 3 semester hours combined graduate and undergraduate course work, or 3–5 hours of undergraduate course work. DMA students who have not passed their comprehensive examination can also be considered full time if they are taking 1 hour of course work numbered 8200-8399 or TMUS 8019. PhD students who have passed the comprehensive examination must register for at least 5 doctoral dissertation hours to be considered full-time students. In order to be part time/half time, doctoral students who have passed the comprehensive exam must be enrolled in 3 doctoral dissertation hours. DMA students who have passed the comprehensive examination must register for 1 hour of course work numbered 8200-8399 or TMUS 8029 to be considered full time.

Exception: Law students need 5 or more hours for full-time status.

For financial aid purposes: The Financial Aid Office has different full-time and part-time standards than the academic standards described above. Generally speaking, a student must be part time by financial aid’s standards, to receive federal loans and deferments. Visit www.colorado.edu/finaid/grad.html for more information.

For further information and guidelines regarding other course load regulations, check the specific college and school sections of the *University of Colorado Boulder Catalog*. Your college may have different guidelines than those used for enrollment verification purposes above.

If you receive veterans’ benefits or are living in university housing, check with the appropriate office regarding course load requirements.

Viewing Your Records Online

You can go to mycuinfo.colorado.edu to:

- view your class schedule and corresponding final exam schedule
- view your grades
- experiment with the GPA calculator
- view your degree program information (primary and secondary college, major, and class standing)
- find books required for your classes
- view and/or pay your current semester bill
- authorize others to view and pay your tuition billing statement
- review your financial aid records, apply for summer aid, and access the scholarship application
- view your unofficial transcript
- view your degree progress report (for certain colleges)
- manage your current addresses
- set your campus alert preferences
- access your online course information
- request semi-privacy status
- register for classes
- register your clicker
- select your student health plan
- explore and apply for Study Abroad
- submit a variety of forms to the Registrar (late drop request, selective service forms, etc.)

Federal privacy laws and university policies guarantee your right to access your own data and protect this data from unauthorized access by others. Unauthorized access can result in student conduct disciplinary actions and/or civil and criminal proceedings. The university provides reasonable physical and electronic security for this data, but you too must safeguard the security of your information by protecting your IdentikKey. If you feel that your IdentikKey password is not secure, you may change it any time at cuidm.colorado.edu.

Time Off Program (TOP)

The Time Off Program (TOP) allows Graduate, Law, and MBA students in good academic and ethical standing to take up to four semesters off (including summer) and return to the university without reapplying for admission. TOP students register for their return semester with the same registration priority as continuing students. A non-refundable \$50 application fee is charged for the program.

For more information or to obtain an application visit **registrar.colorado.edu/students/timeoffprogram.html**, stop by the Office of the Registrar in Regent 105, e-mail **timeoff@colorado.edu**, or call **303-492-6970**.

StayConnected

The StayConnected program is an optional program that allows degree-seeking undergraduate students to access certain benefits during the 3-4 semesters they are not registered for courses through either Boulder main campus or Continuing Education. The program is optional and is NOT required to return to main campus or to preserve a student's registration priority. A non-refundable \$50 application fee is charged for the program.

For more information or to obtain an application visit **registrar.colorado.edu/students/stayconnected.html**, visit the Office of the Registrar in Regent 105, e-mail **stayconnected@colorado.edu**, or call **303-492-6970**.

Registering for Fall

If you are a new freshman or transfer student in the College of Arts and Sciences, the College of Engineering and Applied Science, the Leeds School of Business, or the Journalism and Mass Communication Program, you must attend a mandatory summer orientation program in order to register for your fall courses. You must also have registered for at least one summer class. Begin the orientation reservation process at **orientation.colorado.edu**. The website will be available beginning in mid-March. Call the Office of Orientation at **303-492-4431** for more information.

If you are a readmitted degree student this summer and are eligible to register for fall semester 2012, fall registration materials will be sent to you via e-mail starting in early April. You will receive registration instructions, when you may register, a helpful checklist of things to consider prior to your arrival on campus, and links to the various offices that you may need to access. For additional information, contact the Office of the Registrar, Regent 105, between 9 am and 4:30 pm, or call **303-492-6970**.

Note: Fall registration for readmitted degree students enrolled in summer does not begin until May 7.

If you are a nondegree student this summer and are interested in registering as a nondegree student in the fall, call Continuing Education at **303-492-5148** for more information.

Contacting the Registrar

If you have a question about your academic record or registration or would like to share your comments with us about any of our programs or processes, you may contact the Office of the Registrar by one of the following methods:

LiveChat: available at registrar.colorado.edu

E-mail: registrar@colorado.edu

Phone: 303-492-6970

Mail:

Office of the Registrar
University of Colorado Boulder
20 UCB
Boulder, CO 80309-0020

Walk-in:

9 am to 4:30 pm
Office of the Registrar
Regent Administrative Center
Room 105

REGISTRATION PLANNING FORM

Complete this form for summer 2012 before registering for courses via the Web. You need the five-digit class number(s) for each course(s) you want to take.

5-digit Class Number	Department Abbreviation	4-digit Course ID	Lecture Sec. No.	Recitation Sec. No.	Lab Sec. No.	Credit Hours	Enrolled or Wait-listed?
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____	_____	_____

Student's Name _____

Advisor's Signature (if required) _____

Paying

Any student who completes registration agrees to pay the University of Colorado Boulder according to the payment terms documented in this section and at bursar.colorado.edu. The student is responsible for payment by the published due date, regardless of payment source (e.g., parent, third party, scholarship, etc.). Late payment results in late and service charges being applied to the student's account.

CONFIRMATION DEPOSIT

New Degree Students

If you are a new degree student, you must pay a \$200 confirmation deposit at least 24 hours before you register for classes.

Continuing Degree Students

Your confirmation deposit is held until you graduate or officially withdraw (including StayConnected and Time Off) from CU-Boulder, within established dates and guidelines (see page 79 for the summer withdrawal chart and refer to registrar.colorado.edu for the fall semester withdrawal chart). At that time, your deposit is credited toward any outstanding debts you owe the university. In approximately four weeks, any available refund is directly deposited into your bank account or mailed to you at your permanent address. To ensure you receive your refund, set up direct deposit or update your permanent address each time you move and before you graduate or withdraw.

Interest earned from confirmation deposits is used for student financial aid.

TUITION AND FEE INFORMATION

Tuition and fee rates are listed on pages 87-88 and at bursar.colorado.edu. Expenses vary depending on your program of study, your residency classification, and the number of credit hours in which you are enrolled. Students in a double-degree program are assessed tuition for the college or school with the higher tuition rate. For a sample budget of estimated expenses see page 86. You can also use the online bill estimator at bursar.colorado.edu to estimate tuition and fee costs.

Bills

Tuition and fee bills are only online. Bill availability dates and due dates are listed on the right and on the Bursar's Office website at bursar.colorado.edu. When bills are issued, students receive an e-mail notification at their Colorado.edu e-mail address. They can click the link in the e-mail to view the bill and pay online with e-check. We do not accept credit or debit cards. Students can sign up their parents or others to view and pay the bill. For instructions on how to authorize payers, see Authorized Payers in the next column.

If you do not receive an e-mail notification or do not check your Colorado.edu e-mail, you are still responsible for paying your bill on time. Find out more about CUBill&Pay at bursar.colorado.edu.

Authorized Payers

Students can designate up to five people as authorized payers. Authorized payers can view, print, and pay the bill online and they also receive e-mail notifications when bills are available online. Students are responsible for making sure their bill is paid regardless of who is authorized as a payer. Authorized payers access CUBill&Pay via the Bursar's Office website or by clicking on the link in the e-mail that is sent to them.

Payments

All payments are expected to be made on time on the due date (see below). Online payments can be made on the due date up until midnight Mountain Daylight Time, while other payments must be received in the Bursar's Office by close of business. Postmarks are not honored. All late payments are subject to a late charge (up to \$50) and service charges of 1 percent per month on the unpaid balance. See Failure to Make a Payment section on page 84 for more details. All checks containing restrictive endorsements are null and void and nonbinding on the university.

You can pay online, in person, by mail, or wire transfer. We accept cash, checks, and e-checks (Internet payments from conventional checking or savings accounts).

We do not accept credit or debit cards.

For details on payment methods, go to bursar.colorado.edu.

Tuition and Fee Payment Deadlines

Due dates correspond to your registration date, not the first day of classes. These dates are tentative and subject to change. See bursar.colorado.edu for the most up-to-date information.

If you register by or between	Your bill is available online	Your tuition and fees are due*
April 27 for session M (Maymester)	May 1 (Maymester tuition only)	May 23
May 25 for any session or after April 27 for session M	May 29	June 20
May 26–June 1	June 5	June 20
June 2–8	June 12	June 20
June 9–22	June 26	July 18
Or if you have new charges		
June 23–July 6	July 10	July 18
July 7–16	July 18	August 1

* The payment deadline is 4:30 pm Mountain Daylight Time if paid in person, placed in a drop box, or mailed; or before midnight if paid online with e-check.

If you do not receive the e-mail notification about your bill, you are still responsible for finding out how much you owe and paying on time.

Note: The two-payment plan is not available during the summer.

Returned Payment Policy

If your payment is returned from the bank for any reason, regardless of the amount, it is considered nonpayment and nonpayment penalties will be applied. You are subject to late and service charges and a service indicator (financial hold) will be placed on your account. You may also be dropped from your classes. A \$20 returned payment charge is assessed, in addition to the amount due to the university. You also may be responsible for cost of collection as allowed by the Uniform Consumer Credit Code, including reasonable attorneys' fees, charges, and collection costs necessary for the collection of the unpaid amount when due. Specific inquiries concerning returned payments should be directed to the Student Debt Management department in the Bursar's Office at **303-492-5571** or toll free at **800-925-9844**.

FAILURE TO MAKE A PAYMENT

If you do not pay your bill, miss payment deadlines, or write bad checks to the university, you are subject to late fees, finance charges, and financial holds. In addition, if you are registered for a future term, you are at risk of being dropped from those future classes.

Financial holds prevent you from adding classes, registering for any future terms, receiving a diploma, or receiving an academic transcript of work at the university.

A late payment charge per semester in addition to a service charge of 1 percent per month on the unpaid balance is assessed according to the following schedule:

Balance Due	Late Charge
\$99.99 or less	\$5
\$100–\$299.99	\$10
\$300–\$499.99	\$20
\$500–\$699.99	\$30
\$700–\$899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management (SDM) department for collection after the end of the semester. Past due service charges of 1 percent continue to accrue monthly as long as the debt is unpaid, and additional collection charges and reasonable attorneys' fees may be assessed.

To dispute a tuition and mandatory fee debt, you must make a formal appeal to the Bursar's Office by the last day of finals. Disputes will only be considered under extenuating circumstances, such as natural disaster (fire, flood), death in the family, medical, or unexpected financial crisis. Official documentation must be provided to substantiate the circumstances. For more information, go to **bursar.colorado.edu**, call **303-492-5381**, or e-mail **bursar@colorado.edu**.

Colorado law requires the university to place all delinquent accounts with a third-party collection agency. The SDM department places delinquent accounts after one year, unless payments are being made or there exists a satisfactory repayment agreement with SDM in the Bursar's Office. The collection agency reports all past due accounts to national credit bureaus. Financial holds remain on your student account until the balance is paid in full. Establishing a repayment agreement does not result in removal of holds. If your account is referred to a private collection agency, you must pay any collection costs, charges, and reasonable attorneys' fees as allowed by the Uniform Consumer Credit Code.

REFUNDS

Refunds can result from dropping classes, getting financial aid, or other adjustments to your account. Refunds are directly deposited into your bank account within 2–3 business days (processing times vary depending on the bank). Always check with your bank to confirm the deposit before spending your refund. Students provide their bank account information when signing up for mandatory direct deposit. For more information, go to **bursar.colorado.edu**.

Note: You may be billed after receiving a refund if you add classes, enroll in a wait-listed class, or receive a financial aid adjustment.

If you are expecting a financial aid refund at the beginning of the semester, a refund will be deposited into your bank account approximately three days prior to the first day of classes, provided you have signed up for direct deposit. Summer financial aid refund dates are as follows. These dates are tentative and subject to change.

Session	Credit Balance On	Refund in bank (on or around)
Maymester (session M) plus other sessions	May 15	May 18
A, C, D	May 29	June 1
B only	July 3	July 9

Withdrawal Refunds

If you qualify for a refund after withdrawing from CU-Boulder (including if you participate in StayConnected or Time Off), it is directly deposited into your bank account or mailed to you approximately four weeks after you withdraw. Set up direct deposit online before you leave or update your permanent address to be sure you receive your refund.

SCHEDULE ADJUSTMENT

You are charged for all added credit hours. You are not charged for wait-listed classes. Be aware of the deadlines for dropping and adding to avoid being charged for classes you wish to drop. See the Drop/Add Deadlines chart on page 78 for details.

Note: If you are dropping all your courses, refer to the following withdrawal information.

WITHDRAWALS

Financial penalties may be assessed for withdrawing from all of your summer courses. **Nonattendance does not constitute withdrawal** and you may still be charged for your classes unless you officially withdraw before the published deadlines. See the Summer Withdrawal Assessment Schedule on page 79 for details.

NONDEGREE STUDENTS

If you are a nondegree student with a prior baccalaureate degree, you are assessed tuition at the graduate student rate unless you enroll in undergraduate courses, in which case you are assessed tuition at the undergraduate rate. Nondegree students without a baccalaureate degree are assessed tuition at the undergraduate rate. If you have questions about your status please call **303-492-5148**. Nondegree students are assessed mandatory student fees per the campus fee schedule.

Nondegree students may be able to waive all student fees except for course fees and the computing fee. Call **303-492-2212** for more information or complete the fee waiver form at the Continuing Education Center. For instructions on making online payments please see conted.colorado.edu/student-resources/accounting. If you have questions about your bill or payment options, contact the Continuing Education Bursar/Accounting department by e-mail at cebursar@colorado.edu or at **303-492-2212**.

COLLEGE OPPORTUNITY FUND

An act of the Colorado State Legislature in May 2004 established a new way for the state of Colorado to provide state tax dollar support for higher education at the undergraduate level. The state is no longer appropriating monies to institutions for undergraduate education, but providing direct funding to undergraduate students through the College Opportunity Fund (COF).

This program is also known as vouchers or stipends. An undergraduate in-state student needs to complete two steps in order to receive the stipend: (1) apply at cof.college-assist.org (once) and (2) authorize use of the stipend on mycuinfo.colorado.edu. If both of these steps are taken, the \$62 per credit hour COF stipend will be applied to the student's university bill.

Visit www.cu.edu/ums/cof/faq.html for more information. Also see registrar.colorado.edu/students/registration/registration_packet/cof.html for information about applying and authorizing.

MANDATORY STUDENT FEES

In addition to tuition, students must pay fees each semester. For a detailed description and a list of these fees, go to bursar.colorado.edu.

Mandatory student fees include:

- **University of Colorado Student Government (CUSG) Student Activity Fees**
- **Mandatory Student Activity (Fee Advisory Board-managed) and Technology Fees**
- **New Student Fee**—for all first-time degree students
- **Course and Program Fees**

Note: Graduate students who are B, D, or E status are charged base fees and do not have access to the Recreation Center.

Summer 2012 Undergraduate Mandatory Fees

Student activity fee: (based on total number of weeks in attendance)

Maymester Session M	\$ 0.00
Five week Session A or B or Independent Study	\$109.14
Eight week Session C	\$174.62
Ten week Session D or A and B	\$218.27

Student information system fee: (SIS) \$ 7.00

Student computing fee:

Six credit hours or fewer	\$33.62
Seven credit hours or more	\$67.24

Arts and cultural enrichment fee: \$10.00

Student bus and bike programs: \$78.00

Capital construction fee:

Six credit hours or fewer	\$100.00
Seven credit hours or more	\$200.00

SEVIS fee: (for international students) \$22.00

New undergraduate or undergraduate transfer \$182.00

New international undergraduate or transfer \$225.00

In addition to student fees, some departments may charge course or program fees. For a list of these fees, see bursar.colorado.edu. These rates are for Boulder main campus. See tuition rates for ACCESS and Continuing Education programs at conted.colorado.edu/student-resources/accounting/tuition.

ESTIMATED EXPENSES

Expenses for Summer Session at CU-Boulder vary, depending on your residency, where you live, and your personal needs and interests. The table shows estimated expenses for an undergraduate student taking 6 credit hours in the College of Arts and Sciences during the summer 2012 10-week summer session.

Please note: If you are an undergraduate Colorado resident, this tuition figure assumes that you are eligible for, have applied for, and have authorized the use of the College Opportunity Fund (COF).

For payment options, go to bursar.colorado.edu.

Summer 2012 Undergraduate Estimated Expenses

	In-State ¹	Out-of-State ¹
University Educational Expenses (2012 actuals)		
Tuition ²	\$2,046.00	\$6,258.00
Fees ³	447.00	447.00
Subtotal	\$2,493.00	\$6,705.00
Estimated Additional Expenses (2011 actuals)		
Room and Board Off Campus	\$1,884.00	\$1,884.00
Books and Supplies	438.00	438.00
Transportation	288.00	506.00
Medical ⁴	474.00	474.00
Personal Expenses	282.00	282.00
Subtotal	\$3,366.00	\$3,584.00
Total	\$5,859.00	\$10,289.00

¹ Classification of students as in-state or out-of-state for tuition purposes is governed by state law. Detailed information is available in the Office of the Registrar.

² Tuition figures are based on 6 credit hours of course work in the College of Arts and Sciences. In-state rates assume application of the \$62 per credit hour College Opportunity Fund stipend (cof.college-assist.org). Out-of-state student rate varies depending on the year of entry to CU (www.colorado.edu/pba/budget/tuitionfees/guarantee.html). See the tuition chart on page 87 for tuition rates for other colleges and schools.

³ A nonrefundable new student fee for new degree students is assessed at the time of initial registration only and is not included in this sample budget.

⁴ Out-of-pocket estimate for 10 weeks. Continuing students who have student health insurance for spring semester 2012 are automatically covered for summer session. A separate summer session health insurance plan is available to students not already covered.

The Board of Regents reserves the right to change tuition and fee rates at any time. Tuition charged is based on residency, degree, and number of credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder main campus only.

*Four year tuition guarantee (also known as flat tuition) guarantees the same tuition rates for four calendar years. More info at <http://www.colorado.edu/pba/budget/tuitionfees/guarantee.html>.

Group A/B/C/D = first enrolled spring 2009 or earlier

Group F = first enrolled summer 2010, fall 2010, or spring 2011

Group E = first enrolled summer 2009, fall 2009, or spring 2010

Group G = first enrolled summer 2011, fall 2011, or spring 2012

Students first enrolled in summer 2012 pay Group G rates in summer 2012 and then move to Group H rates (published in July) starting in fall 2012.

The Board of Regents reserves the right to change tuition and fee rates at any time. Tuition charged is based on residency, degree, and number of credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder main campus only.

Mandatory Fees According to Graduate Status*

Summer Session	Standard Graduate Status A & C, MBA, and Law Students	Graduate Status B Master's, D & E, and Doctoral Candidates
Maymester Session M, Session E or F	\$0.00	\$0.00
Five week Session A or B or Independent Study	\$109.14	\$18.45
Eight week Session C	\$174.62	\$29.52
Ten week Session D or A and B	\$218.27	\$36.90

*In addition to student fees, some departments may charge course and program fees. For a list of these fees visit bursar.colorado.edu.

Financial Aid

APPLYING FOR SUMMER FINANCIAL AID

Visit www.colorado.edu/finaid/summerschool.html for details on how to apply for summer financial aid. Also, read the Frequently Asked Questions at www.colorado.edu/finaid/summerfaq.html.

CONTINUING EDUCATION COURSES AND FINANCIAL AID

There could be some financial aid limitations based on the type of course you enroll for through Continuing Education. For details visit www.colorado.edu/finaid/continuinged.html.

NONDEGREE STUDENTS

Limited financial aid may be available. To learn more about the application visit www.colorado.edu/finaid/nondegree.html or schedule an appointment at conted.colorado.edu/student-resources.

FINANCIAL AID REFUNDS

Financial aid, with the exception of work-study, will be applied directly to the student's university bill, and any funds exceeding the bill will be refunded to the student's bank account by direct deposit approximately three days before classes begin.

FINANCIAL AID POLICIES

Students receiving financial aid are expected to be familiar with a variety of policies such as the Adjustments to Financial Aid Policy, Satisfactory Academic Progress Policy, Students Rights and Responsibilities, and more. Visit www.colorado.edu/finaid/finaidpolicies.html to review these policies.

STUDENT EMPLOYMENT

The Student Employment website has information about finding a job, employment procedures, pay ranges, and off-campus employment opportunities. Visit www.colorado.edu/studentemployment for more information.

TYPES OF AID AVAILABLE FOR UNDERGRADUATE STUDENTS

There is a variety of aid available, such as grants, loans, scholarships, and work-study. Visit www.colorado.edu/finaid/typesofaid.html to learn more.

TYPES OF AID AVAILABLE FOR GRADUATE STUDENTS

Most federal, state, and institutional grants are limited to undergraduate students, but graduate students can borrow federal loans. There are other opportunities on campus such as scholarships and assistantships. Visit www.colorado.edu/finaid/grad.html to learn more.

CONTACT THE OFFICE OF FINANCIAL AID

For more information, visit www.colorado.edu/finaid, call 303-492-5091, or e-mail finaid@colorado.edu.

Housing

Summer housing choices range from university facilities for single and married students to off-campus rentals in all areas of Boulder. These choices are available through the offices designated below.

LIVING ON CAMPUS IN THE RESIDENCE HALLS

Only single persons enrolled on the Boulder campus or in the Division of Continuing Education for three (3) or more credits may reside in the residence halls during summer school. (All university guests/visitors, conference participants, faculty/staff, research and internship students, should contact Conference Services at confreg@colorado.edu or phone **303-492-5151**.) If you are summer school student applying for residence halls accommodations, please complete and return the Residence Halls Application – Summer 2012. Your complete application should be mailed to:

Occupancy Management
Center for Community, Room S300
University of Colorado Boulder
159 UCB
Boulder, CO 80309-0159

Include an advance payment of \$200 to complete your summer housing application (advance payment amount subject to change). All residence hall facilities are reserved on a first-come, first-served basis, without regard to race, religion, national origin, etc.

Most rooms are rented on a room and board basis. (Session M accommodations are for room only in double occupancy units.) Nineteen meals (three meals per day, Monday through Friday, and brunch and dinner on Saturday and Sunday) are served each week. Three meal plan packages are offered to accommodate differences in student schedules: the full meal plan (19 meals per week, up to four meals per day, Monday through Friday, and brunch and dinner on Saturday and Sunday); the “any 15 meals per week” plan; or the “any 10 meals per week” plan. Participation in the full meal plan or 15 meals per week plan is mandatory for all new freshman residents. There are a limited number of room-only accommodations for non-freshman students. (Meal plans are subject to change.)

All university residence halls are designated nonsmoking environments. This includes all residence hall public areas such as lobbies, hallways, lounges, bathrooms, and dining facilities, as well as student rooms or living space. (Smoking areas are identified outside of the building. Residents and their guests must dispose of smoking materials, after use, in the receptacles provided.)

Application for residence hall accommodations (and advance housing payments) and university admissions confirmation procedures (and deposits) are separate transactions, one of which does not guarantee the other. For information regarding admission to the university or confirmation procedures, call the Office of Admissions at **303-492-6301**.

The summer housing rates for 2011 are listed on page 93. (Rates are subject to change for 2012.) You must pay your room and board for the entire period reserved at the time you check in.

You may move in after 10 am on Sunday, June 3, 2012, for Sessions A, C, and D, and on Monday, July 9, 2012, for Session B. (Move-in dates are subject to change.) Unless you give advance notice, you must occupy your room no later than the first day of classes for the session in which you are enrolled, or your room may be released to another student.

You must move out of your room before 10 am on the day after the session ends. If changes in the university academic calendar require changes in residence hall occupancy and meal service dates, notice is sent with hall assignments.

If you are taking a short-session course (less than five weeks), you may arrange to live in a residence hall on a space-available basis. The minimum length of stay for which you can apply is two weeks. For further information, e-mail reservations@colorado.edu or write to Occupancy Management (address in previous column).

SESSION M (MAYMESTER)

If you are enrolled for Session M (Maymester), you are assigned to a double-occupancy room in the hall designated for Maymester. Accommodations for Session M are for room only. No meals are served. The \$200 advance payment is not required for applicants who apply for Maymester only. You must pay your room charges for the entire period reserved prior to check in; payment instructions will be sent to you via e-mail in late April. You may move in after 1 pm on Friday, May 11, 2012, and move out of your room before 10 am on Saturday, June 2, 2012. (Dates, times, payment policy, and location of assignment are subject to change.)

FRESHMAN DEGREE STUDENTS

If you are a freshman degree student during summer session or a freshman attending your first two academic semesters (fall and spring), you are required, subject to the availability of space, to live in a residence hall. Exceptions include students who are married or live with parents in the Boulder area and have permission to commute.

You may request permission to live off campus for other reasons. Your request is considered on its merit, taking into account your individual circumstances. For information regarding freshman permission to reside off campus, contact:

Occupancy Management
Center for Community, Room S300
University of Colorado Boulder
159 UCB
Boulder, CO 80309-0159

If you are a freshman admitted for summer session 2012 and intend to continue on the Boulder campus in the fall, we encourage you to submit both your summer and fall housing applications at the same time and as early as possible.

RESIDENCE HALLS APPLICATION—SUMMER 2012

Return this entire application and your \$200 advance payment to:

Occupancy Management, Center for Community, Room S300, University of Colorado Boulder, 159 UCB, Boulder, CO 80309-0159.

SUMMER 2012 HOUSING & DINING SERVICES CONTRACT

GENERAL. This contract and application for room and board, accompanied by a \$200 advance payment per individual, is required to reserve your accommodations. (Maymester-only applicants are not required to submit advance payments.) Send the application and advance payment to Occupancy Management, Center for Community, Room S300, University of Colorado Boulder, 159 UCB, Boulder, CO 80309-0159. All checks and money orders should be made payable to the University of Colorado Residence Halls. This application is for summer accommodations only. Students contracting for housing prior to the first day of classes each term are charged the full term rate regardless of the date they check into their accommodations. Students contracting for housing on or after the first day of classes are charged on a pro rata basis.

All residence halls are designated nonsmoking environments. This includes all residence hall public areas such as lobbies, hallways, lounges, bathrooms, and dining facilities, as well as all student rooms or living space.

Construction activities may be ongoing in areas adjacent to summer residence halls. There may be limited interruption of services to summer hall residents, as well as noise impacts at various times, resulting from these construction activities.

MEALS. Nineteen meals (up to four meals per day, Monday through Friday, and brunch and dinner Saturday through Sunday) will be served each week in the designated dining facility. Room-only packages (non-freshman students only) are available in limited numbers. Maymester (Session M) accommodations are for room only in double-occupancy units. (Meal plans are subject to change.)

ELIGIBILITY. Should the Student Felony Admit Review Committee (SFARC) admit a registered sex offender to the university, SFARC and the Dean of Students will then determine whether the student will be allowed to reside on campus. If the registered sex offender is then permitted to reside on campus, he/she will comply with registration requirements mandated by law, as well as register with the University of Colorado Boulder Police Department. If a student is convicted of a sex offense after he/she has been admitted to the university, the student must also comply with registration requirements, including registering with the University of Colorado Boulder Police Department. Furthermore, the student must notify the Housing & Dining Services director of Residence Life of such conviction for a sex offense for purposes of determining whether the student may be permitted to remain in university housing.

NOTE. University regulations require that all freshmen live in the residence halls for the summer term as well as the following academic year, provided that space is available. Exceptions include married students or those who live with parents or relatives in the Boulder area and have permission to commute.

The university reserves the right to change the terms of this contract at any time. Written notice will be provided to the student within 30 days of such changes.

CONFIDENTIAL CONTACT INFORMATION. As required by federal law, every resident is given the option of providing confidential contact information which will be used in the event the resident is reported missing. The confidential contact is not required to be a parent or guardian if the student is 18 years of age or older. Parents or guardians will be called if the resident is under the age of 18. During the housing application process, all students are asked to identify that confidential contact. If the applicant does not wish to provide a confidential contact, he/she may decline to do so.

CANCELLATIONS. If a cancellation is received in Occupancy Management prior to two weeks *before* the beginning of the session or period for which the reservation is made, half the advance payment will be refunded. If a cancellation is received two weeks prior to the beginning of the session or *after* that date, the entire advance payment will be forfeited.

UNIVERSITY LIABILITY. The university assumes no responsibility for the theft, destruction, or loss of money, valuables, or other personal property belonging to or in the custody of the student regardless of cause including damage caused by pest issues. This includes losses that occur in the student's room, storage room, public area, elsewhere in the hall, or in baggage handling related to shipment or storage. **Students are encouraged to carry their own personal property insurance.**

The university does not guarantee assignments to a particular building or unit, type of accommodation, or a specific roommate. The university reserves the right to make alternative assignment decisions or reassign students for such reasons as the university determines appropriate. These reasons include, without limitations: construction, renovation, and/or maintenance activities; roommate conflicts; health, safety, and/or security concerns; pending disciplinary action; and noncompliance with university regulations. Room reassignment, and utility or facility disruptions, planned renovations and/or construction projects, or class conflicts with meal serving periods shall not result in reimbursement or reduction of room and board rates.

PEST CONTROL. Pests can pose significant problems to people, property, and the environment. All universities are located in areas where pests can be present. Furthermore, many retail products on the market may not be effective against some pests such as bedbugs. Housing & Dining Services is committed to an effective and efficient response to students that report pests such as cockroaches, bedbugs, mice, or any other insect or vermin in rooms, units, or other parts of the communities. Regular pest control measures include inspections, structural and housekeeping controls, and material treatments as needed. Housing & Dining Services reserves the right to enter and treat any living space as required for pest control/management. To report a pest sighting please contact Housing Facilities Services at 303-735-5555 as soon as possible. Students will not be refunded housing charges when pest control is being done in their rooms. In some cases, students may be moved temporarily or permanently to other housing as necessary.

MEDICAL MARIJUANA. Medical marijuana is not permitted in the residence halls. Students possessing a valid Colorado Medical Marijuana Identification Card and possessing and/or using medical marijuana will not be permitted to reside in the residence halls. Students will be required to notify the executive director or designee of Housing & Dining Services if they obtain such a card and will be using and/or possessing medical marijuana, and will be released from their Housing & Dining Services Residence Hall Contract without financial penalty.

WITHDRAWALS AND REFUNDS. If a resident withdraws from the university at the end of a term that is shorter than the term indicated on the front of this application, no termination penalties will be charged, provided two-weeks notice is given.

Residents who check out (personally sign out) of the residence halls at any other time and for any other reason will be charged for the period of occupancy plus a \$200 termination penalty. There will be no refund for checkout during the last 10 days of the session. The period of occupancy is terminated only by formal checkout (personally signing out) at the building office.

Freshmen may not move out of the residence halls during the session unless they withdraw from the university or are released by the manager of Occupancy Management or designee, S300 Center for Community.

TERMINATION BY THE UNIVERSITY. The executive director of Housing & Dining Services or designee may immediately terminate or suspend this contract should it be considered that the student and/or situation poses a potential danger to individuals and/or community. The university reserves the right to terminate this contract for: failure to make payment of charges as required by this contract, suspension or expulsion from the university, and/or disciplinary action. The university also reserves the right to terminate or suspend this contract for failure to comply with policies and rules contained in the following materials, which are made part of this contract: University of Colorado Boulder Housing & Dining Services application, university housing brochures and online documents, and *University of Colorado Student's Rights and Responsibilities Regarding Standards of Conduct* (see www.colorado.edu/studentaffairs/studentconduct/code.html). If this contract is terminated by the university, the charge will be for the period of occupancy plus a \$200 termination penalty.

Students will be held responsible for charges incurred between check-in and personally signing out of the residence halls, plus termination penalties as provided for in the Housing & Dining Services Contract. Students will abide by the Student Code of Conduct.

RESIDENCE HALLS

Summer residence halls offer a variety of attractive and comfortable accommodations, including double and single rooms and a dining center within the building or nearby. Residence halls that will be used during summer session 2012 were not designated when this catalog went to press (January 2012). Freshmen usually share a designated residence hall. Other areas are set aside for non-freshman students. (This assignment schedule is subject to change.) A limited number of single rooms may be available upon request; however, single rooms cannot be guaranteed.

Applicants will be notified by e-mail of their residence hall assignment and move-in dates before the beginning of the session(s) they plan to attend.

Single	3,587.37	3,556.43	3,464.22

Reed Efficiency Apartments

(Non-freshmen; rates reflect no meal plan)

	1-student unit	2-student unit
Session A	\$1,189.58	\$934.79
Session B	\$1,189.58	\$934.79
Session D	\$2,414.14	\$1,897.07

* Summer 2011 room and board rates shown are for planning purposes only. Rates for summer 2012 are subject to change. Participation in the 19 or 15 meals-per-week plan is mandatory for all new freshman residents.

** Standard, double-occupancy accommodations with no meals. (Type of accommodation subject to change.)

FAMILY HOUSING

The university owns and operates a variety of apartments for students, staff, and faculty who are single, married, same gender couples, or single-parent families. Residents come from all over the world to form a unique and diverse community on campus. For further information, visit housing.colorado.edu/residences/graduate-family, e-mail familyhousing@housing.colorado.edu, call **303-492-6384**, or write to:

Graduate & Family Housing Office
1350 20th Street
Boulder, CO 80302

OFF-CAMPUS HOUSING

Off-Campus Housing & Neighborhood Relations (a service of CUSG) maintains listings of apartments, houses, and rooms for rent in the Boulder area. Currently enrolled students may view listings at offcampushousing.colorado.edu. Students searching for apartments may also stop by the office and pick up a detailed list of complexes and management companies in the Boulder area.

The department has a staff attorney available on Tuesdays and Fridays to advise students about leases and security deposits, as well as ways to avoid landlord/tenant problems. Office assistants can help students locate properties, answer questions about the surrounding neighborhoods, and suggest effective techniques for living with roommates. During the spring semester the office sponsors two off-campus housing fairs where landlords, property managers, and related businesses offer their services to students in a trade-show fashion.

For additional information about our services call **303-492-7053** or visit ocss.colorado.edu. Off-Campus Housing & Neighborhood Relations is located in the University Memorial Center, Room 313. We are available Monday–Friday 8 am–5 pm during the school year and 7:30 am–4:30 pm during the summer.

Note: Freshman students must receive written permission from the university housing department before obtaining off-campus accommodations for the fall and spring semesters of their first year, as well as the summer session preceding their fall start date.

General Information

CONTACTING THE UNIVERSITY

The majority of departments in the university have websites that you can find at www.colorado.edu and select A to Z. If you need telephone numbers, call CU information at **303-492-1411**.

E-MAIL POLICY

E-mail is an official means of communication with students from CU-Boulder administrators and faculty. All students are issued a no-cost CU-Boulder e-mail account and are expected to check their messages on a frequent and consistent basis in order to stay current with university-related communications.

In addition, Summer Session students are required to follow all University of Colorado policies including the Colorado Creed and the Copyright and File Sharing. A complete list can be found in the *University of Colorado Boulder Catalog*.

PHOTO ID CARD (BUFF ONECARD)

The Buff OneCard is your official student ID, to be used as long as you are a student at CU-Boulder. The card is official verification that you are eligible for student privileges. It allows you access to Campus Dining and Printing, the Student Recreation Center, the libraries, Wardenburg Health Center, the UMC Grill, athletic tickets and events, and RTD local and regional buses.

Your first Buff OneCard is paid for when you pay the new student matriculation fee. Replacement cards cost \$25 each. If you are a registered nondegree student, you may purchase a Buff OneCard for \$25.

The Campus Card Office is located in the Center for Community, Room N180, just east of Regent Hall, and is open from 8 am to 4:30 pm, Monday through Friday.

To report a lost or stolen card 24 hours a day, call **303-492-1212** **immediately** to avoid unauthorized use of your card. Never give or lend your Buff OneCard to anyone else.

More information about the Buff OneCard and its features is available at www.BuffOneCard.com, or by calling **303-492-0355**.

VETERANS' SERVICES

The Veterans' Services Office serves the needs of student veterans on campus as well as military service members attending CU. The office provides "one-stop shopping" for counseling and program information and supplements other campus units by placing special emphasis on the recruitment and retention of veterans at CU-Boulder. The office is located on the fourth floor of the Center for Community in room 482. For more information visit registrar.colorado.edu/vs or call **303-735-3028**.

RESIDENCY CLASSIFICATION

For tuition purposes, new students are classified as either resident (in-state) or nonresident (out-of-state) on the basis of information provided on their application for admission and other relevant information. If your parents do not live in Colorado, and if you will not be 23 years of age by the first day of class for the session for which you are applying, you must submit a petition for in-state classification (see address below).

Petitioning for In-State Classification

Current or former CU-Boulder students who believe they are eligible for a change to resident status, must submit a petition with documentation. For the necessary petition forms and an explanation of the Colorado tuition classification statute, or if you have questions about your status as an in-state or out-of-state student, call **303-492-0907**, visit registrar.colorado.edu/students/tuition_classification.html, send an e-mail to tuitclass@colorado.edu, or write to:

Tuition Classification
University of Colorado Boulder
68 UCB
Boulder, CO 80309-0068

If you are a student at another CU campus, address your inquiries to the appropriate Office of Admissions and Records.

For summer 2012, petitions for residency classification must be submitted by May 11, 2012. If you will be attending only summer sessions A, C, D (June) or B (July), E, or F, please contact Tuition Classification at **303-492-0907**.

Be prepared to pay your tuition and fee bill in full by the tuition and fee payment deadline (see page 83). If residency is approved after this date, you will receive a refund.

Further information on tuition, fees, and deposits is available from the Bursar's Office, **303-492-5381**. The Board of Regents reserves the right to change tuition without notice.

SUMMER PARKING AND TRANSPORTATION OPTIONS

Parking permits are available for vehicles, motorcycles, mopeds, and scooters. Maymester permits are available for purchase online or can be purchased at the PTS Business Office located on the main campus at 1050 Regent Drive.

Visitor/Short-term Parking

Parking payment machines and meters are available throughout campus; some allow up to 10 hours parking time. Many visitor parking lots on campus, including Euclid AutoPark (EAP), have a flat fee on weekends, and weekdays after 5 pm. Night and weekend pm permits may be purchased for those who need parking outside of normal business hours.

Transportation

Fee-paying students can ride any of the local or regional bus routes, including the light rail and the SkyRide to and from Denver International Airport. To purchase a discounted bus pass for the summer, call **303-492-8308**. To view bus schedules visit www.rtd-denver.com.

Bikes

Summer is the perfect time to ride a bike in Colorado! Be sure to register your bike with the campus bike station if you park it on campus; registration costs \$10 and grants you access to the bike station services. For bike registration and summer hours call **303-735-2705**.

For more information visit www.colorado.edu/pts, call the PTS Business Office at **303-492-7834**, or e-mail pts.business@colorado.edu.

CONFIDENTIALITY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, sets forth requirements regarding the privacy of student records. FERPA governs the release of these records (known as education records) maintained by an educational institution, as well as access to these records. This law applies to K–12 as well as postsecondary education.

College students are permitted to inspect their own education records. School officials may not disclose personally identifiable information about students, nor permit inspection of their records, without written permission unless such action is covered by exceptions permitted by the Act.

For a full reading of the University of Colorado Boulder's FERPA policy, go to registrar.colorado.edu/regulations/ferpa_guide.html.

DISABILITY SERVICES

Students who require accommodation must contact Disability Services for an evaluation. If you qualify for an accommodation because of a disability, please submit the letter from Disability Services to your instructor at the beginning of the class so that your needs may be addressed. Disability Services determines accommodations based on documented disabilities. Visit www.colorado.edu/disabilityservices for more information, contact them at **303-492-8671**, or visit their office in the Center for Community, Room N200.

CU-BOULDER CATALOGS

Additional copies of the Summer Session catalog may be ordered at www.colorado.edu/summer, or by calling 303-492-5148. The *University of Colorado Boulder Catalog* can be viewed online at www.colorado.edu/catalog.

STATEMENT ON DIVERSITY

At the University of Colorado Boulder we are committed to building a campus community in which diversity is a fundamental value. People are different and the differences among us are what we call diversity—a natural and enriching hallmark of life. Diversity includes, but is not limited to, ethnicity, race, gender, age, class, sexual orientation, religion, disability, political viewpoints, veteran status, gender identity/expression, and health status. A climate of healthy diversity is one in which people value individual and group differences, respect the perspectives of others, and communicate openly.

Diversity is a key to inclusive excellence in education. A diverse learning environment better prepares all students for the world that awaits them. CU-Boulder is committed to enriching the lives of our students, faculty, and staff by providing a diverse campus where the exchange of ideas, knowledge, and perspectives is an active part of learning.

—*from the Guidelines for Diversity Planning*

Nondiscrimination

The University of Colorado does not discriminate on the basis of race, color, national origin, sex, age, disability, creed, religion, sexual orientation, or veteran status in admission and access to, and treatment and employment in, its educational programs and activities.

CU-Boulder takes action to increase ethnic, cultural, and gender diversity, to employ qualified disabled individuals, and to provide equal opportunity to all students and employees.

Although this catalog was prepared on the basis of the best information available at the time it was printed (January 2012), all information is subject to change without notice or obligation. The Board of Regents at the University of Colorado reserves the right to establish enrollment levels for all academic areas.

University of Colorado Boulder Catalog (USPS 651-060), 1505 University Avenue, 178 UCB, Boulder, CO 80309-0178. Volume 2012, No. 1, published four times a year: January, March, June/July, and October/November. Periodicals postage paid at Boulder, CO and additional mailing offices. Postmaster: Send address changes to University of Colorado Boulder Summer Session Catalog, University of Colorado Boulder, 178 UCB, Boulder, CO 80309-0178.
